## Contemplating God The Son:

**Contemplating God the Son** Lawrence Kimbrough, 2006 One book in a series of four each offering fifteen lessons that encourage quality heart shaping quiet time to help readers grow in faith Contemplating God Changing the World Mario L. Aguilar, 2009-01-01 Mario Aguilar skillfully elegantly and clearly presents the life and thought of some of the major spiritual forces of our time as a starting point for his own compelling reflections on the relationship between contemplation and politics We need more books like this one Professor Ivan Petrella University of Miami Contemplation and political action defined the lives and work of six of the most inspiring Christian leaders of the twentieth century Thomas Merton Ernesto Cardenal Daniel Berrigan Sheila Cassidy Desmond Tutu and Mother Teresa Each one embraced a silent purposeful life of prayer contemplation and conversation with God which the author contends was the very foundation for their public activism Aguilar profiles these outstanding religious figures illustrating how their contemplation of God gave them courage and understanding not just to grow in personal holiness but to become one with God through responding to the needs of others It was their spiritual life that gave them the energy commitment and strength to help feed the hungry clothe the naked and liberate the oppressed even in the darkest most difficult times Yet as Aguilar shows it is not just a chosen few who are called to combine prayer with political action through the regular contemplation of God all Christians can be empowered to work toward social transformation and a just world **Embracing Contemplation** John H. Coe, Kyle C. Strobel, 2019-02-26 What does a Christian life lived by the Spirit look like Bringing together Protestant scholars and practitioners of spiritual formation this volume offers a distinctly evangelical consideration of the benefits of contemplation Drawing on historical examples from the church including John Calvin Richard Baxter Jonathan Edwards and John Wesley this book considers how contemplative prayer can shape Christian living today **NPNF1-03. On the Holy Trinity; Doctrinal Treatises; Moral Treatises ,**

**On Contemplating God, Prayer, Meditations** William (of Saint-Thierry, Abbot of Saint-Thierry), 1977 The 15 Books of St. Augustine, Bishop of Hippo, 'On the Trinity' Apostle Horn, 2019-03 Saint Augustine of Hippo st n 13 November 354 28 August 430 AD was a Roman African early Christian theologian and philosopher from Numidia whose writings influenced the development of Western Christianity and Western philosophy He was the Bishop of Hippo Regius in North Africa and is viewed as one of the most important Church Fathers in Western Christianity for his writings in the Patristic Period Among his most important works are *The City of God* *De Doctrina Christiana* and *Confessions* Augustine imagined the Church as a spiritual City of God distinct from the material Earthly City *The Doctrinal Treatises* St. Augustine of Hippo, 2017-08-31 The most weighty of the doctrinal treatises is that on the Holy Trinity The Latin original *De Trinitate contra Arianos libri quindecim* is contained in the 8th volume of the Benedictine edition It is the most elaborate and probably also the ablest and profoundest patristic discussion of this central doctrine of the Christian religion unless we except the *Orations against the Arians* by Athanasius the Father of Orthodoxy who devoted his life to the defense of the Divinity of Christ Augustine owing to

his defective knowledge of Greek wrote his work independently of the previous treatises of the Eastern Church on that subject He bestowed more time and care upon it than on any other book except the City of God Besides this treatise the following works are included The Enchiridion or On Faith Hope and Love On the Catechising of the Uninstructed Treatise on Faith and the Creed Concerning Faith of Things not Seen On the Profit of Believing On the Creed Short discourses to be read in families. The Christian contemplated in a course of lectures. Prayers William Jay,1849 **Sermons** Rev. Patrick Thomson,1872 **The Works of Jonathan Edwards** Jonathan Edwards,1839 *The Trinity* Saint Augustine (of Hippo),1990 A splendid translation made from a trustworthy Latin text of what is for some of us the foundation work of Christian theology He has fitted out his translation clearly the best of the four that have been made into English with notes that go well beyond the perfunctory and a 38 page introduction that is a delight to read Journal of Religion and Health Barry Ulanov **On the Holy Trinity; Doctrinal Treatises; Moral Treatises** Saint Augustine, **God'S Ways - Behold Your Mother** J A Russell,2014-11-06 In the 1960s Vatican II brought renewed grace and blessing for many within the Catholic Church For me personally it also brought the experience of Gods healing power in the Eucharist increasing my love of mass and personal prayer life As a mother of young children I was then invited by my parish priest to become a catechist this in turn led to serving Christ as a Eucharistic minister and becoming more involved in the work of Christian Unity What I have been shown time and again is that throughout our ordinary everyday lives the Light of Christ never goes out This book shares some of the insights the Mother of Jesus gives on our journey Mary who first followed her Son today helps to walk in the Light of her Son supporting and guiding as the model of faithfulness Festus Philip James Bailey,1872 *Creation and Contemplation* Julien Decharneux,2023-06-06 In Creation and Contemplation Julien Decharneux explores the connections between the cosmology of the Qur n and various cosmological traditions of Late Antiquity with a focus on Syriac Christianity The first part of the book studies how in exhorting its audience to contemplate the world the Qur n carries on a tradition of natural contemplation that had developed throughout Late Antiquity in the Christian world In this regard the analysis suggests particularly striking connections with the mystical and ascetic literature of the Church of the East which was in effervescence at the time of the emergence of Islam The second part argues that the Qur nic cosmological discourse is built so as to serve the overarching theological message of the text namely God s absolute unity Despite the allusive and sometimes obscure way in which the Qur n talks about the world s coming into being and its maintenance in existence the text betrays its authors acquaintance with cosmological debates of Late Antiquity In studying the Qur n through the prism of Late Antiquity this book contributes to our understanding of the emergence of Islam and its relationship with other religious traditions of the time Winner of the 2022 Marie Antoinette Van Huele Prize and the 2023 Richard Kreglinger Prize both Faculty of Philosophy and Social Sciences Free University of Brussels From Contemplation to Action Mark G. Boyer,2018-09-10 Contemplation is a spiritual process involving long thoughtful steady serious and attentive consideration or

observation in order to achieve closer unity with God and to discover and understand God's will for the contemplative. Contemplation gives rise to activity and activity in turn gives rise to more contemplation. The result of contemplation is often called discernment: seeing clearly what is at first not very clear or obvious; understanding what is not immediately obvious; resulting in accuracy of spiritual perception. Divine discernment is contemplation in action; it results in insight, inspiration, and an awareness of inner truth upon which one must act. While there are countless models of contemplation leading to action, the ninth-century BCE prophets Elijah and Elisha are the examples used in this book. Both are seers, messengers, and heralds of the LORD. They appear in activity when they are needed and they disappear into solitude and silence when they are not. **A**

**Christian Armor** David C. Bellusci, 2024-04-02 The Rosary signifies prayer, a form of daily prayer and meditation for millions of Roman Catholics across the world and has been for centuries. The Rosary unites the followers of Christ as one family in a common faith, baptism, and Lord. The power of the Rosary stems not only from the intercession of the Mother of our Savior but each of the twenty mysteries finds its source in the Bible. The truth of the word of God teaches us not only that the Father sent his Son to save us from our sins so we may have eternal life but also how we live our communion with Christ through our daily choices. The Rosary and the Bible lead us to Jesus Christ; the Scriptures point to Jesus and Jesus is at the very center of the Rosary. And so the Rosary and the Bible provide us with the armor we need to help us in combat against Satan's deceptions, lies, and attacks. To know the truth we need the word of God and to live in truth Jesus gives us his mother at the cross. This is your mother. We need the grace of God, Mary's intercession, and the word of God in spiritual combat.
