Constitutional Law for Park Law Enforcement Officers Dan S. Murrell, William O. Dwyer, 1986 **Constitutional Law and Liability for Agents, Deputies, and Police Officers** Dan S. Murrell, William O. Dwyer, 1992 This guide is a quick and handy reference for law enforcement officers on how the Constitution as interpreted through various court decisions influences their contact with the public Murrell and Dwyer present a sound framework against which the practice of law enforcement may be measured The book is not meant to be a complete list of Do's and Don'ts because various state laws and local regulations as well as agency guidelines and procedures may also have a bearing on the breadth of enforcement authority given to police officers Therefore where more restrictive guidelines are in place the reader is cautioned to make a note of them **Legal Division Handbook** Federal Law Enforcement Training Center. Legal Division, 2010 The mission of the Federal Law Enforcement Training Center FLETC is to serve as the federal government's leader for and provider of world class law enforcement training **CONSTITUTIONAL LAW FOR CRIMINAL JUSTICE PROFESSIONALS AND STUDENTS** Kenneth Bresler, 2015-11-01 This textbook discusses in plain English the constitutional provisions that criminal justice professionals and students need to know It uses the conversational approach to exploring the intersection of the U S Constitution and the criminal justice system In this textbook constitutional principles and requirements matter more than names of cases Cases are used as examples and stories but this is not a casebook Chapter 1 is an overview of the U S Constitution It also examines the Habeas Corpus Suspension Clause the Ex Post Facto Clause the Second Amendment and other provisions Chapters 2 and 3 examine the Fifth Amendment including the Self Incrimination Clause Chapters 4 and 5 examine the Due Process Clauses that appear in both the Fifth and Fourteenth Amendments The next three chapters examine the Sixth Amendment which generally protects defendants trial rights The four chapters after that examine the Fourth Amendment which governs searches and seizures and related issues Chapter 13 examines the exclusionary rule which applies primarily to searches and seizures Chapter 14 examines the Eighth Amendment which bans cruel and unusual punishment The last two chapters examine the First Amendment which protects people's religious rights and free expression The textbook is readable gets to the point and therefore covers more material than similar textbooks The author a former trial and appellate prosecutor at the local federal and international levels has a passion for constitutional law and for sharing what he has learned about it It comes through on every page *Federal Law Enforcement Training Center, Glynnco, Georgia Legal Division Handbook 2010.
