Grove s **Body and Force in Music** Youn Kim, 2022-09-01 Our understanding of music is inherently metaphorical and metaphoricity pervades all sorts of musical discourses be they theoretical analytical philosophical pedagogical or even scientific The notions of body and force are the two most pervasive and comprehensive scientific metaphors in musical discourse Throughout various intertwined contexts in history the body force pair manifests multiple layers of ideological frameworks and permits the conceptualization of music in a variety of ways Youn Kim investigates these concepts of body and force in the emerging field of music psychology in the late nineteenth and early twentieth centuries The field s discursive space spans diverse contexts including psychological theories of auditory perception and cognition pedagogical theories on the performer s bodily mechanism speculative and practical theories of musical rhythm and aesthetical discussion of the power of music This investigation of body and force aims to illuminate not just the past scene of music psychology but also the notions of music that are being constructed at present

Media, Technology, and Literature in the Nineteenth Century Dr Colette Colligan, Dr Margaret Linley, 2013-05-28 Operating at the intersection where new technology meets literature this collection discovers the relationship among image sound and touch in the long nineteenth century The chapters speak to the special mixed media properties of literature while exploring the important interconnections of science technology and art at the historical moment when media was being theorized debated and scrutinized Each chapter focuses on a specific visual acoustic or haptic dimension of media while also calling attention to the relationships among the three Famous works such as Wordsworth s I wandered lonely as a cloud and Shelley s Frankenstein are discussed alongside a range of lesser known literary scientific and pornographic writings Topics include the development of a print culture for the visually impaired the relationship between photography and narrative the kaleidoscope and modern urban experience Christmas gift books poetry painting and music as remediated forms the interface among the piano telegraph and typewriter Ernst Heinrich Weber s model of rationalized tactility and how the shift from visual to auditory telegraphic instruments amplified anxieties about the place of women in nineteenth century information networks Full of surprising insights and connections the collection offers new impetus for stimulating historical conversations and debates about nineteenth century media while also contributing fresh perspectives on new media and re mediation today

Transformational Piano Teaching Derek Kealii Polischuk, 2019 Transformational Piano Teaching Mentoring Students from All Walks of Life examines the concept of the piano teacher as someone who is more than just a teacher of a musical skill but also someone who wields

tremendous influence on the development of a young person's artistic and empathic potential as well as their lifelong personal motivational framework. The specific attributes of today's students are explored including family and peer influences from interpersonal relationships to social media. Additionally, students from specific circumstances are discussed including those with special needs such as Autism Spectrum Disorders, ADHD, and Depression. Finally, motivation of a teacher's students is related to a teacher's own motivation in their work as a cycle of positivity and achievement will be recommended as a way to keep an instructor's work fresh and exciting.

Tuning and Temperament James Murray Barbour, 2004-01-01. This classic chronicle of the longstanding challenges of tuning and temperament devotes a chapter to each principal theory, features a glossary and numerous tables, and requires only minimal background in music theory. [How to Sing](#) Lilli Lehmann, 1993-01-01. One of the most influential of all singing guides by one of opera's first international superstars. Famed for her dramatic presence, powerful and flexible voice, and great repertoire, Mme Lehmann offers inspiration and sound advice in every phase of singing, from how to breathe correctly, produce a ringing head tone, and execute a proper trill to important nuances of vocal expression, language, and role interpretation. Of special interest, the great singer's recommended vocal exercises and guidelines for proper care of the voice.

On the Performance of Beethoven's Symphonies and Other Essays Felix Weingartner, 2013-03-21. Three important works by conductor Felix Weingartner (1863-1942) include a detailed account of performing difficulties and interpretation questions involved in each of Beethoven's symphonies, plus the essays *On Conducting* and *The Symphony Since Beethoven*.

[Notes from the Pianist's Bench](#) Boris Berman, 2017-11-28. A master class on piano performance and pedagogy from the world-renowned concert pianist. In this newly revised edition of a comprehensive guide to piano technique, performance, and music interpretation, renowned performing musician, recording artist, and teacher Boris Berman addresses virtually every aspect of musical artistry and pedagogy. Ranging from such practical matters as sound touch and pedaling to the psychology of performing and teaching, this essential volume provides a master class for the performer, instructor, and student alike.
