**Contemplations on the Ten Commandments Vol. 3** H.H. Pope Shenouda III,1993-02-02      **Contemplations on the Ten Commandments Vol. 2** H.H. Pope Shenouda III,1993-07-02 The Ten Commandments were not meant for the times of the prophet Moses nor the times of the Old Testament but were rather addressed to every generation till heaven and earth pass away one jot or one tittle will by no means pass from the law Matt 5 18 Through Christianity the Ten Commandments were given a new meaning which coincided with the new standards understood by the believers in the New Testament So the Commandments remain the same but their concept widens as God grants with His grace an opportunity for meditation How true then was the prophet David when he said I have seen the consummation of all perfection But Your commandment is exceedingly broad Ps 119 96 This series of lectures were given in 1967 and have been published more than once Pope Shenouda III      Contemplations on the Ten Commandments Vol. 4 H.H. Pope Shenouda III,1993-02-01 Dear reader I present you with these lectures which I delivered in 1967 There are three other books on the Ten Commandments this one deals with the last four Each Commandment needs in fact a whole book but I preferred to present them in such a concentrated way They are perhaps expounded in more detail in my series on Spiritual Warfare and in the series of So Many Years with the Problems of the People I pray God may give us power that we may behave according to His commandments written by His finger due to their great importance Pope Shenouda III      **Contemplations on the Ten Commandments Vol. 1** H.H. Pope Shenouda III,1993-08-01      **The Ten Commandments** Lesley J. Smith,2014-06-05 What did the ten commandments have to teach Using the commentaries of a group of scholars from c 1150 1350 such as Peter Lombard Robert Grosseteste and Bonaventure along with confessors manuals mystery plays and sermon material this book investigates the place of the Decalogue in medieval thought Beginning with the overarching themes of law and number it moves to consider what sort of God is revealed in the commandments of the first stone tablet and uncovers the structure that lay behind the precepts dealing with one s neighbour Interpreting the commandments allows us to look at issues of method and individuality in the medieval schools and ask whether answers intended for the classroom could make an impression on the wider world      Contemplations on the Ten Commandments: The sixth commandment Coptic Patriarch of Alexandria Shanūdah III,1999      **The Works of Philo Judaeus: Volume III** Philo Judaeus, 05-2000, ܡܢ ܡܢܝܢ ܡܢܝܢ      **Detailed Reports on the Salzburger Emigrants Who Settled in America...** Samuel Urlsperger,George Fenwick Jones,2021-10-15 The eighteen volumes of Detailed Reports on the Salzburger Emigrants Who Settled in America reproduced in sixteen discrete books contain the diaries and letters of Lutheran pastors who ministered to the Salzburgers German speaking Protestant refugees in Georgia Samuel Urlsperger collected and edited these writings into the Urlsperger Reports printed at Orphanage Press Halle Germany from 1735 to 1760 The original German publication Aus hrliche Nachricht von den saltzburgischen Emigranten is available through the Internet Archive but this English language translation has not been

available online until now In the mid eighteenth century Samuel Urlsperger of the Lutheran Ministry in Augsburg edited the German edition of the Detailed Reports after having distributed the many reports to the faithful in Germany He made major deletions for both diplomatic and economic reasons and suppressed proper names His son Johann August Urlsperger succeeded him He took even greater liberties with the text deleting large sections and rearranging others The English version translated and edited by George Fenwick Jones a German scholar restores the deleted sections and the proper names and provides the original sequencing of the material The Detailed Reports offer insight into daily life in colonial Georgia and provide precious details and vignettes on subjects that receive less attention in other sources notably African Americans women silk production and the cost of goods in a frontier colony The Reports are an underutilized resource for the study of this period and an unparalleled source for the evolution of a rural community during the early years of the colony The Georgia Open History Library has been made possible in part by a major grant from the National Endowment for the Humanities Democracy demands wisdom Any views findings conclusions or recommendations expressed in this collection do not necessarily represent those of the National Endowment for the Humanities
