Introduction to Russian Federation Gilad James, PhD, 2015 The Russian Federation commonly known as Russia is the largest country in the world in terms of land area It is located in northern Eurasia spanning across two continents Asia and Europe The country is bordered by Azerbaijan Belarus China Estonia Finland Georgia Kazakhstan Latvia Lithuania Mongolia North Korea Norway Poland and Ukraine The capital of Russia is Moscow and the official language is Russian The country has a population of over 145 million people and its economy is the 11th largest in the world Russia is a federal semi presidential republic with a constitution that was adopted in 1993 after the collapse of the Soviet Union Since then Russia has undergone significant political social and economic changes In 2000 Vladimir Putin became the president of Russia and has remained in power for over two decades The current president as of 2021 is Dmitry Medvedev Russia is known for its rich history unique culture and natural resources including oil gas and minerals However the country has also

faced international criticism for issues related to human rights corruption and political repression *World Constitutions* Bhagwan Vishnool, Rajani R Shirur, Bhushan Vidya, 1997 **Constitutions of Europe (2 vols.)** Council of Europe/Conseil de l'Europe, 2004-02-01 Over the last two decades the political landscape of Europe has evolved significantly with many central and east European countries taking major steps towards establishing more liberal and democratic societies largely through constitutional change This unique collection groups together the constitutions of 46 European countries including all the Council of Europe member states as well as Belarus and Serbia and Montenegro and traces the historical background of each Presented on a country by country basis and highly accessible each section provides maps and key factual data on the country concerned This unique reference work will be of particular interest to constitutional law specialists policy makers researchers libraries and all those interested in comparative law and in learning more about the process of constitutional drafting *The Constitutional Status of the Regions in the Russian Federation and in Other European Countries* Congress of Local and Regional Authorities of Europe, Council of Europe, 2003-01-01 The Russian model of separation of powers. Constitutional grounds and practical realization Florian Hertle, 2020-05-25 Essay from the year 2020 in the subject Law Public Law Constitutional Law Basic Rights grade 2 0 language English abstract The constitution of the Russian Federation CoRF from 1993 states in Article 1 1 that the Russian Federation is a democratic state Therefore it is interesting to analyze the realization of the separation of powers in Russia in two perspectives in terms of the legal grounds and also concerning its practical realization As the predecessor states of the Russian Federation weren't democracies in the western sense of the term this research can provide insights how the separation of powers principle is managed in a newly democratized state Thus the role of separation of powers in the Russian Federation's predecessor states will be analyzed before the constitutional norms concerning the separation of powers will be investigated In addition the practical handling of separation of powers in the Russian Federation will be discussed and it will be given a short conclusion *Constitution of the Russian Federation as Approved by the President of the Russian Federation Boris Yeltsin*, 1993 *Constitution of the Russian Federation* S. M. Shakhrai, 1992 **Politics, Judicial Review, and the Russian Constitutional Court** C. Thorson, 2012-02-07 Analysis of why politicians are driven to create an independent judicial institution with the authority to overrule their decisions It focuses on a country with no tradition of independent judicial review Russia History does not support an independent judiciary here yet a potentially powerful constitutional court has existed for 20 years
