Reading for Redemption Christian R. Davis, 2011-02-07 The goal of this book is to define and explain the archetypal pattern of redemption that underlies our whole notion of resolution in literature and to demonstrate through multiple examples that successful literature poems and stories that have shown endurance or popularity uses this pattern in specific ways This theory should help readers to interpret both particular works of literature and the general notion of literature The pattern of redemption employed here in its ideal form involves the sacrifice of an innocent redeemer to save something that has been lost Because this pattern of redemption is typically associated with Christianity this book can be taken as proposing a Christian theory of criticism Current textbooks on literary criticism and theory cover a range of perspectives such as Marxism feminism multiculturalism reader response and queer theory but they invariably ignore the field of Christian criticism Therefore this book may be most useful as a supplementary text for courses in literary criticism that might include a Christian perspective At the same time however the terms and methodology proposed here are not exclusive to or dependant on Christian beliefs so readers of all types may find this approach useful The greatest strength of this book is its application of the theory to numerous examples from a wide range of genres and periods of literature testing the theory on classical and Shakespearean works such as the Iliad and Odyssey Hamlet and Coriolanus best sellers such as The Lord of the Rings Le Petit Prince Valley of the Dolls and Harry Potter and the Deathly Hallows horror stories such as Frankenstein postcolonial novels such as Things Fall Apart and The Kite Runner and lyric poems Consequently even readers who are skeptical of the assumptions used here should find the many concrete examples thought provoking **A Garden to Keep** Jamie Langston

Turner, 2008-02-01 Elizabeth s story is like that of a garden left untended for too long with weeds as bounteous as blossoms and stone walkways buried beneath tangled vines and daffodils Beauty to be found though amidst much neglect When betrayal strikes at the heart of her very existence Elizabeth Landis retraces the path of her life and her marriage discovering along the way memories both painful to the touch and a joy to embrace Pruning the garden of her life requires an honesty new to Elizabeth but offers the promise of mercy and perhaps even a grace to bestow *Gary Soto* Ron

McFarland, 2022-08-05 In a 1995 interview prolific Chicano writer Gary Soto noted Wonderment has always been a part of my life This book surveys Soto s immense range of poems stories novels essays and plays for audiences of prereaders to adults Soto s world moves from the cotton and beet fields of the San Joaquin Valley to the blue collar barrios of Fresno and to urban and suburban settings in Oakland and Berkeley Chapters analyze a wide variety of Soto titles from his breakout works

like 1977's *The Elements of San Joaquin* to the Chato the Cat illustrated books for children With self deprecating humor particularly in his poems Soto combines his wonderment with the trials and conflicts that beset him throughout life In such novels as *Jesse Buried Onions* and *The Afterlife* and in his stories for YA readers including *Baseball in April* and *Petty Crimes* his broad array of characters confront the anxieties and annoyances of adolescence Although he continues to motivate young Chicanos to read and write Soto stakes his greatest claims to literary prominence through his poems which are accessible to readers of all ages

The Integrated Practitioner Justin Amery, 2024-09-06 This extraordinary new series fills a void in practitioner development and well being The books take a reflective step back from the tick box target driven and increasingly regulated world of 21st century health practice and invite us to revisit what health and health practice actually are Building carefully on the science and philosophy of health each book addresses the messy complex and often chaotic world of real life health practice and offers an ancient but now almost revolutionary understanding for students and experienced practitioners alike that health practice is a fundamentally creative and compassionate activity Integrating Everything Turning Tyrants into Tools in Health Practice Co creating in Health Practice Surviving and Thriving in Health Practice Food for Thought

Literature Robert DiYanni, 2001-07 This anthology offers a lively introduction to the study of fiction poetry and drama and is appropriate for introduction to literature courses as well as literature based composition courses Known for its clear presentation of the formal elements of literary analysis DiYanni's Literature effectively balances classical modern and contemporary works across the three major genres blending well known writers with a diverse gathering of newer international figures This literary breadth is supplemented by extensive coverage of writing about literature making DiYanni an excellent resource for literature instructors who want a full featured anthology

The Roar on the Other Side Suzanne U. Rhodes, 2000 For all its storied past and lofty reputation poetry is really just the art of noticing naming and comparing the stuff of this world Unlike the eye of modern science which sees the world as a giant specimen for us to dissect poetry fosters and nurtures life by finding wonder in the nooks and crannies of ordinary life Suzanne Rhodes a longtime poet and teacher offers The Roar on the Other Side as an introductory guide for students junior high and up Clear and imaginative this book makes poetry approachable Focusing on the importance of sight and the necessity of practice Rhodes easily communicates the joy of words to her readers and helps them see how good poetry binds all seemingly contradictory things together Students will emerge from this book with a good handle on the basics of writing poetry and a new appreciation for the awesome world in which we live
