Consumer Culture And Postmodernism:

Consumer Culture and Postmodernism Mike Featherstone, 1991 Implicit within claims that society itself is in some sense postmodern is an argument about the priority of consumption as a determinant of everyday life In this view mass media advertising and market dynamics lead to a constant search for new fashions new styles new sensations and experiences Material goods are consumed as communicators they are valued as signifiers of taste and of lifestyle This volume examines the viability of this portrait of contemporary society Mike Featherstone explores the roots of consumer culture how it is defined and differentiated and the extent to which it represents the arrival of a postmodern world He examines the theories of consumption and postmodernism among contemporary social theorists such

Consumer Culture and Postmodernism Mike Featherstone, 2007-07-11 The first edition of this contemporary classic can claim to have put consumer culture on the map certainly in relation to postmodernism This expanded new edition includes a fully revised preface that explores the developments in consumer culture since the first edition a major new chapter on Modernity and the Cultural Question an update on postmodernism and the development of contemporary theory after postmodernism an account of multiple and alternative modernities the challenges of consumer culture in Japan and China The result is a book that shakes the boundaries of debate from one of the foremost writers on culture and postmodernism of the present day

Consumer Culture and Postmodernism Mike Featherstone, 1994 **Consumer Culture and Postmodernism** Prasad Raj Singh, 2020 Enter Abstract Body Postmodernism is a variety of meanings and definitions is used to refer to many aspects of social life from musical forms and styles literature and fine art through to philosophy history and especially the mass media and consumer culture Post modernism is a slippery term that is used by writers to refer to several different things Featherstone 1991 points out the term has been used to refer to new developments in intellectual and cultural theory The suggestion that our subjective experience of everyday life and our sense of identity has somehow changed significantly in recent years The view that capitalist or industrial societies have reached new and important stages in their development the shift from modernity to post modernity Advertising, Society, and Consumer Culture Roxanne Hovland, Joyce M. Wolburg, 2014-12-18 Designed as a core textbook for courses in Advertising and Society Advertising Society and Consumer Culture develops an integrated perspective that gives students a framework for understanding past present and future issues in advertising communications Chapter contents cover the entire range of social political cultural regulatory and economic issues that surround advertising and its role in modern society The many social issues addressed include advertising and gender stereotyping advertising to vulnerable audiences and the distribution of wealth in consumer society Advertising Society and Consumer Culture intertwines the development of the consumer culture with its coverage of the historical political regulatory and ethical issues of advertising It includes clear comprehensive tables that chronicle historical developments and key legal cases The text is readable for undergraduates but provides enough depth to serve as a graduate

level text Including extensive notes and a bibliography it can be adopted independently or alongside its companion volume *Readings in Advertising Society and Consumer Culture* **Consumer Culture and Modernity** Don Slater,1997-02-07 This book provides a comprehensive introduction to the issues concepts and theories through which people have tried to understand consumer culture throughout the modern period and puts the current state of thinking into a broader context Thematically organized the book shows how the central aspects of consumer culture such as needs choice identity status alienation objects culture have been debated within modern theories from those of earlier thinkers such as Marx and Simmel to contemporary forms of post structuralism and postmodernism This approach introduces consumer culture as a subject which far from being of narrow or recent interest is intimately tied to the central issues of modern times and modern social thought With its reviews of major theorists set within a full account of the development of the subject this book should be of interest to undergraduate and postgraduate students in the many disciplines which now study consumer culture including communications and cultural studies anthropology and history **History and Refusal** Stephen N. doCarmo,2009 This book examines the ways in which John Gardner s *October Light* Bret Easton Ellis s *American Psycho* Thomas Pynchon s *Vineland* Mark Leyner s *Et Tu Babe* Bobbie Ann Mason s *In Country* and Don DeLillo s *White Noise* formulate critiques of a late capitalist consumer culture proclaimed in recent years to be all but unassailable **Globalization** John Beynon,David Dunkerley,2000 First Published in 2001 Routledge is an imprint of Taylor Francis an informa company **Postmodern quests in applied philosophy**,2012 **History and Refusal** Docarmo Stephen N,2009-04 This book examines the ways six contemporary American novels *October Light* *American Psycho* *Vineland* *Et Tu Babe* *In Country* and *White Noise* formulate critiques of a late capitalist consumer culture proclaimed to be all but unassailable **Rocking around the clock** E. Ann Kaplan,1984 **Encyclopedia of Consumer Culture** Dale Southerton,2011-09-15 The Encyclopedia of Consumer Culture is the first reference work to outline the parameters of consumer culture and provide a critical scholarly resource on consumption and consumerism **Advertising in Contemporary Consumer Culture** Hélène de Burgh-Woodman,2018-03-31 This is the first scholarly book dedicated to reading the work of contemporary filmmakers and their impact on modern marketing and advertising Drawing from consumer culture theory film and media studies the author presents an expansive analysis of a range of renowned filmmakers who have successfully applied their aesthetic and narrative vision to commercial advertising It challenges some traditional advertising tropes and sheds light on the changing nature of advertising in the contemporary media context Utilising Deleuze and Guattari s notion of assemblage this book addresses themes of spatiality and time narrative and aesthetics and consumer reception within a new frame of reference that re contextualises classical concepts of genre platform and aesthetic categories These diverse elements are embedded into a larger discussion of the resonance of contemporary advertising for consumer culture and the implications of the hybridity characteristic of convergent media platforms for understanding the potential of advertising in the twenty first

century It offers a cutting edge interdisciplinary perspective for researchers academics and practitioners working in marketing communications advertising and media studies **The Idea of the Postmodern** Hans Bertens,2003-09-02 Hans Bertens The Idea of the Postmodern is the first introductory historical overview of postmodernism to succeed in providing a witty and useful guide for today's student An enjoyable and indispensable text **Postmodern Music/Postmodern Thought** Judy Lochhead,Joseph Auner,2013-10-08 What is postmodern music and how does it differ from earlier styles including modernist music What roles have electronic technologies and sound production played in defining postmodern music Has postmodern music blurred the lines between high and popular music Addressing these and other questions this ground breaking collection gathers together for the first time essays on postmodernism and music written primarily by musicologists covering a wide range of musical styles including concert music jazz film music and popular music Topics include the importance of technology and marketing in postmodern music the appropriation and reworking of Western music by non Western bands postmodern characteristics in the music of G recki Rochberg Zorn and Bolcom as well as Bj rk and Wu Tang Clan issues of music and race in such films as The Bridges of Madison County Batman Bullworth and He Got Game and comparisons of postmodern architecture to postmodern music Also includes 20 musical examples *The Idea of the Postmodern* Johannes Willem Bertens,1995 Hans Bertens The Idea of the Postmodern is the first introductory historical overview of postmodernism to succeed in providing a witty guide for today's student An enjoyable and indispensable text **Identity and Social Change** Joseph E. Davis,2017-07-12 Identity and Social Change examines the thorny problem of modern identity Trenchant critiques have come from identity politics focusing on the construction of difference and the solidarity of minorities and from academic deconstructions of modern subjectivity This volume places identity in a broader sociological context of destabilizing and reintegrating forces The contributors first explore identity in light of economic changes consumerism and globalization then focus on the question of identity dissolution Zygmunt Bauman examines the effects of consumerism and considers the constraints these place on the disadvantaged Drawing together discourses of the body and globalization David Harvey considers the growth of the wage labor system worldwide and its consequences for worker consciousness Mike Featherstone outlines a rethinking of citizenship and identity formation in light of the realities of globalization and new information technologies Part two opens with Robert Dunn's examination of cultural commodification and the attenuation of social relations He argues that the media and marketplace are part of a general destabilization of identity formation Kenneth Gergen maintains that proliferating communications technologies undermine the traditional conceptions of self and community and suggest the need for a new base for building the moral society In the final chapter Harvie Ferguson argues that despite the contemporary infatuation with irony the decline of the notion of the self as an inner depth effectively severs the long connection between irony and identity **The Cultural Turn in Translation Studies** Wang Ning,2023-12-06 Applying the latest Western translation theories to the situation in China this book redefines

translation from an interdisciplinary and intercultural perspective bringing intercultural semiotic translation into the sight of translation researchers This book systematically expounds on the cultural turn in translation studies and contributes to the escape of translation studies from the cage of language It focuses on discussing the deconstructive postmodernist and cultural translation theories that have motivated and promoted the cultural turn especially Benjamin s translation theory Derrida s deconstructive view of translation and postcolonial translation theory It also discusses in detail the theories of major international translation theorists including Hillis Miller Wolfgang Iser Edward Said Gayatri Spivak Homi Bhabha Andr Lefevere Susan Bassnett and Lawrence Venuti These theories are mostly based on examples from Western or English language texts leaving a wide gap in the discourse of the field This book seeks to fill that gap For example intercultural semiotic translation is defined and explained through the successful experiences of the Chinese translator Fu Lei The role of translation during the Chinese revolution and the relocation of Chinese culture in the global cultural landscape through translation are also discussed This book will be an essential read to students and scholars of translation studies and Chinese studies It will also be a useful resource for translators and researchers of comparative literature and cultural studies New Forms of Consumption Mark Gottdiener,2000 Consumption as a field of cultural studies overlaps with theories of postmodernism the social construction of self commodification in late capitalism and the role of mass media in daily life New forms of consumption such as those facilitated by cyberspace themed environments the commodification of sex and the increasing role of leisure in society all play new and interesting roles in daily life that combine consumerism with the most contemporary social forms This collection of essays examines the recent ways in which consumerism has been approached by cultural studies with special emphasis given to these and other newly emerging topics The book is divided into three parts The first part provides a theoretical overview of consumption studies dealing with classical and more contemporary approaches in light of the debate between advocates and critics of postmodernism In this section there are papers on McDonaldization tourism and cultural studies and the Theory of Shopping The second part emphasizes empirical studies of the commodification process Papers address the transformation of women s bodies and the mass commodification of milk the creation of the toddler as a subject and the commodification of childhood the commodification of sports and the commodification of rock music The third section of the book explores new forms of consumption on a more detailed and concentrated level Papers in this section include the rise of sex tourism as a global industry the commodification of the sacred and the emergence of new consumer spaces in the city An introduction by the editor delineates the advantages of his approach to new forms of consumption based squarely in the emerging issues of cultural studies debates transcending postmodernism and the society of the spectacle *Exploring Media Culture* Michael R. Real,1996-09-26 A beautifully written intellectually challenging and highly readable exploration of the mysteries of contemporary mass media and popular culture Real does a masterful job of empowering his readers Students will find this book fascinating and in some cases
