Constitutional Reform And The Future Of The Republic Of China:

Constitutional Reform and the Future of the Republic of China Harvey Feldman, Columbia University. Taiwan Area Studies Program, 1991 The conference that forms the basis for this book was held in Taipei in 1989 With contributions by political figures from both the Kuomintang and the opposition Democratic Progressive Party as well as leading scholars from Taiwan and the US this book discusses the critical issues affecting the future of Taiwan The book discusses Taiwan s economic achievements its pathbreaking experiments with political reform its unique patterns of political participation its example as a fully modernized Chinese cultural community its importance in the world trading system and its key role in Pacific Basin international relations It also discusses how these factors have made Taiwan a focus of interest for students of economic development comparative politics and international relations **Taiwan's Presidents** John F. Copper, 2024-08-05 This book profiles Taiwan s six key presidents Chiang Kai shek Chiang Ching kuo Lee Teng hui Chen Shui bian Ma Ying jeou and Tsai Ing wen focusing on politics economics elections successes and failures in office popularity and democratization By analyzing criteria of the six presidents leadership such as management of crises advancing democracy stewardship of the economy charisma corruption and handling of foreign relations especially with China and the U S John F Copper goes on to rank the presidents and predicts trends and difficulties that future presidents will face Special attention is paid to relations with the U S acknowledging the U S as Taiwan s political and economic model as well as its being Taiwan s protector in the context of China s claim to Taiwan As an assessment of these six political leaders as well as a study of Taiwan s political system this book will appeal to students and scholars of Taiwan political science and international relations

Contemporary China and the Changing International Community Bih-jaw Lin, James T. Myers, 1994 **Law, Capitalism and Power in Asia** Kanishka Jayasuriya, 2006-06-19 A challenging and provocative book that contests the liberal assumption that the rule of law will go hand in hand with a transition to market based economies and even democracy in East Asia Using case studies from Hong Kong China Indonesia Malaysia Taiwan Japan and Vietnam the authors argue that the rule of law is in fact more likely to provide political elites with the means closely to control civil society It is essential therefore to locate conceptions of judicial independence and the rule of law more generally within the ideological vocabulary of the state

Memories of the Future Stephane Corcuff, 2016-09-16 The product of five years of North American Taiwan Studies Conferences this book carefully analyzes the emergence of national feelings in Taiwan its historical roots and its contemporary manifestations It addresses questions central to the looming international issue of Taiwan China Part one considers the historical events that help to explain the emergence and development of a separatist dissident discourse The second part deals with the current issue of national identity transition in Taiwan The final part places the national identity debate in a broader perspective by focusing on the larger issues of the maturation of the national identity question

Taiwan's Democracy Robert Ash, John W. Garver, Penelope Prime, 2013-07-03 Taiwan's rapid industrialization during the 1960s and 1970s combined with the democratic revolution that began with the lifting of martial law in 1987 were of deep historic importance Over the next decade Taiwan's political miracle matched its earlier economic miracle creating a vibrant liberal democracy complete with freedom of speech association and assembly rule of law and competitive and fair multi party elections The continuation of these achievements and the new challenges that have surfaced are addressed in rich detail in the chapters of this volume by an international team of experts One of the biggest such challenges is Mainland China's economic success which has added to the complexity of Taiwan's economic and political policy options A number of the contributors to this volume consider Taiwan's response to China's economic rise and show how Taiwanese companies have strategically taken advantage of the changing economic environment by moving up the value chain of production within Taiwan while also taking the opportunity to invest overseas With chapters covering a wealth of topics including Constitutional reform National identity Party politics Taiwan's development model Industrial policy Trade and investment Globalization Sustainable development Taiwan's Democracy will be of huge interest to students and scholars of Taiwan studies Chinese politics and economics international politics and economics and development studies

As Taiwan Approaches the New Millennium John Franklin Copper, 1999-08-25 This timely volume provides an in depth analysis of recent events surrounding the conflict between Taiwan and China over Taiwan's sovereignty After a thoughtful discussion of the origins of the dispute Copper examines the hallmark 1996 election in Taiwan that brought to power the first direct elected Chinese chief executive in over 5 000 years He then discusses the ruling Nationalist Party's congress and explores how the party is changing in light of democratization and increasing public concerns about political corruption and crime Finally Copper addresses the U S role in the conflict and examines why Washington has changed its policy concerning Taiwan in recent years

Constitutional Law and Human Rights in Hong Kong—A Sourcebook Guobin Zhu, Mark Klagsgard, Surya Deva, 2021-07-01 The context in which constitutional laws and human rights instruments are read is ever changing and this is particularly true for the Hong Kong Special Administrative Region To understand the application of both national and local legislation and internationally recognized covenants it is essential to be well acquainted with the documents themselves Constitutional Law and Human Rights in Hong Kong A Sourcebook is a one stop resource for teaching learning and researching constitutional law and human rights in Hong Kong As a handbook of teaching materials suitable for undergraduate and postgraduate studies it is an indispensable tool for courses such as Hong Kong Constitutional Law Basic

Law Public Law of Hong Kong The Law of Human Rights of Hong Kong International Human Rights Law International Criminal Law International Labour Law Law and Gender International Environmental Law Business and Human Rights and Discrimination Law Moreover it is equally useful for teaching and research in the fields of political science business and other social sciences Up to date legislation Condensed into a single volume An essential teaching and reference guide Applicable across multiple legal fields The Far East and Australasia 2003 Europa Publications,2002 A unique survey of each country in the region It includes an extensive collection of facts statistics analysis and directory information in one accessible volume *The KMT Returns to Power* John Franklin Copper,2013 In this book the author examines how the Nationalist Party Kuomintang or KMT returned to govern Taiwan after ruling for more than half a century but losing power in 2000 when the opposition Democratic Progressive Party's DPP Chen Shui bian won the presidency and was reelected in 2004 Out of power and playing the role of opposition party the KMT won legislative and executive elections in 2008 It subsequently won mayoral elections in 2010 and elections again to the legislative and executive branches of government in 2012 The KMT returned to power by resolving internal differences between older and younger factions in the party maintaining an alliance with friendly parties and preventing philosophical differences from mattering It was helped by the debilitating corruption of the DPP's President Chen and good campaigning In assessing these KMT election victories the author concludes that the KMT will probably remain the ruling party for some time Its reputation for good economic management democratization honesty and good leaders seen against the DPP's still damaged reputation due to Chen's corruption internal disagreements its perorocial base its inability to deal with China and the United States inhibit it from being able to return to power The Lost Book of Sun Yatsen and Edwin Collins Patrick Anderson,2016-11-25 Sun Yatsen 1866 1925 occupies a unique position in modern Chinese history he is equally venerated as the founding father of the nation by both the mainland Communist government and its Nationalist rival in Taiwan The first president of the Republic of China in 1911 12 the peasant born yet Western trained Dr Sun was also a dedicated political theorist constantly in search of the ideal political and constitutional blueprint to underpin his incomplete revolution A decade before the public emergence in Japan of his Three Principles of the People and weeks before even his first slim publication in 1897 Kidnapped in London Sun was already hard at work in the Reading Room of the British Museum planning his most ambitious book yet a comprehensive political treatise in English on the tyrannical misgovernment of the Chinese nation by the Manchus of the Qing Dynasty Started then abandoned twice over destined never to be completed let alone published we can only conjecture what title this revolutionary book might have had The Lost Book of Sun Yatsen and Edwin Collins is the first study of this lost work in all scholarship Western or Chinese It draws its originality and its themes from three primary sources all presented here for the first time The first is a series of interconnected lost writings co authored by Sun Yatsen between 1896 and 1898 The second is the mass of lost political interviews with and articles dedicated to Sun Yatsen and his politics first published in the British press in the aftermath the

dramatic world famous rescue of Sun from inside the Chinese Legation in London in 1896 The third source is the Apostle of the Simple Life for Children the Anglo Jewish Rabbi Edwin Collins 1858 1936 a devotee and practitioner of Jean Jacques Rousseau's mile and the New Education movement it inspired who became Sun's writing collaborator of choice during his years of political exile from China Drawing on this wealth of neglected material Patrick Anderson's book offers a genuinely fresh perspective on Sun Yatsen and his political motivations and beliefs **Fragments of an Unfinished War** Françoise Mengin,2015 This remarkable book reveals how little we know about what lies behind the superficial antagonism between the PRC and Taiwan especially where business is concerned **The Chinese and Their Future** Zhiling Lin,1994 Policy analysts and scholars in China Taiwan Hong Kong and the United States discuss the major issues arising in the aftermath of the explosive events in China in 1989 Contributors include Arthur Hummel the former U S ambassador to the People's Republic of China and Ding Mou Shih the representative of the Coordination Council for North American Affairs to the United States The Political Future of Hong Kong Kit Poon,2007-12-11 Focusing on the period since the handover of power to China this book examines the origins and evolution of Hong Kong's political system Considering the prospects and problems of achieving liberal democracy within the communist Chinese state system it provides useful insights into the meaning of central concepts in democratic political theory **The History of Government and Public Law in China** Xin Nie,2025-05-05 This book traces the evolution of Chinese public institutions from the Shang and Zhou dynasties to modern China including a diverse range of topics such as the bureaucratic system the fiscal and economic system talent selection appointment and assessment imperial examination governance and censorship and justice in ancient China It further covers the new policies constitution welfare state national assembly and other important issues in modern Chinese history In terms of methodology this work aims to integrate research approaches from law history and politics It combines insights from constitutional and administrative law legal history comparative jurisprudence and the study of government organizations to provide a comprehensive analysis of Chinese public institutions over time **Global Capitalism and the Future of Agrarian Society** Arif Dirlik,Alexander Woodside,Roxann Prazniak,2015-11-17 This book offers historical and comparative analyses of changes in agrarian society forced by the globalization of capitalism and the implications of these changes for human welfare globally The book gives special attention to recent economic development and urbanization in the People's Republic of China which have had a major impact on contemporary transformations globally Case studies from South and Southeast Asia Africa and Latin America in turn place these transformations in a comparative global perspective The contributors include distinguished scholars from the UN PRC India Zimbabwe and Latin America who are also active in policy issues Government and Politics in Taiwan Dafydd Fell,2018-01-22 Written by an experienced teacher and scholar this new and revised second edition of Government and Politics in Taiwan introduces students to the big questions concerning change and continuity in Taiwanese politics and governance Taking a critical approach Dafydd Fell provides students with

the essential background to the history and development of the political system as well as an explanation of the key structures processes and institutions that have shaped Taiwan over the last few decades Using key features such as suggestions for further reading and end of chapter study questions this textbook covers the transition to democracy and party politics cross Strait relations and foreign policy electoral politics and voting social movements national identity gender politics Having been fully updated to take to take stock of the 2012 and 2016 General Elections the Sunflower Movement and new developments in cross Strait relations this is an essential text for any course on Taiwanese politics Chinese politics and East Asian politics

China: A Guide to Economic and Political Developments Ian Jeffries, 2007-01-24 There is currently widespread interest in the Chinese economy due to its huge and rapid growth and the consequent impact on world business and the world economy At the same time there are concerns about China's political system China's human rights record and the degree to which reform the development of socialism with Chinese characteristics represent real liberalization Providing an overview of earlier events in order to set the context in which economic and political development have taken place the book traces economic and political growth in China from the early 1990s to the present Covering Hong Kong Macao Tibet and Taiwan the book discusses China's relations including international trade with its neighbours and with the international community more widely Other key topics covered include the growth of the market the reform of state owned enterprises human rights and SARS

Hong Kong History Man-Kong Wong, Chi-Man Kwong, 2021-11-10 This book aims at providing an accessible introduction to and summary of the major themes of Hong Kong history that has been studied in the past decades Each chapter also suggests a number of key historical figures and works that are essential for the understanding of a particular theme However the book is by no means merely a general survey of the recent studies of Hong Kong history it tries to suggest that the best way to approach Hong Kong history is to put it firmly in its international context
