Sociolinguistics Reem Bassiouney, 2020-04-01 In this second edition of Arabic Sociolinguistics Reem Bassiouney expands the discussion of major theoretical approaches since the publication of the book's first edition to account for new sociolinguistic theories in Arabic contexts with up to date examples data and approaches The second edition features revised sections on diglossia code switching gender discourse language variation and language policy in the region while adding a chapter on

critical sociolinguistics a new framework for critiquing the scholarly practices of sociolinguistics Bassiouney also examines the impact of politics and new media on Arabic language Arabic Sociolinguistics continues to be a uniquely valuable resource for understanding the theoretical framework of the language Zambezia ,2002 **CLA Journal** College Language Association (U.S.),1988 **The Routledge Handbook of Sociolinguistics Around the World** Martin J Ball,2009-12-16 Drawing on examples from a wide range of languages and social setting The Routledge Handbook of Sociolinguistics Around the World is the first single volume collection surveying current and recent research trends in international sociolinguistics With over 30 chapters written by leading authorities in the region concerned all continents and their respective regions are covered The book will serve as an important tool to help widen the perspective on sociolinguistics to readers of English Divided into sections covering The Americas Asia Australasia Africa and the Middle East and Europe the book provides readers with a solid up to date appreciation of the interdisciplinary nature of the field of sociolinguistics in each area It clearly explains the patterns and systematicity that underlie language variation in use as well as the ways in which alternations between different language varieties mark personal style social power and national identity The Routledge Handbook of Sociolinguistics around the World is the ideal resource for all students on undergraduate sociolinguistics courses and researchers involved in the study of language society and power English Language and Linguistics Sociolinguistics The Oxford Handbook of Arabic Linguistics Jonathan Owens,2013-10-03 Until about 60 years ago linguistic research on the Arabic language in the West was restricted to inquiries on Classical Arabic and the Classical tradition and spoken Arabic dialects with historical studies embedded within the broader field of Semitic languages This situation is changing quickly not only through the continuation of older research traditions but also with the integration of new research fields and perspectives With this expansion comes the danger of specialists in Arabic losing an overview of the field and of leaving non specialists without basic resources for evaluating domains of research which they may be interested in for comparative purposes The Oxford Handbook of Arabic Linguistics will confront this problem by combining state of the art overviews with essays on issues of perspective controversy and point of view In twenty four chapters leading experts from around the world will lay out their own stances on controversial issues The book not only evaluates ways in which questions and theories established in general linguistics and its sub fields elucidate Arabic but also challenges approaches which might result in accommodating Arabic to non Arabic interpretations and brings out the Arabic specificity of individual problems The Handbook in one compact volume gives critical expression to a language which covers large populations and geographical areas has a long written tradition and has been the locus of major intellectual fervor and debate *The Prophet's Pulpit* Patrick D. Gaffney,2023-07-28 Muslim preaching has been central in forming public opinion building grassroots organizations and developing leadership cadres for the wider Islamist agenda Based on in depth field research in Egypt Patrick Gaffney focuses on the preacher and the sermon as the single most important medium for propounding the message

of Islam He draws on social history political commentary and theological sources to reveal the subtle connections between religious rhetoric and political dissent Many of the sermons discussed were given during the rise of Islamic fundamentalism and Gaffney attempts to describe this militant movement and to compare it with official Islam Finally Gaffney presents examples of the sermons so readers can better understand the full range of contemporary Islamic expression Muslim preaching has been central in forming public opinion building grassroots organizations and developing leadership cadres for the wider Islamist agenda Based on in depth field research in Egypt Patrick Gaffney focuses on the preacher and the sermon

Seeing the World through the Onomastic Lens Mkhacani Thomas Chauke, Munyaradzi Mawere, 2025-05-15

Originating from discussions at the 2018 Names Society of Southern Africa NSSA Conference the scholarly work *Seeing the World through the Onomastic Lens* Xitsonga Anthroponyms and Toponyms meticulously explores the onomastics of the understudied Xitsonga language The book compiles chapters that significantly advance the understanding of personal names anthroponyms place names toponyms and ethnonyms within the community It incisively examines the diverse facets of Vatsonga naming practices illuminating the cultural and social forces shaping personal naming trends Moreover the volume investigates the craft of character naming in modern literature demonstrating how authors employ Xitsonga names to enrich characterization and narrative progression This linguistically reflective and explorative book serves as a key resource for students and practitioners in linguistic studies African studies social anthropology policy studies history and onomastics

Modern Arabic Sociolinguistics Abdulkafi Albirini, 2016-02-08 *Modern Arabic Sociolinguistics* outlines and evaluates the major approaches and methods used in Arabic sociolinguistic research with respect to diglossia codeswitching language variation and attitudes and social identity This book outlines the main research findings in these core areas and relates them to a wide range of constructs including social context speech communities prestige power language planning gender and religion examines two emerging areas in Arabic sociolinguistic research internet mediated communication and heritage speakers in relation to globalization language dominance and interference and language loss and maintenance analyses the interplay between the various sociolinguistic aspects and examines the complex nature of the Arabic multidialectal multinational and multiethnic sociolinguistic situation Based on the author's recent fieldwork in several Arab countries this book is an essential resource for researchers and students of sociolinguistics Arabic linguistics and Arabic studies

Language Loyalty, Continuity and Change Rakhmiel Peltz, Harold F. Schiffman, 2006-01-01 This short volume provides a comprehensive and synoptic view of Joshua A Fishman's contributions to international sociolinguistics The two integrative essays provide readers with the essential understandings of Fishmanian sociolinguistics and his contributions to Yiddish scholarship An up to date comprehensive bibliography prepared by Gella Schweid Fishman as well as Fishman's own

concluding sentiments complement the integrative essays **The World Observed** Bruce Jackson, Edward D. Ives, 1996 The books that give us insight into human motives and experience often are based on fieldwork people spending time with others

where those others live and work In the World Observed sixteen researchers tell how their fieldwork experiences have been transmuted into understanding The settings range from a women s prison in Indiana to a village in Egypt from a streetcorner in Palermo to a gypsy funeral in New York The authors anthropologists folklorists sociologists historians relate their struggles to find meaning in the chaos of data and the ethical problems they had to confront and resolve Their fascinating stories offer fresh insight into how we know what we know
