Contact With Beings Of Light:

Contact with Beings of Light Peter Guttilla, 2003 Contact With Beings of Light is truly an amazing tale of Dorothy Wilkinson Izatt Using an ordinary 8 mm movie camera she has filmed hundreds of sequences of unexplained yet authenticated pictures of UFOs ETs and anamolies Dorothy Izatt is without peer anywhere on record in the world even when compared to today s tabloid media with its endless loops of bizarre video footage from various places and people Aside from the fact that electronically simulated video images aren t as yielding to analysis as the images in film photography the obvious difference is that the footage derives from multiple sources With Dorothy we have a credible trustworthy prolific source in one location or in any location anywhere she chooses willing to demonstrate the process for an observer The author Peter Guttilla has spent years sifting through photographs movies and taped interviews with Dorothy to produce an exceptional glimpse into her lifes work EP - Universal Harmonization Program Jasmuheen, 2010-09-07 UNIVERSAL HARMONIZATION Part 3 Embassy Peace Programs Projects for the co creation of unity and permanent peace on earth The complete EMBASSY OF PEACE manual by metaphysical author and researcher Jasmuheen combines the Luscious Lifestyles Program with its 8 point lifestyle plan for personal health happiness plus the Madonna Frequency Planetary Peace Program and adds the Embassy's interdimensional Universal Harmonization Program Designed to promote individual and global health and happiness these programs also promote permanent peace and prepare earth en mass to enter into higher paradigms Parts 1 2 3 cover lifestyle practices world health and hunger issues plus extra terrestrial realities and more This booklet covers Part 3 UNIVERSAL HARMONIZATION PROGRAM with additional data added in 2010 Cooperating with invisible Beings Daniel Perret, 2022-10-19 This book presents a collection of communications that author Daniel Perret has experienced with nature spirits and other spirit beings They bring forward the insights and intelligence of the different beings and show how precise and wide ranging their knowledge and wisdom is some are recent conversations and some are already published in his previous books In the coming times humanity can only evolve through respecting all sentient beings and cooperating with them How can we develop a communication with the invisible realm that enables us to know who is on the phone In this helpful book Daniel presents many of his own experiences and tells us how he built up his communication with nature spirits and spirit beings He shows how we can learn to ask questions and to distinguish valuable from non valuable dialogues and partners He sets out how we can distinguish between our projections and a real communication The usefulness of any communication with invisible beings depends on how much we really know ourselves and speak from the depth of our heart from our higher spiritual self This requires a high degree of sincerity and allows us to distinguish valuable from non valuable dialogues and partners EVOLVING INTO CRYSTAL BEINGS VOL I: A GIFT TO CONNECT WITH YOUR HIGHER SELF Ank Fay Kha Tron, 2023-12-12 This book presents six thematic conversations about our evolution as children of the universe in human temples bodies The fundamental purpose of the book is to support the reader in raising

M Vessard, 2019-09-23 The author shares a large variety of experiences that include experiences from this dimension and other dimensions. There are experiences from childhood ancient times experiences of healing experiences with angels saints and archangels There are experiences with other star systems galaxies and dimensions There are many experiences of creativity on many dimensions There are also experiences with the ancient light group and the mentor of that ancient light group The experiences with that light group go back more than hundreds of millions of years to the higher dimensions of another galaxy and to the realms of the Divine Essence The War In Heaven Austin Hepworth, 2018 The Book of Revelation in the Bible mentions a War in Heaven a war that took place prior to this earth s existence This War was waged by Lucifer against God and has already included many spiritual casualties in its wake including many who chose to follow Lucifer instead of God Little is known about the actual details of this War yet it offers potential to teach so much about the things of God we often struggle to understand One soldier in the War is born into a world of hardship a world where darkness penetrates the depths of his soul It is only through gaining an understanding of the War his own pre mortal history and principles such as faith and sacrifice that he can finally gain the strength he needs to overcome the darkness inside and rejoin the battle for God s most prized possession The Big Book Of Reiki Symbols Mark Hosak, 2006-06-01 There are many books now available on Reiki but this one is unique It provides a detailed and profound explanation of the traditional Reiki symbols and mantras with their spiritual traditions their calligraphically correct spelling their meanings and functions. The book is a standard guide on Reiki based on years of research and supported by experiences with thousands of students and individual sessions offering the reader whether Reiki Masters or practitioners a careful and well organized presentation of the material with expert The Servant of the Light, Visitors at the End of Life Allan Kellehear, 2020-07-28 About 30 percent of correctness hospice patients report a visitation by someone who is not there a phenomenon known in end of life care as a deathbed vision These visions can be of dead friends or family members and occur on average three days before death Strikingly individuals from wildly diverse geographic regions and religions from New York to Japan to Moldova to Papua New Guinea report similar visions Appearances of our dead during serious illness crises or bereavement are as old as the historical record But in recent

years we have tended to explain them in either the fantastical terms of the supernatural or the reductive terms of neuroscience This book is about how when and why our dead visit us Allan Kellehear a medical sociologist and expert on death dying and palliative care has gathered data and conducted studies on these experiences across cultures He also draws on the long neglected work of early anthropologists who developed cultural explanations about why the dead visit Deathbed visions conform to the rituals that underpin basic social relations and expectations customs of greeting support exchange gift giving and vigils because the dead must communicate with us in a social language that we recognize Kellehear emphasizes the personal consequences for those who encounter these visions revealing their significance for how the dying person makes meaning of their experiences Providing vital understanding of a widespread yet mysterious phenomenon Visitors at the End of Life offers insights for palliative care professionals researchers and the bereaved International UFO Library Magazine: Vol. 1 No. 4 Joseph J.
