L. Miller, 2021-08-24 If we believe the Bible is the inerrant divinely inspired word of God from Genesis to Revelation what is said within its pages about God and his unchangeable character must be consistent and never contradictory Furthermore in order to love God with all our heart believing him to be a just merciful and loving God what we believe from the Scriptures must adhere to the three Cs Context Consistency and Character For centuries people have formulated doctrine by taking passages out of context They have made conclusions about God's character in an inconsistent fashion and often in ways that malign our righteous and holy Creator When Jesus came to earth he did not form a new religion he was a Jew and knew that God had given the sacred pronouncements of truth to the nation of Israel What he taught about hell death resurrection and judgment is entirely consistent with what God taught his people through the Mosaic Law the prophets and the psalms In **Hell No The Surprising Truths the Bible Teaches about Death Resurrection and Judgment** you will see that the Bible is clear humans never have and never will go to heaven they are not inherently immortal God will never torture souls in a hellfire and all those who died and have paid the price for their sin death will be resurrected on earth during the judgment period with a clean slate and an opportunity to truly know God as they learn war no more under Christ's millennial reign **Hell No** is a serious deep dive into Scripture but also a conversational foray into truth written by a layperson for laypeople serious about searching the deep things of God to uncover the Bible's truths in order to better know and love their Creator **THE 1946 PROJECT** Edward D. Andrews, 2021-10-28 Did one mistranslated word in 1946 change the church forever The film **The 1946 Project** claims that the word homosexual was wrongly inserted into the Bible in the Revised Standard Version and that this single mistake has fueled decades of misunderstanding mistreatment and oppression But is that true Or is it a clever attempt to rewrite the gospel to fit the spirit of the age This book exposes the errors of **The 1946 Project** with Scripture history and sound scholarship From Genesis to Revelation the Bible speaks with one voice about God's design for sex marriage and

holiness It is not one English word that defines the issue but the inspired Word of God itself Part One dismantles the film's claims showing why the mistranslation myth collapses under the weight of biblical evidence and the Christian consensus across centuries Part Two turns directly to today's youth ages 12-25 offering biblical guidance courage and clarity in a world of confusion about identity gender and truth This is not a book of hate but of hope It calls every reader to take God's Word seriously to stand firm in a culture of compromise and to believe the good news that in Christ sinners of every kind can be washed sanctified and justified 1 Corinthians 6:11 Truth matters Eternity matters The gospel cannot be rewritten
