Miles, James, bookseller, Leeds, Eng

Considered Writers Old New:

The Text of the Old Testament Considered Samuel Davidson, 1856 **The Writer in Petrograd and the House of Arts** Martha Weitzel Hickey, 2009-06-16 Founded by Maksim Gorky and Kornei Chukovsky in 1919 and disbanded in 1922 the Petrograd House of Arts occupied a crucial moment in Russia's cultural history By chronicling the rise and fall of this literary landmark this book conveys in greater depth and detail than ever before a significant but little studied period in Soviet literature Poised between Russian culture's past and her Soviet future between pre and post Revolutionary generations this once lavish private home on the Nevsky Prospekt housed as many as fifty six poets novelists critics and artists at one time during a period of great social and political turbulence And as such Hickey contends the House of Arts served as a crucible for a literature in transition Hickey shows how the House of Arts though virtually ignored by Soviet era cultural historians played a critical role in shaping the lively literature of the next decade a literature often straddling the border between fiction and non fiction Considering prose writers such as Yevgeny Zamyatin Olga Forsh the Serapion Brothers group Viktor Shklovsky Boris Eikhenbaum as well as poets including Alexander Blok Nikolay Gumilev Anna Radlova Osip Mandelstam and Vladislav Khodasevich she traces the comings and goings at the House of Arts the meetings and readings and lectures and most of all the powerful influence of these interactions on those who briefly lived and worked there In her work the Petrograd House of Arts appears for the first time in all its complexity and importance as a focal point for the social and cultural ferment of the day and a turning point in the direction of Russian literature and criticism **Writing Fantasy & Science Fiction** Brian M. Stableford, 1997 Bible Inspiration, Preservation, and Authority: The Bible as God's Revelation David Pratte, 2019-10-15 A study of what the Bible itself says about its inspiration preservation and authority Scripture as a complete and perfect religious guide Topics included are The Inspiration of the Bible The Historical Nature of Bible Accounts The Preservation of the Bible The Need for Bible Authority The Authority of Bible Examples and Necessary Inferences The Authority of the Old Testament Today Direct Guidance of the Holy Spirit Today Human Creeds or Majority Rule Let Your Conscience or Emotions Be Your Guide Church Traditions *Cyclopaedia of English Literature* Robert Chambers, 2023-04-22 Reprint of the original first published in 1858 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost Scientific and Technical Aerospace Reports, 1990 *The Complete Old Age Psychology* Akash Gopal Bagade, 2024-02-27 The Complete Old Age Psychology offers a comprehensive exploration of the psychological aspects of aging tailored specifically for individuals aged 40 and above all Drawing upon extensive research and practical insights this book provides a holistic understanding of the multifaceted journey of aging addressing the physical cognitive emotional spiritual and social dimensions From delving into the historical perspectives on aging to examining contemporary theories and demographics this book offers a thorough foundation for

understanding the complexities of aging in today's society Readers will gain insight into the biological factors influencing aging including the physiological changes that occur and strategies for promoting healthy aging **Reforming Reading, Writing, and Mathematics** S. G. Grant, 1998 Represents a study within a study of school reform the core study looks at how teachers make sense of multiple subject matter reforms the outer study explores the prospects for the current movement known as systemic reform **From God To Us Revised and Expanded** Norman L Geisler, William E. Nix, 2012-08-10 Where did the Bible come from How do we know the right books are in the Bible Does the Bible contain errors What are the oldest copies we have of the Bible How do we know that the Bible hasn't been changed over the years Why are there so many translations of the Bible and which one should I use These are just some of the important questions about the Bible that are discussed in this book Understanding basic facts about the origin of the Bible is essential for every Christian but it can also be confusing and difficult Here two well known scholars authors of a more technical book A General Introduction to the Bible explain simply and clearly these basic facts Inspiration the biblical canon major manuscripts textual criticism early translations and modern versions are some of the major topics discussed Careful explanations of important points are given throughout as the entire field of biblical introduction is covered Completely updated and revised edition of the 1974 work more than 78 000 copies sold Helpful charts have been added along with an index of subjects persons and Scripture This book is ideally suited for Bible students pastors and professors While writing for readers without previous training the authors do not gloss over difficult and complex issues when they arise The nature of inspiration the extent of the canon and the usefulness of modern versions are all clearly discussed The authors write The chain of communication from God to us is strong It has several solid links inspiration collection transmission and translations The strength of these links provide the contemporary Christian with the moral certitude that the Spirit inspired original text of Scripture has been providentially preserved by God so that for all practical purposes the Bible in our hands is the infallible and inerrant word of God Did Moses Speak Attic? Lester L. Grabbe, 2001-03-01 Is the Bible a Hellenistic book The essays in this volume respond to that challenging question formulated by Niels Peter Lemche and offer everything from qualified agreement to vociferous opposition In so doing they debate and illuminate the many features of Jewish writing in the Second Temple period including not only the scriptures themselves and their own history but the non canonized literature of the late Second Temple period As with all the volumes in this pioneering series the editor Lester Grabbe introduces and reflects upon the discussion and its implications for one of the most controversial topics in current biblical studies Confirmed Catholic Tracy Finke, **The Cambridge Companion to American Travel Writing** Alfred Bendixen, Judith Hamera, 2009-01-29 Travel writing has always been intimately linked with the construction of American identity Occupying the space between fact and fiction it exposes cultural fault lines and reveals the changing desires and anxieties of both the traveller and the reading public These specially commissioned essays trace the journeys taken by writers from the pre revolutionary period right up to the present

They examine a wide range of responses to the problems posed by landscapes found both at home and abroad from the Mississippi and the Southwest to Europe and the Holy Land Throughout the contributors focus on the role played by travel writing in the definition and formulation of national identity and consider the experiences of minority writers as well as canonical authors This Companion forms an invaluable guide for students approaching this new important and exciting subject for the first time

Writing History in the Age of Biomedicine Roger Cooter, 2013-06-18 DIV A collection of ten essays paired with substantial prefaces this book chronicles and contextualizes Roger Cooter's contributions to the history of medicine Through an analysis of his own work Cooter critically examines the politics of conceptual and methodological shifts in historiography In particular he examines the double bind of postmodernism and biological or neurological modeling that together threaten academic history To counteract this trend suggests Cooter historians must begin actively locating themselves in the problems they consider The essays and commentaries constitute a kind of contour map of history's recent trends and trajectories its points of passage to the present and lead both to a critical account of the discipline's historiography and to an examination of the role of intellectual frameworks and epistemic virtues in the writing of history div

American Directory of Writer's Guidelines, 2007-02 Perhaps the best kept secret in the publishing industry is that many publishers both periodical publishers and book publishers make available writer's guidelines to assist would be contributors Written by the staff at each publishing house these guidelines help writers target their submissions to the exact needs of the individual publisher The American Directory of Writer's Guidelines is a compilation of the actual writer's guidelines for more than 1 700 publishers A one of a kind source to browse for article short story poetry and book ideas

Writing After Chaucer Daniel Pinti, 2016-12-05 This volume makes available to teachers students and scholars a convenient selection of the most provocative and influential articles from the past 20 years on Chaucer's afterlife in the 15th century one of the most dynamic topics in Chaucer studies today Much recent work in the field of Chaucer studies has shown how our understanding of Chaucer's poetry is mediated by his 15th century readers and scribes Increased scholarly interest in various 15th century Chaucerian poets notably Hoccleve Lydgate and Henryson has prompted medievalists to read these sometimes neglected poems anew The classic essays in this volume plus two written just for this collection investigate the scribes glossators and poets whose reception and transmission of Chaucer's writings influence our own reading of them today focusing chiefly on the Chaucerian influence in their poetry Written by eminent Chaucer scholars these essays cover not only a wide range of Chaucer's writings but also touch on the history of the English language the glosses to Chaucer's poetry English and Scottish poets appropriations of Chaucer the implicit criticism and interpretations of Chaucer's writings in the 15th century and the first printing of Chaucer's works by William Caxton Timely and unique this collection will prove indispensable for research libraries a convenient and valuable resource for scholars and an essential introduction for students

Machiavelli's Ethics Erica Benner, 2009-10-26 Machiavelli's Ethics challenges the most entrenched

understandings of Machiavelli arguing that he was a moral and political philosopher who consistently favored the rule of law over that of men that he had a coherent theory of justice and that he did not defend the Machiavellian maxim that the ends justify the means By carefully reconstructing the principled foundations of his political theory Erica Benner gives the most complete account yet of Machiavelli's thought She argues that his difficult and puzzling style of writing owes far more to ancient Greek sources than is usually recognized as does his chief aim to teach readers not how to produce deceptive political appearances and rhetoric but how to see through them Drawing on a close reading of Greek authors including Thucydides Xenophon Plato and Plutarch Benner identifies a powerful and neglected key to understanding Machiavelli This important new interpretation is based on the most comprehensive study of Machiavelli's writings to date including a detailed examination of all of his major works *The Prince* *The Discourses* *The Art of War* and *Florentine Histories* It helps explain why readers such as Bacon and Rousseau could see Machiavelli as a fellow moral philosopher and how they could view *The Prince* as an ethical and republican text By identifying a rigorous structure of principles behind Machiavelli's historical examples the book should also open up fresh debates about his relationship to later philosophers including Rousseau Hobbes and Kant
