**Focus On: 100 Most Popular 20Th-century American Politicians** Wikipedia contributors, **The Architects of Toxic Politics in America** Kenneth T. Walsh, 2024-04-16 The Architects of Toxic Politics in America Venom and Vitriol explains the history of poison politics in America by profiling some of the key political attack dogs who have shaped the modern landscape Comparing and contrasting the Trump and Biden presidencies with administrations of the past the book explains the unique character of the current toxic political moment and the forces that have created it The book also focuses quite extensively on non presidential architects of toxic politics other politicians campaign strategists activists and media figures and a few key figures that have fulfilled two or more of these roles Drawing on his long career as a journalist specializing in presidential coverage Kenneth T Walsh argues that due to the complex often conflicting nature of American government the angriest most decisive voices can command media voter and legislative attention and thereby maintain and consolidate power This results in frustration alienation and cynicism and ultimately a diminishment of voter participation that can reinforce the vicious cycle and lead to electoral disaster For anyone interested in politics media and the culture of gotcha journalism this book will also be a valuable addition to undergraduate and graduate courses on politics the presidency political and media ethics campaign history and government

**Ike's Final Battle** Kasey S. Pipes, 2007 He called it one of the hardest things he ever did as difficult as leading the D Day invasion When Dwight Eisenhower sent the 101st Airborne to Little Rock to integrate Central High School in September 1957 he couldn't know that he was fighting the last great battle of his career one that would change forever both him and his country This is the story of how one of America's greatest leaders confronted America's greatest sin This is the unlikely tale of how Ike became a civil rights president Ike represents is a revolution in scholarship on Eisenhower and civil rights Though not uncritical the book credits his steady personal advance on the issue as well as his accomplishments in the military and as president Drawing on thousands of primary documents including newly released

material like *Small Town* builds to its climax at Little Rock one of the most pivotal events of the civil rights movement Little Rock is at the epicenter but the book will also look at the cause and the aftermath

***Why the JFK Assassination Still Matters*** Richard Buyer, 2009 We live in a great country Yet we must have faith and trust in our government or we cannot succeed On the other hand the government must also believe in its own people Both factions must tell the truth For this reason the JFK assassination still matters History cannot be replayed but it can be rewritten Why read another book about the JFK assassination It's simple the major crime of the twentieth century remains unsolved Although the assassination of President John F Kennedy happened in 1963 the reverberations of this horrific event are still felt today Discrepancies and questions about the assassination remain unanswered Was there a conspiracy behind the assassination If so who was involved Why the JFK Assassination Still Matters discusses new ideas showing Lee Harvey Oswald never fired a shot at the president The Warren Commission was a hoax and the single bullet theory was physiologically impossible Strange bedfellows emerged when the CIA formed a coalition with organized crime in an attempt to assassinate Fidel Castro President Kennedy became a threat to very powerful forces when he tried to establish a peaceful coexistence with Russia and Cuba About the Author Dr Richard Buyer has been practicing medicine for over thirty five years The assassination of President John F Kennedy was probably the greatest tragedy he has personally experienced He wrote this book to help his children learn the truth behind this horrific event His daughter Kennedy happened to be born on the anniversary of the assassination It is Dr Buyer's goal that all children as well as adults will finally learn the truth about the assassination

***John Adams's Nixon in China*** Timothy A. Johnson, 2016-05-06 John Adams's opera *Nixon in China* is one of the most frequently performed operas in the contemporary literature Timothy A Johnson illuminates the opera and enhances listeners and scholars appreciation for this landmark work This music analytical guide presents a detailed in depth analysis of the music tied to historical and political contexts The opera captures an important moment in history and in international relations and a close study of it from an interdisciplinary perspective provides fresh compelling insights about the opera The music analysis takes a neo Riemannian approach to harmony and to large scale harmonic connections Musical metaphors drawn between harmonies and their dramatic contexts enrich this approach Motivic analysis reveals interweaving associations between the characters based on melodic content Analysis of rhythm and meter focuses on Adams's frequent use of grouping and displacement dissonances to propel the music forward or to illustrate the libretto The book shows how the historical depiction in the opera is accurate yet enriched by this operatic adaptation The language of the opera is true to its source but more evocative than the words spoken in 1972 due to Alice Goodman's marvelous poetic libretto And the music transcends its repetitive shell to become a hierarchically rich and musically compelling achievement
