Conspiracy in Algiers 1942-1943 Renee Pierre-Gosset,2008-06-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work Unsolved Civil Rights Murder Cases, 1934-1970 Michael Newton,2016-02-11 The Emmett Till Unsolved Civil Rights Crime Act of 2007 called for review and reinvestigation of violations of criminal civil rights statutes that occurred not later than December 31 1969 and resulted in a death The U S Attorney General s review observed that date while examining cases from 1936 a date not specified in the Till Act onward In selecting violations for review certain headline cases were included while others meeting the same criteria were not considered This first full length survey of American civil rights cold cases examines unsolved racially motivated murders over nearly four decades beginning in 1934 The author covers all cases reviewed by the federal government to date as well as a larger number of cases that were ignored without official explanation **Alger Hiss, Whittaker Chambers and the Case That Ignited McCarthyism** Lewis Hartshorn,2013-07-17 This is a consensus challenging history of the Alger Hiss Whittaker Chambers controversy of 1948 to 1950 a criminal case in which Hiss was convicted of perjury after two long trials Chambers claimed that Hiss had passed classified State Department documents to him in 1937 and 1938 for transmittal to the Soviet Union Hiss denied the charges but was found guilty at his second trial the jury could not reach a decision in the first Hiss was not charged with espionage because of the statute of limitations The main focus of this narrative concentrates on the early months of the affair from August 1948 when Chambers appeared before the House Committee on Un American Activities and denounced Hiss and several others as underground Communists to the following December when Hiss was indicted for perjury The truth emerges as the story unfolds based in part on grand jury records unsealed by court order in 1999 leading to the conclusion that the stories Whittaker Chambers told the authorities and later published about himself and Alger Hiss in the Communist underground are completely fraudulent Stratagems and Conspiracies to Defraud Life Insurance Companies John Benjamin Lewis,Charles Carroll Bombaugh,1896

TABLET.,1811 *Humor and Power in Algeria, 1920 to 2021* Elizabeth M. Perego,2023-09-12 In times of peace as well as conflict humor has served Algerians as a tool of both unification and division Humor has also assisted Algerians of various backgrounds and ideological leanings with engaging critically in power struggles throughout the country's contemporary history By analyzing comedic discourse in various forms including plays jokes and cartoons *Humor and Power in Algeria 1920 to 2021* demonstrates the globally informed and creative ways that civilians have made sense of moments of victory and loss through humor Using oral interviews and media archives in Arabic French and Tamazight Elizabeth M Perego expands on theoretical debates about humor as a tool of resistance and explores the importance of humor as an instrument of war peace and social memory as well as a source for retracing volatile contested pasts *Humor and Power in Algeria 1920 to 2021* reveals how Algerians have harnessed humor to express competing visions for unity in a divided colonial society to channel and process emotions surrounding a brutal war of decolonization and the forging of a new nation and to demonstrate resilience in the face of a terrifying civil conflict *Moveable Designs, Liminal Aesthetics, and Cultural Production in America since 1772* Stefan L. Brandt,2022-11-30 The book explores the liminal aesthetics of U S cultural and literary practice Interrogating the notion of a presumptive unity of the American experience *Moveable Designs* argues that inner conflict divisiveness and contradiction are integral to the nation's cultural designs themes and motifs The study suggests that U S literary and cultural practice is permeated by moveable designs flexible yet constant features of hegemonial practice that constitute an integral element of American national self fashioning The naturally pervasive liminality of U S cultural production is the key to understanding the resilience of American culture *Moveable Designs* looks at artistic expressions across various media types literature paintings film television seeking to illuminate critical phases of U S American literature and culture from the revolutionary years to the movements of romanticism realism and modernism up to the postmodern era It combines a wide array of approaches from cultural history and social anthropology to phenomenology Connecting an analysis of literary and cultural texts with approaches from design theory the book proposes a new way of understanding American culture as design It is one of the unique characteristics of American culture that it creates or rather designs potency out of its inner conflicts and apparent disunities That which we describe as an identifiable American identity is actually the product of highly vulnerable alternating processes of dissolution and self affirmation *The Nation* ,1945-07

Algeria since 1989 James D. Le Sueur,2013-04-04 Algeria's democratic experiment is seminal in post Cold War history The first Muslim nation to attempt the transition from an authoritarian system to democratic pluralism this North African country became a test case for reform in Africa the Arab world and beyond Yet when the country looked certain to become the world's first elected Islamic republic there was a military coup and the democratic process was brought sharply to a halt Islamists declared jihad on the state and hundreds of thousands of civilians were killed in the ensuing decade of state

repression Le Sueur shows that Algeria is at the very heart of contemporary debates about Islam and secular democracy arguing that the stability of Algeria is crucial for the security of the wider Middle East Algeria Since 1989 is a lively and essential examination of how the fate of one country is entwined with much greater global issues Chronology, or the Historian's Companion; being an authentic register of events, from the earliest period to the present time. ...
