

# Constantine Rome

**David Potter**

## **Constantine Rome:**

Constantine and Rome R. Ross Holloway, 2008-10-01 Constantine the Great 285-337 played a crucial role in mediating between the pagan imperial past of the city of Rome which he conquered in 312 and its future as a Christian capital. In this learned and highly readable book R. Ross Holloway examines Constantine's remarkable building program in Rome. Holloway begins by examining the Christian Church in the period before the Peace of 313 when Constantine and his co-emperor Licinius ended the persecution of the Christians. He then focuses on the structure, style, and significance of important monuments: the Arch of Constantine and the two great Christian basilicas, St John's in the Lateran and St Peter's, as well as the imperial mausoleum at Tor Pignatara. In a final chapter, Holloway advances a new interpretation of the archaeology of the Tomb of St Peter beneath the high altar of St Peter's Basilica. The tomb, he concludes, was not the original resting place of the remains venerated as those of the Apostle but was created only in 251 by Pope Cornelius. Drawing on the most up-to-date archaeological evidence, he describes a cityscape that was at once Christian and pagan, mirroring the personality of its ruler.

**The Roman Revolution of Constantine** Raymond Van Dam, 2009-04-27 The reign of the emperor Constantine 306-337 was as revolutionary for the transformation of Rome's Mediterranean empire as that of Augustus, the first emperor three centuries earlier. The abandonment of Rome signaled the increasing importance of frontier zones in northern and central Europe and the Middle East. The foundation of Constantinople as a new imperial residence and the rise of Greek as the language of administration previewed the establishment of a separate eastern Roman empire.

**Constantine the Emperor** David Potter, 2012-12-10 No Roman emperor had a greater impact on the modern world than did Constantine. The reason is not simply that he converted to Christianity but that he did so in a way that brought his subjects along after him. Indeed, this major new biography argues that Constantine's conversion is but one feature of a unique administrative style that enabled him to take control of an empire beset by internal rebellions and external threats by Persians and Goths. The vast record of Constantine's administration reveals a government careful in its exercise of power but capable of ruthless even savage actions. Constantine executed or drove to suicide his father-in-law, two brothers-in-law, his eldest son, and his once-beloved wife. An unparalleled general throughout his life, planning a major assault on the Sassanian Empire in Persia even on his deathbed, alongside the visionary who believed that his success came from the direct intervention of his God, resided an aggressive warrior, a sometimes cruel partner, and an immensely shrewd ruler. These characteristics combined together in a long and remarkable career which restored the Roman Empire to its former glory. Beginning with his first biographer, Eusebius, Constantine's image has been subject to distortion. More recent revisions include John Carroll's view of him as the intellectual ancestor of the Holocaust, Constantine's Sword, and Dan Brown's presentation of him as the man who oversaw the reshaping of Christian history. *The Da Vinci Code*. In *Constantine the Emperor*, David Potter confronts each of these skewed and partial accounts to provide the most comprehensive, authoritative, and readable account of Constantine's extraordinary

life     *The Roman Empire Under Constantine the Great* Matthew Bridges, 1828     **Constantine the Great** Michael Grant, 1994 The Emperor Constantine was one of the great charismatic figures of the ancient world He was directly responsible for two momentous transformations that greatly affected our history and civilization the founding of Constantinople as the Roman capital and the conversion of the Roman Empire to Christianity With knowledge gained from modern research in all relevant fields including archaeology papyrology and art history Michael Grant traces the controversies that surround this intriguing ruler back to their very beginnings He draws a compelling portrait of Constantine assessing the emperor's achievements as a general in command of his armies and as a resourceful politician and reformer In art politics economics social developments and particularly in religion the life of Constantine acts as a bridge between past and present Michael Grant goes beyond the bias of literary sources and reveals the private man behind the public persona the superstitious beliefs underpinning Constantine's hallucinatory visions and dreams that heralded his conversion to Christianity his persecution of paganism in the name of Christianity that set precedents for centuries to come and the relationship between church and state that gave way to the totalitarianism of the Late Roman Empire Was he the last notable Roman emperor or the first medieval monarch Was the great convert a saint and hero or should we regard him as a murderer who killed his wife his eldest son and many of his friends to further his own ambitions These are just some of the issues raised in this revelatory biography

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved     Constantine Paul Stephenson, 2011-08-04 In AD 312 Constantine one of four Roman emperors ruling a divided empire marched on Rome to establish his sole control of its western half On the eve of the decisive battle he later claimed to have seen a Cross shaped trophy of light in the heavens a sign that the Christian God was his patron ensuring his victory But Constantine's conversion was not a momentary revelation inspired by a vision It was a lifelong process inspired by his own mother and aligned with radical developments in the later Roman world During Constantine's lifetime Christianity emerged from the shadows and under his rule its adherents were no longer persecuted Constantine the victorious general advanced a new triumphalist brand of Christianity which became the empire's dominant faith and entrenched an institutional Church that could propagate and sustain the imperial religion Constantine would go on to unite the eastern and western halves of the empire establishing a new ceremonial stage his eponymous victory city Constantinople This was not a new capital to replace Rome nor was it an exclusively Christian construction Yet it became the greatest Christian city in the world the capital of Byzantium even as Rome itself fell to barbarian hordes Paul Stephenson offers a nuanced and deeply satisfying account of a man whose cultural and spiritual renewal of the Roman empire gave birth to the idea of a unified Christian empire from which Europe would emerge In Constantine Unconquered Emperor Christian Victor a seminal figure in political and cultural history has found the biographer he deserves     *Constantine the Great* Elizabeth Hartley, Jane Hawkes, Martin Henig, 2006 Constantine the Great York's Roman Emperor celebrates the 1700th anniversary of the proclamation of

Constantine as Emperor in York on 25th July 306 In a series of multi disciplinary essays and a fully illustrated scholarly catalogue of objects the book is a major contribution to the study of the material and visual evidence for Constantine s reign The geographic range of the book is the Roman Empire with the focus mainly on the Western Empire Key themes include the transition from the Classical to the Medieval world and from paganism to Christianity The book brings together for the first time a fascinating range of objects to support its arguments not notably the monumnetal marble head of Constantine from York the mosaic roundel with Christ s head from Hinton St Mary Dorset the earliest Christian silver hoard in the Roman Empire from Water Newton Cambridgeshire the Late Roman silver hoard from Traprain Law Scotland the building inscription of Constantius from Hadrian s Wall Northumberland medallions coins and jewellery from Arras France early Christiana tombstones from Trier Germany a papyrus fragment with text of the Constantine letter to the people of Palestine of 324 from the British Library and the silver gilt personification of Constantinople from the Esquiline Treasure BOOK JACKET Also includes information on Anglo Saxon England animals Bible Britain Christianity symbols of Christianity churches clothing coins and mints Constantinople Diocletian economy Eusebius Bishop of Caesarea glassware hair and hairstyles inscriptions jewelry manuscripts and papyri mosaics paganism Rome silver statuary and sculpture treasures and hoards etc *The Life and Times of Constantine* Kathleen Tracy, 2005-09 Constantine is considered one of the most influential leaders of the Roman Empire He spent his childhood in humble surroundings raised by a single mother before reuniting with his father Constantius a powerful military leader who eventually co governed the Empire Known as a brave soldier Constantine followed in his father s military footsteps and earned a reputation as a natural leader His victory at Milvian Bridge against Emperor Licinius in 312 A D changed the course of not just Roman history but the world Constantine united Rome under one rule moved the capital of the Empire to Byzantium and legalized Christianity proclaiming it the official religion of Rome His other legacies include introducing a new currency that would be used for several centuries and instituting a system of having workers pay rent to landowners in exchange for growing crops which set the foundation for the serf system in medieval European society

**Constantine** Margaux Baum, Julian Morgan, 2016-12-15 The rise of Constantine marked a pivotal and transformative time for the Roman Empire Besides imposing many important changes to Rome s government and currency and a reorganization of civil and military spheres Constantine is also well known for being the first Roman emperor to embrace and eventually convert to Christianity a religion once oppressed and reviled by pagan Rome and for shifting imperial power to the eastern part of the empire In this book the life of Constantine the Great as he would become known as is explored analyzed and enlivened via historical images of artworks and ancient Roman relics *The Emperor Constantine* Michael Grant, 2011-12-30 A study of one of the ancient world s most fascinating figures Fascinating and readable biography by a great populariser of classical civilisation Directly responsible for momentous transformations of the Imperial scene Constantine will always be famous as the 1st Christian Emperor of Rome and for refounding ancient Byzantium as

Constantinople events which rank amongst the most significant in history In art politics economics and particularly in religion the life of Constantine acts as a bridge between past and present Was he the last notable Roman Emperor or the first medieval monarch Was the Great convert a saint and hero or should we regard him as a murderer who killed his wife his eldest son and many of his friends to further his own ambitions These are just some of the issues that are raised in this stimulating biography **Constantine** Timothy D. Barnes, 2013-12-31 Drawing on recent scholarly advances and new evidence Timothy Barnes offers a fresh and exciting study of Constantine and his life First study of Constantine to make use of Kevin Wilkinson's re-dating of the poet Palladas to the reign of Constantine disproving the predominant scholarly belief that Constantine remained tolerant in matters of religion to the end of his reign Clearly sets out the problems associated with depictions of Constantine and answers them with great clarity Includes Barnes own research into the marriage of Constantine's parents Constantine's status as a crown prince and his father's legitimate heir and his dynastic plans Honorable Mention for 2011 Classics Ancient History PROSE award granted by the Association of American Publishers

**Constantine and the Conversion of Europe** A. H. M. Jones, 2011-03-23 From his influence on economics and governance to his pivotal role in popularising Christianity this is a compelling exploration of the transformative reign of Constantine the Great Roman Emperor from 306 to 337 AD Constantine the Great c 272-337 was a pivotal figure in the history of both the Roman Empire and Christianity The first Roman emperor to convert to Christianity he eradicated Christian persecution and was influential in the religion's spread throughout Ancient Rome His rule was marked by sweeping administrative financial social and military reforms designed to strengthen and stabilise the sprawling empire His introduction of the solidus a new gold coin effectively combated inflation and set the standard for Byzantine and European currencies for over a millennium Constantine and the Conversion of Europe explores the complexities of his religious policies his support for the Christian Church and the profound effects of his conversion on European history A thoughtful and engaging account of one of history's most influential emperors this book is perfect for those interested in Roman history and early Christianity **The Cambridge Companion to the Age of Constantine** Noel Emmanuel Lenski, 2012 This volume presents a comprehensive survey of Emperor Constantine and his times It examines political history religion social and economic history art and foreign relations as well as the intimate interplay between emperor and empire *The Cambridge Companion to the Age of Constantine* Noel Emmanuel Lenski, 2006 The Cambridge Companion to the Age of Constantine offers students a comprehensive one volume survey of this pivotal emperor and his times Richly illustrated and designed as a readable survey accessible to all audiences it also achieves a level of scholarly sophistication and a freshness of interpretation that will be welcomed by the experts The volume is divided into five sections that examine political history religion social and economic history art and foreign relations during the reign of Constantine who steered the Roman Empire on a course parallel with his own personal development **Life of Constantine the Great** Joseph Fletcher, 2014-11-01 It

would be hard if not outright impossible to overstate the impact Roman Emperor Constantine I had on the history of Christianity Ancient Rome and Europe as a whole Best known as Constantine the Great the kind of moniker only earned by rulers who have distinguished themselves in battle and conquest Constantine remains an influential and controversial figure to this day He achieved enduring fame by being the first Roman emperor to personally convert to Christianity and for his notorious Edict of Milan the imperial decree which legalized the worship of Christ and promoted religious freedom throughout the Empire More than 1500 years after Constantine's death Abdu l Bah the head of the Bah Faith wrote His blessed name shines out across the dawn of history like the morning star and his rank and fame among the world's noblest and most highly civilized is still on the tongues of Christians of all denominations Moreover even though he is best remembered for his religious reforms and what his mostly Christian admirers described as his spiritual enlightenment Constantine was also an able and effective ruler in his own right Rising to power in a period of decline and confusion for the Roman Empire he gave it a new and unexpected lease on life by repelling the repeated invasions of the Germanic tribes on the Northern and Eastern borders of the Roman domains even going so far as to re-expand the frontier into parts of Trajan's old conquest of Dacia modern Romania which had been abandoned as strategically untenable However it can be argued that despite his military successes the most notable of which occurred fighting for supremacy against other Romans Constantine may well have set the stage for the ultimate collapse of the Roman Empire as it had existed up until that point It was Constantine who first decided that Rome exposed and vulnerable near the gathering masses of barbarians moving into Germania and Gaul was a strategically unsafe base for the Empire and thus expanded the city of New Rome on the Dardanelles straits creating what eventually became Constantinople By moving the political administrative and military capital of the Empire from Rome to the East as well as the Imperial court with all its attendant followers Constantine laid the groundwork for the eventual schism which saw the two parts of the Roman Empire become two entirely separate entities go their own way and eventually collapse piecemeal under repeated waves of invasion

### **The Life and Legacy of**

**Constantine** M. Shane Bjornlie, 2016-07-15 The transformation from the classical period to the medieval has long been associated with the rise of Christianity This association has deeply influenced the way that modern audiences imagine the separation of the classical world from its medieval and early modern successors The role played in this transformation by Constantine as the first Christian ruler of the Roman Empire has also profoundly shaped the manner in which we frame Late Antiquity and successive periods as distinctively Christian The modern demarcation of the post-classical period is often inseparable from the reign of Constantine The attention given to Constantine as a liminal figure in this historical transformation is understandable Constantine's support of Christianity provided the religion with unprecedented public respectability and public expressions of that support opened previously unimagined channels of social political and economic influence to Christians and non-Christians alike The exact nature of Constantine's involvement or intervention has been the

subject of continuous and densely argued debate Interpretations of the motives and sincerity of his conversion to Christianity have characterized with various results explanations of everything from the religious culture of the late Roman state to the dynamics of ecclesiastical politics What receives less frequent attention is the fact that our modern appreciation of Constantine as a pivotal historical figure is itself a direct result of the manner in which Constantine's memory was constructed by the human imagination over the course of centuries This volume offers a series of snapshots of moments in that process from the fourth to the sixteenth century

**The Rome of Peter and Paul** Brian Schmisek, 2017-10-12 This handbook is a short guide for those who are interested in Roman sites that have something to do with the New Testament and in particular with Peter and Paul For more than ten years Dr Schmisek has led graduate ministry programs in the Eternal City This book is informed by the questions insights and comments from students over those years While not addressing each and every claimed New Testament artifact in the city of Rome the handbook focuses on the more significant churches and locales that have a connection to Petrine and Pauline legends places such as St Peter's at the Vatican and St Paul's outside the Walls are included but also St Peter's at Montorio and Tre Fontane There are two primary parts to this book the first is a brief survey of what is known and not known regarding Peter and Paul's time in Rome The various sources of Pauline and Petrine legends are included in this survey as those legends are key to interpreting many sites and their significance The second part of the book is more akin to a tour book laid out in four subsections generally corresponding to geographical areas of the city This brief handbook will be a valuable guide to those who seek a greater understanding of the historical and legendary background to Petrine and Pauline sites in Rome

[The Arch of Constantine](#) Iain Ferris, 2013-12-15 The history of one of the most impressive surviving monument in Rome

*Constantine, Divine Emperor of the Christian Golden Age* Jonathan Bardill, 2012 Constantine was the first Roman emperor to convert to Christianity The book explores the emperor's image as conveyed through literature art and architecture and shows how Constantine reconciled the tradition of imperial divinity with his monotheistic faith It demonstrates how the traditional themes and imagery of kingship were exploited to portray the emperor as the saviour of his people and to assimilate him to Christ This is the first book to study simultaneously both archaeological and historical information to build a picture of the emperor's image and propaganda It is extensively illustrated Provided by publisher

**Constantine and the Conversion of Europe** Arnold Hugh Martin Jones, 1948 From his influence on economics and governance to his pivotal role in popularising Christianity this is a compelling exploration of the transformative reign of Constantine the Great Roman Emperor from 306 to 337 AD Constantine the Great c 272-337 was a pivotal figure in the history of both the Roman Empire and Christianity The first Roman emperor to convert to Christianity he eradicated Christian persecution and was influential in the religion's spread throughout Ancient Rome His rule was marked by sweeping administrative financial social and military reforms designed to strengthen and stabilise the sprawling empire His introduction of the solidus a new gold coin effectively combated inflation and set the

standard for Byzantine and European currencies for over a millennium Constantine and the Conversion of Europe explores the complexities of his religious policies his support for the Christian Church and the profound effects of his conversion on European history A thoughtful and engaging account of one of history s most influential emperors this book is perfect for those interested in Roman history and early Christianity

## Decoding **Constantine Rome**: Revealing the Captivating Potential of Verbal Expression

web from valve the creators of counter strike half life and more comes left 4 dead a co op action horror game for the pc and xbox 360 that casts up to four players in an epic struggle for survival against swarming zombie hordes and

**backward forward sweep github topics github** - May 05 2022

web sep 19 2021 base algorithm for load flow calculation using forward backward sweep in distributed generation integrated radial distribution system electrical engineering loadflowanalysis power flow calculation backward forward sweep

**backward forward sweep load flow algorithm for radial** - Jul 07 2022

web backward forward sweep methods are commonly used due to their computational efficiencies and solution accuracies in this paper standard backward forward sweep method is used for radial distribution system load flow analysis ii backward forward sweep algorithm this method includes two steps the

*backward forward method for three phase power flow* - Jan 13 2023

web the paper presents comprehensive review on power flow methods and proposed a robust and fast power flow calculation approach for low voltage three phase balanced unbalanced distribution networks considering the electric vehicles evs charging points the proposed approach adopts the kirchhoff s current law kcl and kirchhoff s voltage law kvl to

**distribution systems forward backward sweep based power flow** - Oct 10 2022

web in this article various distribution system load flow algorithms based on the forward backward sweeps are reviewed and their convergence ability is quantitatively evaluated for different loading conditions r x ratios and sub station voltage levels

**load flow analysis using backward forward sweep method** - Apr 04 2022

web load flow analysis the load flow analysis is very important to determine the performance of power system operating under steady state to determine the losses the net power exchange to improve voltage stability and for other evaluations load flow is required

backward forward power flow for balanced unbalanced networks - Sep 09 2022

web apr 13 2020 a robust and fast power flow calculation approach for three phase balanced unbalanced distribution networks adopts the kirchhoff s current law kcl and kirchhoff s voltage law kvl to determine the branch currents and node voltages

*a simplified forward and backward sweep approach for* - Jun 18 2023

web feb 26 2007 this paper presents a simplified forward and backward approach for load flow analysis in radial distribution system the proposed method includes two phases at phase i forward sweep the kcl and kvl are used to find the calculated voltage for each bus located at upstream of each line segment or transformer

*power flow calculation using forward backward sweep in* - Jun 06 2022

web this study proposes an algorithm based on the forward backward sweep method which can solve load flow problems in distributed generation integrated radial distribution systems while attempting to model each distribution system component reflecting the system parameters reasonably

convergence of the backward forward sweep method for the load flow - Mar 15 2023

web oct 1 2000 this paper presents a study on the convergence characteristics of the backward forward sweep method which is one of the most effective methods for the load flow analysis of the radial distribution systems

**a modified backward forward sweep load flow method for** - Dec 12 2022

web a modified backward forward sweep load flow method for islanded radial microgrids abstract in this paper a modified backward forward sweep bfs load flow algorithm is proposed to solve power flow for islanded droop controlled ac microgrids

an improved backward forward sweep power flow method based on hindawi - Aug 20 2023

web sep 17 2019 this paper presents a load flow algorithm based on the backward forward sweep principle flexible with network topology changes with an improvement in ensuring a minimum number of searching for connections between nodes in the calculation sequence in the forward and the backward sweep by organizing the radial distribution system

**backward forward sweep method for radial distribution system** - Feb 02 2022

web aug 26 2016 discussions 39 this is matlab code that is designed for distribution load flow using backward forward sweep

method using bibc matrix method it also include code that adjust your line data in to standard form if you accidentally interchange the sending and receiving end node

**a backward forward method for solving load flows in droop** - Feb 14 2023

web nov 27 2020 in the paper an algorithm of backward forward is suggested to solve the load flow of the radial ac microgrids which are controlled by their droops operating in islanded mode these systems lack a slack bus the unknown variable is the frequency of the system the

*forward backward sweep load flow method for radial distribution* - Aug 08 2022

web feb 23 2015 distribution load flow script using backward forward sweep method it uses convergence criteria and or number of iterations also the forming of input data is not needed it can find end nodes and intermediate nodes

**evaluation of the forward backward sweep load flow method** - May 17 2023

web this paper presents an assessment of the forward backward sweep load flow method to distribution system analysis the method is formally assessed using fixed point concepts and the contraction mapping theorem

**can anybody help me in backward forward sweep load flow** - Mar 03 2022

web then you can try this matlab code for backward forward sweep method for radial distribution system dear sepehr didevar find the attached file you will have load flow using backward forward

*a simplified formulation for the backward forward sweep power flow* - Jul 19 2023

web this paper describes a simplified formulation of the backward forward bw fw sweep power flow applied to radial distribution systems with distributed generation under positive sequence modelling proposed formulation was applied in an illustrative test system keywords backward forward sweep load flow power flow distribution system analysis

backward forward sweep based power flow algorithm in distribution - Nov 11 2022

web jan 7 2020 load flow analysis feeder current capacity bus voltage limit active power losses download chapter pdf 1 introduction as known load flow analysis of distributed power systems is used for finding feeder current value bus voltage magnitude and angle active and reactive power losses steady state voltage stability assessment etc 1 2

**convergence of the backward forward sweep method for the load flow** - Apr 16 2023

web oct 1 2000 this paper presents a study on the convergence characteristics of the backward forward sweep method which is one of the most effective methods for the load flow analysis of the radial distribution systems

**an improved backward forward sweep power flow method** - Sep 21 2023

web mar 25 2021 in this paper a new load flow method based on the backward forward sweep concept has been used to solve load flow problems in both medium and low voltage distribution systems
