What Christian
Intellectuals
Can Learn from
Popular Religion

RICHARD J. MOUW

Consulting The Faithful What Christian Intellectuals Can Learn From Popular Culture

Kelton Cobb

Consulting The Faithful What Christian Intellectuals Can Learn From Popular Culture:

Consulting the Faithful Richard J. Mouw, 1994-09-08 This is a print on demand book and is therefore non returnable In this careful assessment of contemporary religious trends Mouw remains committed to theological orthodoxy while also asserting that the Christian intellectual community should pay careful and sympathetic attention to popular religious culture Probing the thought of some theological giants of the past John Henry Newman Abraham Kuyper and others Mouw advocates a hermeneutic of charity toward popular religion and says that Christian scholars besides teaching the little people of the church must also learn from the practical theological wisdom of laypeople

The Blackwell Guide to Theology and Popular Culture Kelton Cobb, 2008-04-15 The Blackwell Guide to Theology of Popular Culture outlines various general theories of popular culture identifies theologians and theological concepts that are conducive to analyzing popular culture and explores religious themes that are asserting themselves through popular movies novels music television shows and advertising A timely examination and contribution to the rapidly expanding field of theology and popular culture Locates the theological analysis of culture alongside political sociological economic aesthetic and psychological analyses Surveys the work of religious and theological scholars who have turned their attention to popular culture Considers classic Christian thinkers who have wrestled with culture such as St Paul Tertullian Augustine Schleiermacher Tillich and Ricoeur Proposes a method for analysing culture to discern its religious content Identifies religious themes in popular culture Uses illustrations ranging from the fiction of Nick Hornby to *Six Feet Under* An appendix provides lists of films novels television series consumer products architectural works cultural events and corporate icons that lend themselves to theological analysis

Evangelical Versus Liturgical? Melanie Ross, 2014-07-02 In this book Melanie Ross presents a current description of evangelical worship bringing together liturgical scholarship and theological scholarship on American evangelicalism She draws on historical analysis systematic theology and the worship life of two vibrant congregations to argue that the common ground shared by evangelical and liturgical churches is much more important than the differences that divide them From publisher s description *Abraham Heschel and the Phenomenon of Piety* Joseph Harp Britton, 2013-10-24 Piety is often regarded with a pejorative bias a pious person is thought to be overly religious supercilious even Yet historically the concept of piety has played an important role in Christian theology and practice For Abraham Heschel piety describes the contours of a life compatible with God s presence While much has been made of Heschel s concept of pathos relatively little attention has been given to the pivotal role of piety in his thought with the result that the larger methodological implications of his work for both Jewish and Christian theology have been overlooked Grounding Heschel s work in Husserl Dilthey Schiller and Heidegger the book explores his phenomenological method of penetrating the consciousness of the pious person in order to perceive the divine reality behind it The book goes on to consider the significance of Heschel s methodology in view of the theocentric ethics of Gustafson and Hauerwas and the post modern context reflected in the works of Levinas Vattimo Marion

and the Radical Orthodoxy movement Christianity and the Mass Media in America Quentin J. Schultze, 2005-11-09 The mass media and religious groups in America regularly argue about news bias sex and violence on television movie censorship advertiser boycotts broadcast and film content rating systems government regulation of the media the role of mass evangelism in a democracy and many other issues In the United States the major disputes between religion and the media usually have involved Christian churches or parachurch ministries on the one hand and the so called secular media on the other Often the Christian Right locks horns with supposedly liberal Eastern media elite and Hollywood entertainment companies When a major Protestant denomination calls for an economic boycott of Disney the resulting news reports suggest business as usual in the tensions between faith groups and media empires Schultze demonstrates how religion and the media in America have borrowed each other's rhetoric In the process they have also helped to keep each other honest pointing out respective foibles and pretensions Christian media have offered the public as well as religious tribes some of the best media criticism better than most of the media criticism produced by mainstream media themselves Meanwhile mainstream media have rightly taken particular churches to task for misdeeds as well as offered some surprisingly good depictions of religious life The tension between Christian groups and the media in America ultimately is a good thing that can serve the interest of democratic life As Alexis de Tocqueville discovered in the 1830s American Christianity can foster the habits of the heart that ward off the antisocial acids of radical individualism And as John Dewey argued a century later the media offer some of our best hopes for maintaining a public life in the face of the religious tribalism that can erode democracy from within

Mainstream media and Christianity will always be at odds in a democracy That is exactly the way it should be for the good of each one **Evangelical Christians and Popular Culture** Robert H. Woods Jr., 2013-01-09 This three volume collection demonstrates the depth and breadth of evangelical Christians consumption critique and creation of popular culture and how evangelical Christians are both influenced by and influence mainstream popular culture covering comic books to movies to social media Evangelical Christians and Popular Culture Pop Goes the Gospel addresses the full spectrum of evangelical media and popular culture offerings even delving into lesser known forms of evangelical popular culture such as comic books video games and theme parks The chapters in this 3 volume work are written by over 50 authors who specialize in fields as diverse as history theology music psychology journalism film and television studies advertising and public relations Volume 1 examines film radio and television and the Internet Volume 2 covers literature music popular art and merchandise and Volume 3 discusses public figures popular press places and events The work is intended for a scholarly audience but presents material in a student friendly accessible manner Evangelical insiders will receive a fresh look at the wide variety of evangelical popular culture offerings many of which will be unknown while non evangelical readers will benefit from a comprehensive introduction to the subject matter **Understanding Evangelical Media** Quentin J. Schultze, Robert Herbert Woods Jr., 2010-05-07 As long as there has been a church there has been Christian

communication people of the book bearing the good news from one place to another persuading teaching and even delighting an ever broadening audience with the message of the gospel Amid ongoing advances in technology and an ever more multicultural context however the time *Need to Know* John Gordon Stackhouse,2014 If a serious Christian wants to think seriously about a serious subject what does he or she do Grounded in the best of the Christian theological tradition *Need to Know* sets out a comprehensive coherent and clear model of responsible Christian thinking *God's Daughters* R. Marie Griffith,2000-11-24 Vivid lucid and well written I came away with a better understanding of how the specific realities of being submissive wives are negotiated constructed challenged and transformed Lynn Davidman author of *Tradition in a Rootless World* Griffith s deft portrayal is a unique and important contribution to the study of Pentecostal spirituality and a compelling model for the retelling of women s religious experience in twentieth century American culture Margaret Bendroth author of *Fundamentalism and Gender 1875 to Present* **Scholarship and Christian Faith** Douglas Gordon Jacobsen,Rhonda Hustedt Jacobsen,2004 Argues that the idea of Christian scholarship has been under discussed This book which is organised as a conversation offers a definition and analysis of Christian scholarship that opens the way for dialogue between evangelicals and Catholics and Protestants from a variety of church traditions **Rethinking Church, State, and**

Modernity David Lyon,Marguerite Van Die,2000-01-01 The contributors consider how Canada s religious experience is distinctive in the modern world somewhere between the largely secularized Europe and the relatively religious United States

School Choice Alan Wolfe,2009-02-09 School choice has lately risen to the top of the list of potential solutions to America s educational problems particularly for the poor and the most disadvantaged members of society Indeed in the last few years several states have held referendums on the use of vouchers in private and parochial schools and more recently the Supreme Court reviewed the constitutionality of a scholarship program that uses vouchers issued to parents While there has been much debate over the empirical and methodological aspects of school choice policies discussions related to the effects such policies may have on the nation s moral economy and civil society have been few and far between *School Choice* a collection of essays by leading philosophers historians legal scholars and theologians redresses this situation by addressing the moral and normative side of school choice The twelve essays commissioned for a conference on school choice that took place at Boston College in 2001 are organized into four sections that consider the relationship of school choice to equality moral pluralism institutional ecology and constitutionality Each section consists of three essays followed by a critical response The contributors are Patrick McKinley Brennan Charles L Glenn Amy Gutmann David Hollenbach S J Meira Levinson Sanford Levinson Stephen Macedo John T McGreevy Martha Minow Richard J Mouw Joseph O Keefe S J Michael J Perry Nancy L Rosenblum Rosemary C Salomone Joseph P Viteritti Paul J Weithman and Alan Wolfe *Growing Up Protestant* Margaret Lamberts Bendroth,2002 Home and family are key yet relatively unexplored dimensions of religion in the contemporary United States American cultural lore is replete with images of saintly nineteenth century American mothers and their

children During the twentieth century however the form and function of the American family have changed radically and religious beliefs have evolved under the challenges of modernity As these transformations took place how did religion manage to fit into modern family life In this book Margaret Lamberts Bendroth examines the lives and beliefs of white middle class mainline Protestants principally northern Presbyterians Baptists Methodists and Congregationalists who are theologically moderate or liberal Mainliners have pursued family issues for most of the twentieth century churning out hundreds of works on Christian childrearing Bendroth s book explores the role of family within a religious tradition that sees itself as America s cultural center In this balanced analysis the author traces the evolution of mainliners roles in middle class American culture and sharpens our awareness of the ways in which the mainline Protestant experience has actually shaped and reflected the American sense of self

Prophetically Incorrect Robert H. Jr. Woods, Paul D. Patton, 2010-08-01 The Bible includes prophetic speech and at times the church and its representatives are called to speak prophetically But in our media saturated age when many claim to speak for God how can we evaluate the avalanche of supposedly prophetic speech What does it mean to truly be prophetic And when Christians should speak prophetically how can they do so in a biblical and effective way Using vivid examples this book offers clear guidelines for creating critiquing and consuming popular media as well as practical suggestions for faithful communication It also helps readers think critically about communication technology The book includes a foreword by Quentin Schultze and a preface by Clifford Christians

Serious Times James Emery White, 2005-11-09 Does your life matter How can you make a difference James Emery White shows how you can live a life of significance at the front lines of what God is doing in the world today

Finding the Plot Roger Standing, 2012-03-16 Preaching at its best is truth on fire The real quality of this book is that it has been created from the author s own experience of the local pastorate and is concerned with practical insights and realities I warmly recommend it David Coffey Moderator of the Free Churches and General Secretary of the Baptist Union For some the phrase finding the plot suggests a stroll through a graveyard which is much like their view of preaching But Roger Standing uses the phrase to describe narrative preaching an approach that helps preachers accomplish their essential task to raise the dead Marshall Shelley Vice President Christianity Today International and editor of Leadership This book from a seasoned practitioner and an able thinker will provide the signposts required by many either for transforming their preaching style in mid career or for setting off on the right foot Nigel G Wright Principal of Spurgeon s College London Roger Standing breezily shares his enthusiasm for narrative preaching He combines theory about narrative and its cultural relevance with practical advice and preaching examples A helpful stimulus to any preacher to branch out into narrative preaching Michael Quicke Charles Koller Professor of Preaching and Communications

Toward an Evangelical Public Policy Ronald J. Sider, Diane Knippers, 2005-02 Deepens thinking about biblical and other conceptual foundations for political engagement in order to unify and give consistency to evangelicals involvement in politics

A Matrix of Meanings (Engaging Culture) Craig Detweiler, Barry

Taylor,2003-11-01 From the glittering tinsel of Hollywood to the advertising slogan you can't get out of your head we are surrounded by popular culture In *A Matrix of Meanings* Craig Detweiler and Barry Taylor analyze aspects of popular culture and ask What are they doing What do they represent and What do they say about the world in which we live Rather than deciding whether Bono deserves our admiration the authors examine the phenomenon of celebrity idolization Instead of deciding whether Nike's Just do it campaign is morally questionable they ask what its success reflects about our society *A Matrix of Meanings* is a hip entertaining guide to the maze of popular culture Plentiful photos artwork and humorous sidebars make for delightful reading Readers who distrust popular culture as well as those who love it will find useful insight into developing a Christian worldview in a secular culture *Selling the Old-time Religion* Douglas Carl Abrams,2001 The relationship between Protestant fundamentalists and mass culture is often considered complex and ambiguous *Selling the Old Time Religion* examines this relationship and shows how the first generation of fundamentalists embraced the modern business and entertainment techniques of marketing advertising drama film radio and publishing to spread the gospel Selectively and with more sophistication than has been accorded to them fundamentalists adapted to the consumer society and popular culture with the accompanying values of materialism and immediate gratification despite the seeming conflict between these values and certain tenets of their religious beliefs *Selling the Old Time Religion* is written by a fundamentalist who is based at the country's foremost fundamentalist institute of higher education It is a candid and remarkable piece of scholarship that reveals from the inside the movement's first encounters with some of the media methods it now wields with well documented virtuosity Carl Abrams draws extensively on sermons popular journals and educational archives to reveal the attitudes and actions of the fundamental leadership and the laity Abrams discusses how fundamentalists outlook toward contemporary trends and events shifted from aloofness to engagement as they moved inward from the margins of American culture and began to weigh in on the day's issues from jazz to flappers in large numbers Fundamentalists in the 1920s and 1930s were willing to compromise certain traditions that defined the movement such as premillennialism holiness and defense of the faith Abrams concludes but their flexibility with forms of consumption and pleasure strengthened their evangelistic emphasis perhaps the movement's core Contrary to the myth of fundamentalism's demise after the Scopes Trial the movement's uses of mass culture help explain their success in the decades following it In the end fundamentalists imitated mass culture not to be like the world but to evangelize it **Transforming Culture** Christine Gunn-Danforth,2009-01-01 This book introduces Jonahre a Biblically based Prophetic Imagination cinematic genre Jonahre can be implemented by following a three phase interdisciplinary process that allows production teams to submit their content intent style and format to reflect a Biblical pattern of storytelling and establish an alternative consciousness with the audience When implemented this process creates a powerful tool for transforming culture by combining communication theory and theology into a mold for communicating Spirit filled messages via moving image media The first in a trilogy of

Jonahre films will be released November 2009

Consulting The Faithful What Christian Intellectuals Can Learn From Popular Culture Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Consulting The Faithful What Christian Intellectuals Can Learn From Popular Culture PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their

Consulting The Faithful What Christian Intellectuals Can Learn From Popular Culture

background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Consulting The Faithful What Christian Intellectuals Can Learn From Popular Culture PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Consulting The Faithful What Christian Intellectuals Can Learn From Popular Culture free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Consulting The Faithful What Christian Intellectuals Can Learn From Popular Culture Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
