Constance Faith:

Breaking Faith E. Graziani, 2017-03-14 Faith Emily Hansen just wants to be loved and to live without the weight of addiction But the relief that she gets from being wrapped up in the cozy little cotton ball of heroin is impossible to ignore Faith's story starts in her earliest days before drugs before her family falls apart She eventually becomes consumed by the need to chase the dragon the heroin addiction that seems to keep the Darkness at bay but leads her to live on the street The determination to find love and comfort that lures Faith to drugs is ultimately the same stubborn force that can drive her to recover *Autobiography and the Psychological Study of Religious Lives* Jacob Adrianus Belzen, 2008 This volume positions itself on the cutting edge of two fields in psychology that enjoy rapidly increasing attention both the study of human lives and some core domains of such lives as religion and spirituality are high on the agenda of current research and teaching Biographies and autobiographies are being approached in new ways and have become central to the study of human lives as an object of research and a preferred method for obtaining unique data about subjective human experiences Ever since the beginning of the psychology of religion autobiographies have also been pointed out as an important source of information about psychic processes involved in religiosity In this volume a number of leading theoreticians and researchers from Europe and the USA try to bring them back to this field by drawing on new insights and latest developments in psychological theory

The Poetic Voices of John Gower Matthew W. Irvin, 2014 An examination of Gower's skilful deployment of personae in his works showing the parallels between the way he treats love and the way he treats politics Gower's use of the persona the figure of the writer implicated in the text is the main theme of this book While it traces the development of Gower's voice through his major works it concentrates on the dialogue of Amans and Genius in the *Confessio Amantis* It argues that Gower negotiates problems of politics and problems of love by means of an analogy between political ethics and the rules of fin amour Amans and Genius are both drawn from and occupied with amatory and ethical traditions and their discourse produces a series of attempts to find a coherent and rational union of lover and ruler The volume also argues that Gower's goal is poetic as well as political through the personae Gower's readers experience the pains and pleasures of erotic and social love Gower's personae voice potential responses to exemplary experience prompting readers to feel and to judge and moving them to become better lovers and better rulers Gower's analogy between fin amour and politics brings the affects of the lover to the action of government and suggests for both love and rule the moderation that brings peace and joy Matthew W Irvin is Assistant Professor in the Department of English and Chair of the Medieval Studies Program at Sewanee *The Epistemological Spectrum* David K. Henderson, Terry Horgan, 2011-08-04 Henderson and Horgan set out a broad new approach to epistemology They defend the roles of the a priori and conceptual analysis but with an essential empirical dimension Transglobal reliability is the key to epistemic justification The question of which cognitive processes are reliable depends on contingent facts about human capacities *Faith Money Pit Ranch Book 1* D.D. Lyles, 2022-05-04 Faith returns

to the area where she grew up on a whim She had grown tired of living a lie if only to herself She traded in her dresses and heels for boots and jeans The Money Pit Ranch was looking for a hand Faith was looking for a job She had no idea how much she would learn or how much she would teach those around her Justin was the owner of the ranch and he has his own past from which he was trying to escape Faith and Justin have different points of view on how a ranch should be run Can they get past the attraction growing between them or will it cross the line between employee and employer The Money Pit Ranch is full of rough and rowdy cowboys during round up Most of them are just good guys but in every crowd there are a few that think they should own the world When some cattle come up missing it is up to Justin and Faith to try and bring the rustlers to justice *Chambers's Journal of Popular Literature, Science and Arts* ,1882 Fox's Book of Martyrs John Foxe,1851
