Constitutional History Of Eire Ireland:

The Constitutional History of Eire/Ireland Angela Clifford,1987 **A New History of Ireland Volume VII** J. R. Hill,2010-08-26 A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to the present day Volume VII covers a period of major significance in Ireland s history It outlines the division of Ireland and the eventual establishment of the Irish Republic It provides comprehensive coverage of political developments north and south as well as offering chapters on the economy literature in English and Irish the Irish language the visual arts emigration and immigration and the history of women The contributors to this volume all specialists in their field provide the most comprehensive treatment of these developments of any single volume survey of twentieth century Ireland *Transactions of the Royal Historical Society: Volume 8* Royal Historical Society,1999-02-04 Volume 8 of The Royal Historical Society Transactions contains essays based around the theme identities and empires *A Dictionary of British and Irish History* Robert Peberdy,Philip Waller,2020-11-23 An authoritative and extensive resource for British and Irish history Quickly access basic information on the history of the British Isles from this reliable resource A Dictionary of British and Irish History provides concise information covering all periods of prehistory and history for every part of the British Isles Within this one book you ll find summary accounts of events biographies definitions of terms and far more Using alphabetically organized headwords readers will easily locate the content and details they seek A Dictionary of British and Irish History not only serves as a reference tool but also stimulates broader learning Entries are interrelated and cross referenced to help you expand your knowledge of different areas of history Discover comparable entries on England Ireland Scotland and Wales See overviews of major topics and historical events Get facts instantly or browse entries Use the Dictionary as an information source or a launch point for expanding knowledge This reference book will become an essential resource for students of British and Irish history as well as for professionals journalists teachers and those who use historical information in their work Further anyone wanting to establish the basics of the history of the British Isles will find this a valuable addition to their library **The Making of the Irish Constitution 1937** Dermot Keogh,2007 Few things have shaped and controlled Irish political and legal culture as decisively as the constitution of Ireland but the circumstances in which it was created have until now remained obscure The Making of the Irish Constitution is an authoritative account of the drafting of this document in which Ireland s fundamental laws are enshrined It puts the Irish constitution in a clear historical perspective and examines the political context of the beginnings of the constitution in 1930s Ireland Set against the background of constitutional developments following the foundation of the state the authors chart the passage of the constitution through the drafting process They identify the roles of particular legal administrative and religious personnel who contributed to the making of this extremely important document a

document which defined the nature of the modern Irish state

BOOK JACKET **Drafting the Irish Free State Constitution** Laura Cahillane, 2016-07-01 This book provides an account of the drafting of the Irish Free Constitution of 1922 analysing the document in its historical context and exploring the reasons for its lack of success

A New History of Ireland: Ireland under the Union, II, 1870-1921 Daibhi O. Croinin, William Edward Vaughan, 2005 *Constitutional Development in the Commonwealth* British Information Services. Reference Division, 1951 *Political and Historical Writings on Irish and British Affairs* Thomas Moore, 1993 Thomas Moore who is now remembered only as the author of Moore's Melodies was the most influential Irish political writer of the first third of the 19th century

The Politics of Sexual Morality in Ireland C. Hug, 2016-01-18 The research for this book was prompted by a combination of events in particular the election of Mary Robinson to the Presidency and the X Case which rocked Irish society The book is an exploration of the dynamics between the courts the legislators and the Irish citizens in relation to certain socio sexual questions divorce contraception abortion and homosexuality Spanning 73 years since the creation of the Irish State The Politics of Sexual Morality in Ireland questions the nature of the moral order regulating Irish society and the concept of democracy underlying it It examines the fragile balance struck between tradition and modernity

A Bibliography of British History, 1914-1989 Keith Robbins, American Historical Association, Royal Historical Society (Great Britain), 1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive index

The Constitution and Constitutional Change in Ireland Basil Chubb, 1978 **Britain, Ireland and the Second World War** Ian S. Wood, 2010-02-28 For Britain the Second World War exists in popular memory as a time of heroic sacrifice survival and ultimate victory over Fascism In the Irish state the years 1939 1945 are still remembered simply as the Emergency Eire was one of many small states which in 1939 chose not to stay out of the war but one of the few able to maintain its non belligerency as a policy How much this owed to Britain's military resolve or to the political skills of a man de Valera is a key question which this new book will explore It will also examine the tensions Eire's policy created in its relations with Winston Churchill and with the United States The author also explores propaganda censorship and Irish state security and the degree to which it involves secret co operation with Britain Disturbing issues are also raised like the IRA's relationship to Nazi Germany and ambivalent Irish attitudes to the Holocaust Drawing upon both published and unpublished sources this book illustrates the war's impact on people on both sides of the border and shows how it failed to resolve sectarian problems on Northern Ireland while raising higher the barriers of misunderstanding between it and the Irish state across its border

Irish Social Policy Fiona Dukelow, Mairéad Considine, 2017-05-31 This second edition of a highly successful textbook offers a comprehensive introduction to social policy in Ireland addressing a range of social policy topics of growing importance in contemporary Irish society including issues related to children service users and

groups migration ethnicity sexuality and climate change

Religious Freedom, Multiculturalism, Islam Tuula

Sakaranaho,2006-11-01 This is a comparative study of Muslims in Finland and the Republic of Ireland from the perspective of religious freedom and multiculturalism The book consists of three parts the first part discusses religious freedom and multiculturalism from a conceptual point of view and mainly within the context of Western Europe culminating in the cases of Finland and Ireland the second part deals with the establishment of Muslim communities in Europe in general and in Finland and Ireland in particular and the third part concerns Islam and education in these respective countries

The Sexual Constitution of Political Authority Aleardo Zanghellini,2015-04-24 While there is no shortage of studies addressing the state s regulation of the sexual research into the ways in which the sexual governs the state and its attributes is still in its infancy The Sexual Constitution of Political Authority argues that there are good reasons to suppose that our understandings of state power quiver with erotic undercurrents The book maintains more specifically that the relationship between ideas of political authority and male same sex desire is especially fraught Through a series of case studies where a statesman s same sex desire was put on trial either literally or metaphorically as a problem for the good exercise of public powers the book shows the resilience and adaptability of cultural beliefs in the incompatibility between public office and male same sex desire Some of the case studies analysed are familiar ground for both political constitutional history and the history of sexuality The Sexual Constitution of Political Authority argues however that only by systematically reading questions of institutional politics and questions of sexuality through each other will we have access to the most interesting insights that a study of these trials can generate Whether they involve obscure public officials or iconic rulers such as Hadrian and James I these compelling fragments of queer history reveal that the disavowal of male same sex desire has been and partly remains central to mainstream understandings of political authority

The British Constitution Arthur Lehman Goodhart,1946 A series of

articles which appeared in The Outpost **Irish Historical Studies** ,2004 Vols 1 include the sections Writings on Irish history 1936 1979 Research on Irish history in Irish British and American universities 1937 8

The CIA World Factbook 2023-2024 Central Intelligence Agency,2023-06-20 The ultimate comprehensive guide to official country data and statistics from the world s most sophisticated intelligence gathering organization From Afghanistan to Zimbabwe The CIA World

Factbook 2023 2024 offers complete and up to date information on the world s nations This comprehensive guide is packed with data on countries politics populations economics and environment for 2023 and looks ahead to 2024 The CIA World Factbook 2023 2024 includes the following for each country Brand new geopolitical maps Population statistics with details on languages religions literacy rates age structure HIV prevalence and much more Up to date data on military expenditures and capabilities Geography information including climate and natural hazards Details on prominent political figures and parties Contact information for diplomatic missions Facts on transportation trade and communication infrastructure Also included are appendices with useful abbreviations international environmental agreements international organizations and groups
