Engendering Mayan History David Carey Jr., 2013-01-11 Presenting Mayan history from the perspective of Mayan women whose voices until now have not been documented David Carey allows these women to present their worldviews in their native language adding a rich layer to recent Latin American historiography and increasing our comprehension of indigenous perspectives of the past Drawing on years of research among the Maya that specifically documents women's oral histories Carey gives Mayan women a platform to discuss their views on education migrant labor work in the home female leadership and globalization These oral histories present an ideal opportunity to understand indigenous women's approach to history the apparent contradictions in gender roles in Mayan communities and provide a distinct conceptual framework for analyzing Guatemalan Mayan and Latin American history

Liberation Theologies on Shifting Grounds Georges de Schrijver, 1998 Besides their insistence on praxis and the application of the Word of God to a given situation Liberation Theologies make ample use of tools of analysis to uncover root causes of oppression Now it is precisely with respect to these tools that Liberation Theologies today find themselves on shifting grounds In intra ecclesiastical circles cultural concerns have come to replace socio economic analysis whereas after the implosion of the East Bloc the liberationists proper also pay more attention to the issues of gender ecology and indigenous movements The contributions to this volume originating from various continents discuss to what extent this shift in emphasis is desirable and acceptable and conclude that the cultural focus cannot possibly invalidate but only enrich and complete the socio economic analysis They moreover try to assess the developments in light of globalization economics informatics on the one hand and postmodernity on the other Given the impact of western culture politics the question arises as to whether the native cultures will succeed in keeping up their religious core values and structures of solidarity two elements so indispensable for liberative commitments
