Conservative Parties The Right And Democracy In Latin America:

Conservative Parties, the Right, and Democracy in Latin America Kevin J. Middlebrook, 2003-05-01 Under what conditions do political institutions develop that are capable of promoting economic and social elites accommodation to democracy The importance of this question for research on regime change and democracy in Latin America lies in two established political facts alliances between upper class groups and the armed forces have historically been a major cause of military intervention in the region and countries with electorally viable national conservative parties have experienced significantly longer periods of democratic governance since the 1920s and 1930s than have countries with weak conservative parties The contributors to this book examine the relationship between the Right and democracy in Argentina Brazil Chile Colombia El Salvador Peru and Venezuela during the 1980s and 1990s The authors focus particularly on the challenges that democratization may pose to upper class groups the political role of conservative parties and their electoral performance during these two crucial decades and the relationships among conservative party strength or weakness different modes of elite interest representation and economic and social elites support for political democracy The volume includes a statistical appendix with data on conservative parties electoral performance in national elections during the 1980s and 1990s in these seven countries Contributors Atilio A Bor n Universidad de Buenos Aires Catherine M Conaghan Queen s University Michael Coppedge University of Notre Dame John C Dugas Kalamazoo College Manuel Antonio Garret n Universidad de Chile Scott Mainwaring University of Notre Dame Rachel Meneguello Universidade de Campinas Kevin J Middlebrook University of California San Diego Timothy J Power Florida International University Elisabeth J Wood New York University

Conservative Parties, the Right, and Democracy in Latin America Kevin J. Middlebrook, 2000 **Conservative**

Party-building in Latin America James Loxton, 2021 Voice and Inequality is about conservative parties in Latin America James Loxton examines parties formed between 1978 and 2010 and tries to understand why some were more successful than others The main puzzle is the surprising connection between roots in dictatorship and success under democracy What allowed authoritarian successor parties in countries like Chile and El Salvador to succeed while those with more democratic origins in countries like Argentina and Guatemala failed It argues that this was not a coincidence the former inherited valuable resources from the old regime that helped them to thrive in the new **The Right and Democracy in Latin America** Douglas A. Chalmers, Maria do Carmo Campello de Souza, Atilio Boron, 1992-02-28 This book of up to date studies by a group of research scholars from Latin America and the United States examines the factors essential to an understanding of the Right s goals organizations and commitment to democracy The book is divided into four distinctive sections the first of which deals with the general characteristics of the Right The following three sections explore in depth the political strategies and organizations of the Right in elections and governing coalitions the conservative trends that are changing the Church and the fate of neo liberal ideas among businessmen traditionally dependent on the State Several chapters are devoted to the

distinctive dynamics in Argentina Brazil Mexico and Peru Conservative Political Parties and the Birth of Modern Democracy in Europe Daniel Ziblatt, 2017-04-17 A bold re interpretation of democracy s historical rise in Europe Ziblatt highlights the surprising role of conservative political parties with sweeping implications for democracy today **The Resilience of the Latin American Right** Juan Pablo Luna, Cristóbal Rovira Kaltwasser, 2014-09 Students and scholars of both Latin American politics and comparative politics will find *The Resilience of the Latin American Right* of vital interest

Latin American Democratic Transformations William C. Smith, 2009-08-24 *Latin American Democratic Transformations* explores the manner in which Latin American societies seek to consolidate and deepen their democracies in adverse domestic and international circumstances The contributors engage recent debates on liberal and illiberal democracy and probe the complex connections between democratic politics and neoliberal market oriented reforms **The Right against Rights in Latin America** Leigh A. Payne, Julia Zulver, Simón Escoffier, 2023-03-02 The book examines a new wave of anti rights movements in Latin America devoted to blocking rolling back and reversing the rights of historically excluded groups *Religiously Oriented Parties and Democratization* Luca Ozzano, Francesco Cavatorta, 2014-04-03 To the surprise of both academics and policy makers religion has not been relegated entirely to the private sphere quite the contrary Over the last few decades religion has begun to play a significant role in public affairs and in many cases directly in political systems This edited volume analyses in detail how religion and religious precepts inform the ideology strategies and electoral behaviour of political parties Working with an original and innovative typology of religiously oriented political parties the book examines cases from different regions of the world and different religious traditions to highlight the significance of religion for party politics This interest for religiously oriented parties is combined with an interest in processes of democratic change and democratic consolidation Political parties are central to the success of processes of democratization while religion is seen in many circles as an element that prevents such success because it is perceived to be a polarising factor detrimental to the consensus necessary to build a liberal democratic system Through the different case studies presented here a much more complex picture emerges where religiously oriented political parties perform very different and often contradicting roles with respect to democratic change This book was published as a special issue of *Democratization* **The Right in the Americas** Julián Castro-Rea, Esther Solano, 2023-07-14 *The Right in the Americas* discusses the origins development and current state of conservative and right wing movements in ten countries in the Americas The growth of the right is one of the most important issues of the moment in global politics Within the context of democracy erosion rejection of traditional politics and economic uncertainty right and extreme right actors are capable of offering misguided answers and hope to a significant part of a country s population who will trust their promises and bring them to power with their vote This dynamic has repeated itself in an astonishingly consistent pattern across the Americas This book analyses eight Latin American countries Argentina Brazil Chile Colombia Honduras Mexico Uruguay and Venezuela along with Canada and the

United States two G7 countries It demonstrates that conservatism is in fact a hemispheric phenomenon promoted and invigorated by the regional hegemon the United States of America both as government and as civil society Beyond this regional scope the peculiarities of each case study are explored in detail providing solid historical background while at the same time uncovering their commonalities and cross pollination This study will be of great interest to scholars of conservatism right wing politics comparative politics and North American and Latin American politics *Routledge Handbook of Latin American Politics* Peter Kingstone, Deborah J. Yashar, 2013-03-05 Latin America has been one of the critical areas in the study of comparative politics The region s experiments with installing and deepening democracy and promoting alternative modes of economic development have generated intriguing and enduring empirical puzzles In turn Latin America s challenges continue to spawn original and vital work on central questions in comparative politics about the origins of democracy about the relationship between state and society about the nature of citizenship about the balance between state and market The richness and diversity of the study of Latin American politics makes it hard to stay abreast of the developments in the many sub literatures of the field The Routledge Handbook of Latin American Politics offers an intellectually rigorous overview of the state of the field and a thoughtful guide to the direction of future scholarship Kingstone and Yashar bring together the leading figures in the study of Latin America to present extensive empirical coverage new original research and a cutting edge examination of the central areas of inquiry in the region Challenges of Party-Building in Latin America Steven Levitsky, James Loxton, Brandon Van Dyck, Jorge I. Domínguez, 2016-10-13 This book presents a new and conflict centered theory of successful party building drawing on diverse cases from across Latin America *Democracy in Latin America and the Caribbean* , 1987 *Politics in a Changing World* Mr. Rohit Manglik, 2024-02-16 EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels The Right and Radical Right in the Americas Tamir Bar-On, Bàrbara Molas, 2021-11-22 Studies of the right and radical right have proliferated since the rise of European nationalist and populist parties in the 1980s Yet the literature on the right and the radical right has a largely Euro American bias and has been limited by partisan academics that focus on the left The Right and Radical Right in the Americas hopes to be a pioneering work that examines the history and contemporary manifestations of the right and radical right throughout the Americas From interwar Canada to contemporary Chile the right and radical right have come in diverse ideological currents Those ideological currents have undergone historical changes and the strategies of the right and radical right need to be contextualized in respect of country and region The right and radical right also have distinctive meanings throughout the Americas and in different epochs Introduction to Political Science Fred Van Geest, 2017-07-04 Christians are called to be informed about political science as they seek to be ambassadors for Christ in a diverse society In

this introductory textbook Fred Van Geest presents a balanced Christian perspective on political science providing a nonpartisan guide to the key concepts institutions and policies that shape politics today **A Survey and Analysis of "Supporting Human Rights and Democracy--the U.S. Record 2002-2003"** United States. Congress. House. Committee on International Relations,2003 **Democracy and Social Rights** Larry Patriquin,2025-06-16 Inequality is everywhere while at the same time representative democracy is under attack This book considers what we are doing wrong and how we can put it right The author argues that our inability to create and entrench social rights which would help make societies more equal is rooted in the structures of our political institutions and concludes that our politics regardless of the presence of elections cannot carry the mantle democratic This is why substantial social rights are almost nowhere to be seen especially in liberal welfare regimes like the United States and the United Kingdom The main lesson is that all social change activists must make the creation of democracy a priority because without new institutions most of their activism will prove futile If there are no meaningful changes to our political systems then decades from now despite our brilliant blueprints for reform and our frequent marches in the streets people will find themselves in familiar surroundings in the same places we are today

The Democratic Century Seymour Martin Lipset,Jason M. Lakin,2004 In this study on democracy and democratic systems two scholars offer an expansive view of democratic systems and explain why democracy has succeeded in some countries and has failed in others Latin America's Struggle for Democracy Larry Diamond,Marc F. Plattner,Diego Abente Brun,2008-10-06 2009 Outstanding Academic Title Choice Almost thirty years have passed since Latin America joined democracy s global third wave and not a single government has reverted to what was once the most common form of authoritarianism military rule Behind this laudable record however lurk problems that are numerous and deep ranging from an ominous resurgence of antidemocratic and economically irresponsible populism to the fragility and unreliability of key democratic institutions A new addition to the Journal of Democracy series this volume ponders both the successes and the difficulties that color Latin American politics today The book brings together recent articles from the journal and adds new and updated material In these essays a distinguished roster of contributors thoughtfully examines democratic problems and prospects from the Rio Grande to Tierra del Fuego The first section assesses regionwide trends including the forces behind the much discussed political turn to the left the travails of the presidential form of government the challenges of integrating newly mobilized indigenous populations into politics the need for major reform in labor markets and the implications of rising populism for democratic institutions and governance The second section features important case studies of Argentina Brazil Chile Colombia Ecuador Peru and Venezuela The final section surveys Mexico Central America and the Caribbean Contributors Jorge G Casta eda Matthew R Cleary Catherine M Conaghan Javier Corrales Consuelo Cruz Luc a Dammert Daniel P Erikson Luis Estrada Eric Farnsworth Steven Levitsky Scott Mainwaring Cynthia McClintock Marco A Morales Mar a Victoria Murillo Michael Penfold Alejandro Poir Eduardo Posada Carb Christopher Sabatini Hector E Schamis Andreas

Conservative Parties The Right And Democracy In Latin America Introduction

In today's digital age, the availability of Conservative Parties The Right And Democracy In Latin America books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Conservative Parties The Right And Democracy In Latin America books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Conservative Parties The Right And Democracy In Latin America books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Conservative Parties The Right And Democracy In Latin America versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Conservative Parties The Right And Democracy In Latin America books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Conservative Parties The Right And Democracy In Latin America books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Conservative Parties The Right And Democracy In Latin America books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit

organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Conservative Parties The Right And Democracy In Latin America books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Conservative Parties The Right And Democracy In Latin America books and manuals for download and embark on your journey of knowledge?

FAQs About Conservative Parties The Right And Democracy In Latin America Books

1. Where can I buy Conservative Parties The Right And Democracy In Latin America books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
