

"A Conspiracy So Immense"

- In 1949, with the Soviet Union testing an atomic bomb and China falling to communism, Americans felt they were losing the Cold War.
- Americans continued to believe that Communists were inside the government.
- Senator **Joseph R. McCarthy**, in a political speech, stated that Communist were danger both home and abroad.
- He had a list of 205 Communists in the state department.

Conspiracy So Immense

Hussin A.Rothana

Conspiracy So Immense:

A Conspiracy So Immense David M. Oshinsky, 2005 With a storyteller's eye for the dramatic presentation of fact and insightful interpretation of human complexity Oshinsky uncovers the layers of myth to reveal the true Joe McCarthy and the forces that launched him to prominence and decline

A Conspiracy So Immense David M. Oshinsky, 1983 **Many Are the Crimes** Ellen Schrecker, 1998 Offers an analysis of the McCarthy phenomenon tracing the machinations of anticommunism in creating a culture of fear and suspicion

Empire of Ideas Justin Hart, 2013-02-14 Covering the period from 1936 to 1953 *Empire of Ideas* reveals how and why image first became a component of foreign policy prompting policymakers to embrace such techniques as propaganda educational exchanges cultural exhibits overseas libraries and domestic public relations Drawing upon exhaustive research in official government records and the private papers of top officials in the Roosevelt and Truman administrations including newly declassified material Justin Hart takes the reader back to the dawn of what Time Life publisher Henry Luce would famously call the American century when U S policymakers first began to think of the nation's image as a foreign policy issue Beginning with the Buenos Aires Conference in 1936 which grew out of FDR's Good Neighbor Policy toward Latin America Hart traces the dramatic growth of public diplomacy in the war years and beyond The book describes how the State Department established the position of Assistant Secretary of State for Public and Cultural Affairs in 1944 with Archibald MacLeish the Pulitzer Prize winning poet and Librarian of Congress the first to fill the post Hart shows that the ideas of MacLeish became central to the evolution of public diplomacy and his influence would be felt long after his tenure in government service ended The book examines a wide variety of propaganda programs including the Voice of America and concludes with the creation of the United States Information Agency in 1953 bringing an end to the first phase of U S public diplomacy *Empire of Ideas* remains highly relevant today when U S officials have launched full scale propaganda to combat negative perceptions in the Arab world and elsewhere Hart's study illuminates the similar efforts of a previous generation of policymakers explaining why our ability to shape our image is in the end quite limited

The Red Scare Andrew A. Kling, 2011-12-15 A creeping sense of panic and paranoia characterized the Red Scare as millions of Americans began to subscribe to the belief that communists and socialists were infiltrating American institutions This compelling volume examines the Red Scare from diverse perspectives to facilitate discussions and research of relevant topics regarding this tense period of American history Chapters examine topics such as the conditions that spawned radical movements the response to communist activity including blacklists and F B I surveillance initiatives in congress to stamp out threats from the Left and the downfall and aftermath of the Red Scare

The Man to See Evan Thomas, 2012-12-04 This bestselling biography of legendary trial lawyer Edward Bennett Williams is a skillful and lively portrait of a larger than life lawyer Kirkus Reviews Legendary attorney Edward Bennet Williams was arguably the best trial lawyer ever to practice Now for the first time bestselling author Evan Thomas takes us into the courtrooms of Williams's

greatest performances as he defends Godfather Frank Costello Jimmy Hoffa Frank Sinatra The Washington Post and others as well as behind the scenes where the witnesses are coached the traps set and the deals cut In addition to being a lawyer of unprecedented influence Williams was also an important Washington insider privy to the secrets of America's most powerful men Thomas tells the truth behind the stories that made Williams one of the most talked about public figures of his time including Williams's role in the publication of the Pentagon Papers and the possibility that Williams may have been Watergate's Deep Throat Based on Thomas's exclusive access to Williams's papers *The Man to See* is an unprecedented look at the strategies and influence of this exceptional man McCarthyism Jonathan Michaels, 2017-04-21 In this succinct text Jonathan Michaels examines the rise of anti communist sentiment in the postwar United States exploring the factors that facilitated McCarthyism and assessing the long term effects on US politics and culture *McCarthyism The Realities Delusions and Politics Behind the 1950s Red Scare* offers an analysis of the ways in which fear of communism manifested in daily American life giving readers a rich understanding of this era of postwar American history Including primary documents and a companion website Michaels text presents a fully integrated picture of McCarthyism and the cultural climate of the United States in the aftermath of the Second World War **George F. Kennan** Walter L. Hixson, 1989 Kennan embodied the contradictions of Cold War anti communism and a distrust of democracy particularly as expressed in American anti communist hysteria Kennan later moved toward a realist perspective shedding ideology and addressing himself to the practical issues of detente and arms control This intellectual biography will serve general readers as well as students and scholars Excellent notes and bibliography Annotation copyrighted by Book News Inc Portland OR *Eisenhower for Our Time* Steven Wagner, 2024-04-15 *Eisenhower for Our Time* provides an introduction to the Eisenhower presidency extracting lessons for today's world Steven Wagner proposes that the need to maintain balance defines Eisenhower's presidency Wagner examines a series of defining moments that were among Eisenhower's greatest challenges some of which resulted in his greatest accomplishments the decision to run for president his political philosophy of the Middle Way the creation of a national security policy the French Indochina War Senator Joseph McCarthy the Little Rock Desegregation Crisis the Race for Space and the famous Farewell Address Wagner looks at Eisenhower's executive ability leadership decision making and willingness to compromise as well as the qualities of duty integrity and good character The moments detailed in *Eisenhower for Our Time* show Eisenhower as a president intimately engaged in the decisions that defined America in his time and that apply to ours today The President's actions place him among the most successful presidents and provide many lessons to guide us in our time and in the future *Deadly Farce* Robert M. Lichtman, Ronald D. Cohen, 2004 The book traces the rise and fall of Harvey Matusow a wise guy professional informer witness of the McCarthy era whose dramatic recantation led to his own imprisonment but hastened the end of the era No issue so possessed the nation in the first half of the 1950s as alleged Communist subversion in the United States Communist Party member an undercover FBI informer inside the Party

and then a leading witness for the government during the McCarthy era until he recanted his testimony His story illuminates a disturbing time in American history one with renewed relevance today Matusow was easily the most flamboyant of the professional ex Communists a celebrity informer who considered himself booked by Congressional committees not just to testify but to entertain He testified that Communists fostered loose sex taught politicized Mother Goose rhymes to small children and tried to infiltrate the Boy Scouts He also named more than 200 people as Communists and was a prosecution witness in major criminal cases transcripts personal interviews private papers and other primary sources most never before utilized to describe the unusual role of ex Communist informer witnesses during the McCarthy era The Justice Department kept several dozen political informers on the government s payroll to testify in hundreds of deportation sedition and contempt of Congress cases Some informers achieved celebrity as the result of high profile appearances at criminal trials and before Congressional committees But as the era continued instances of perjury began to appear Harvey Matusow s sensational recantation in 1955 gave him his biggest audience yet It led to the dissolution of the Justice Department s informer stable and ended the public s infatuation with the group Matusow s unrepentant and at times vaudevillian appearances before the Senate red hunting committee investigating his recantation followed by his prosecution for perjury for the recantation not his original testimony and prison sentence mark the climax of Deadly Farce McCarran and Elizabeth Bentley among many others offers an inside entertaining and closely documented view of a largely untold part of McCarthy era history The columnist Murray Kempton described Matusow as a truly remarkable witness in the opera bouffe sense demanded by inquisitions of the 1950s **The Supreme Court and McCarthy-Era Repression** Robert M.

Lichtman,2012-07-31 In Fred Vinson s term as chief justice 1946-53 the court largely rubber stamped government action against accused Communists and subversives After Earl Warren replaced Vinson as chief justice in 1953 however the Court began to rule against the government in Communist cases choosing the narrowest of grounds but nonetheless outraging public opinion and provoking fierce attacks from the press and Congress Legislation to curb the Court flooded Congress and seemed certain to be enacted The Court s situation was aggravated by its 1954 school desegregation decision Brown v Board of Education which led to an anti Court alliance between southern Democrats and anti Communists in both parties Although Lyndon Johnson s remarkable talents as Senate majority leader saved the Court from highly punitive legislation the attacks caused the Court to retreat with Felix Frankfurter leading a five justice majority that decided major constitutional issues for the government and effectively nullified earlier decisions Only after August 1962 when Frankfurter retired and was replaced by Arthur Goldberg did the Court again begin to vindicate individual rights in Communist cases its McCarthy era was over Provided by publisher Prologue ,2001 G-Man Beverly Gage,2023-03-30 Winner of the Pulitzer Prize for Biography 2023 Winner of the 2022 National Book Critics Circle Award in Biography Winner of the 2023 Bancroft Prize in American History and Diplomacy Winner of the American History Book Prize Shortlisted for the 2023 PEN Jacqueline Bograd Weld

Award for Biography Longlisted for the CWA ALCS Gold Dagger for Non Fiction When he became director of the FBI J Edgar Hoover transformed a failing law enforcement backwater into a modern machine He stayed in power for decades and created a personal fiefdom unrivalled in US history In this masterful multi award winning biography Beverley Gage explores the full sweep of Hoover s life and career In Gage s portrait Hoover was a man admired by millions but was also a formidable public figure who intimidated his enemies excluded minorities from his great American project and created the foundations of the US far right G Man is a dramatic portrait of one of America s most influential and controversial public figures It is also an engrossing story of the making of modern America Revelatory New York Times Astonishing The New Yorker Masterful This book is an enduring formidable accomplishment a monument to the power of biography that now becomes the definitive work The Washington Post

Modern Conspiracies in America Michael D. Gambone, 2022-05-15 an excellent guide to logic and credibility for all who are curious about this complex and urgent subject Booklist Starred Review America is awash with alleged conspiracies It seems like today no one with a cell phone escapes the vortex of skepticism cynicism paranoia and fear that occupy our thoughts almost constantly Seeking out valid answers in this cacophony can be confusing and deeply frustrating In this book historian Michael D Gambone provides case studies of popular conspiracy theories in America from the past 100 years from Protocol of the Elders of Zion to stopthesteal He offers an approach based on basic logic and historical case studies not designed to win arguments but to help readers separate truth from the avalanche of nonsense descending on us every day In each case Gambone outlines the conspiracy claim provides historical context for the conspiracy presents evidence of the conspiracy claim and analyzes the claim context and evidence *Modern Conspiracies in American History* will appeal to a broad audience of readers interested in American history and those seeking to become better informed consumers of news in an era when social media spreads misinformation widely and quickly

Demagogue Larry Tye, 2020 A Joe McCarthy chronology Coming alive Senator who An ism is born Bully s pulpit Behind closed doors The body count The enablers Too big to bully The fall

Presidents versus Senators F. Martin Harmon, 2021-10-22 Landmark political confrontations between sitting presidents and powerful senators have occurred throughout American history some have shaped the nation This book takes an in depth look at seven of those major Washington wars including the personal rivalries that spawned each one the strategies and events that transpired as a result and the aftermaths and impacts on the country Neither compromise nor surrender were considered in these intense debates which left scars on the national psyche Each episode could be worthy of a historical narrative all its own but considered together they illustrate the long and bitter history of democratic warfare between the leaders and branches of government at either end of Pennsylvania Avenue

Prophetic Tradition and Radical Rhetoric in America James Darsey, 1999-09 This expansive volume traces the rhetoric of reform across American history examining such pivotal periods as the American Revolution slavery McCarthyism and today s gay liberation movement At a time when social movements led by religious leaders from Louis Farrakhan to Pat Buchanan

are playing a central role in American politics James Darsey connects this radical tradition with its prophetic roots Public discourse in the West is derived from the Greek principles of civility diplomacy compromise and negotiation On this model radical speech is often taken to be a symptom of social disorder Not so contends Darsey who argues that the rhetoric of reform in America represents the continuation of a tradition separate from the commonly accepted principles of the Greeks Though the links have gone unrecognized the American radical tradition stems not from Aristotle he maintains but from the prophets of the Hebrew Bible

Covering McCarthyism Lawrence N. Strout, 1999-09-30 Strout examines how the Christian Science Monitor a highly influential newspaper of the era covered Joseph R McCarthy and McCarthyism from the Senator's Lincoln Day speech in February 1950 through his censure in December 1954 Through his in depth examination of the Monitor's interoffice communications Strout examines how the Monitor's coverage compared with other elite and popular press newspapers and how the pressures associated with McCarthyism affected individuals at the Monitor An extensive review of the Monitor's editorials and news articles suggests that it was remarkably thorough and fair in its reporting while still being outspoken but responsible in its criticism While many newspapers attacked McCarthy personally the Monitor concentrated on the actions of the junior senator and the negative effects they were having at home and abroad As Strout sees it the Monitor served as a voice of moderation while simultaneously being a persistent critic of McCarthy's tactics

Hope and Fear in Margaret Chase Smith's America Gregory P. Gallant, 2014-09-24 Hope and Fear in Margaret Chase Smith's America A Continuous Tangle provides a fresh interpretation of the life career and legacy of former United States Senator Margaret Chase Smith the first woman elected to both houses of the U S Congress The book examines the critical connections made by Smith to key policymakers links that allowed her to overcome opposition and prejudice to gain access influence and power in Washington D C Highlighting the tangle of personalities and events in America from 1940 to 1972 the book focuses on Smith's courageous and often solitary efforts on behalf of women during the 1940s and her stand during the McCarthy era which earned her a national reputation for civility in public discourse It also examines her key interactions with the group of U S Senators who were elected with her in 1948 and their work to forge public policy in the aftermath of McCarthyism including domestic and international policy following Sputnik the creation of the Space Program civil rights Vietnam and Medicare Against these events and activities the book demonstrates the impact of the nation's commitment to anticommunism and nuclear weapons which allowed politicians like Margaret Chase Smith to embrace contradictory stances on political dissent military policy and the role of government in American society

The Soul of America Jon Meacham, 2018-05-08 1 NEW YORK TIMES BESTSELLER Pulitzer Prize winning author Jon Meacham helps us understand the present moment in American politics and life by looking back at critical times in our history when hope overcame division and fear Gripping and inspiring The Soul of America is Jon Meacham's declaration of his faith in America Newsday ONE OF OPRAH'S BOOKS THAT HELP ME THROUGH A BEST BOOK OF THE YEAR NPR The Christian Science Monitor Southern

Living Our current climate of partisan fury is not new and in *The Soul of America* Meacham shows us how what Abraham Lincoln called the better angels of our nature have repeatedly won the day Painting surprising portraits of Lincoln and other presidents including Ulysses S Grant Theodore Roosevelt Woodrow Wilson Franklin D Roosevelt Harry S Truman Dwight Eisenhower and Lyndon B Johnson and illuminating the courage of such influential citizen activists as Martin Luther King Jr early suffragettes Alice Paul and Carrie Chapman Catt civil rights pioneers Rosa Parks and John Lewis First Lady Eleanor Roosevelt and Army McCarthy hearings lawyer Joseph N Welch Meacham brings vividly to life turning points in American history He writes about the Civil War Reconstruction and the birth of the Lost Cause the backlash against immigrants in the First World War and the resurgence of the Ku Klux Klan in the 1920s the fight for women s rights the demagoguery of Huey Long and Father Coughlin and the isolationist work of America First in the years before World War II the anti Communist witch hunts led by Senator Joseph McCarthy and Lyndon Johnson s crusade against Jim Crow Each of these dramatic hours in our national life have been shaped by the contest to lead the country to look forward rather than back to assert hope over fear a struggle that continues even now While the American story has not always or even often been heroic we have been sustained by a belief in progress even in the gloomiest of times In this inspiring book Meacham reassures us The good news is that we have come through such darkness before as time and again Lincoln s better angels have found a way to prevail

Thank you entirely much for downloading **Conspiracy So Immense**. Most likely you have knowledge that, people have look numerous period for their favorite books like this Conspiracy So Immense, but end taking place in harmful downloads.

Rather than enjoying a fine book once a cup of coffee in the afternoon, instead they juggled once some harmful virus inside their computer. **Conspiracy So Immense** is easy to get to in our digital library an online entry to it is set as public correspondingly you can download it instantly. Our digital library saves in fused countries, allowing you to get the most less latency epoch to download any of our books in imitation of this one. Merely said, the Conspiracy So Immense is universally compatible next any devices to read.
