Contemplative Christianity An Approach To The Realities Of Religion:

Contemplative Christianity Aelred Graham,1975 Where Faith Meets Culture Sharon Gallagher,2010-01-01 Where Faith Meets Culture is a Radix magazine anthology What does Radix usually contain Interviews and features Reviews of significant books films and CDs Informed opinions in The Last Word Eye catching graphics Mind stretching prose Image rich poetry Radix assumes that Christians live in the real world and takes lay Christians seriously As one subscriber wrote Radix is a more worldly magazine than one would expect from its deep commitment to Christ Radix monitors the cultural landscape questions assumptions and introduces new voices remaining deeply rooted in Christ Sociologist Robert Bellah wrote in a Radix article Though social scientists say a lot about the self they have nothing to say about the soul and as a result the modern view finds the world intrinsically meaningless Radix continues to talk about meaning and hope in a culture that has lost its way The articles in this volume reflect the magazine s wide ranging interests literature art music theology psychology technology discipleship and spiritual formation They re written by some of the outstanding authors whose work has graced our pages over the years Peggy Alter Kurt Armstrong Robert Bellah Bob Buford Krista Faries David Fetcho Susan Fetcho Sharon Gallagher David W Gill Joel B Green Os Guinness Virginia Hearn Walter Hearn Donald Heinz Margaret Horwitz Mark Labberton Henri Nouwen Earl Palmer Susan Phillips Dan Ouellette Steve Scott and Luci Shaw **The Ecumenical Review** ,1980 The Ampleforth Journal ,1975 Christian Contemplation Joseph H. Nguyen SJ,2020-12-02 Spiritual practitioners and experts across religious traditions are convinced that contemplation cultivates an awareness of the deeper desires of the human heart But many will ask does contemplation still exist If one has been led to believe that there indeed exists the art of contemplation one will still perhaps wonder what it is and whether or not it is still relevant and applicable today For many the term contemplation itself perhaps connotes a sense of an exotic practice from a distant past unrelated and impractical to the contemporary life In this book the author explores the nature and functions of Christian contemplation and offers the reader a wide variety of contemplative prayer methods that can help cultivate an awareness of the spiritual dimension of the human life The author argues that Christian contemplation is the work of the Holy Spirit While drawing upon a variety of Christian traditions the author bases his discussion on the Jesuit tradition of prayer discernment and spiritual growth as revealed in the Spiritual Exercises of St Ignatius *Lost Christianity* Jacob Needleman,1990 This classic work on the Christian message speaks directly to all who seek genuine religious experience *The Pocket Guide to the Saints* Richard P. McBrien,2009-10-13 This pocket edition of Richard McBrien s Lives of the Saints is the perfect concise handy reference for scholars students and general readers Lives of the Saints Richard P. McBrien,2015-12-15 This pocket edition of Richard McBrien s Lives of the Saints is the perfect concise handy reference for scholars students and general readers *Subject Catalog*, 1975 Library of Congress,1975 Towards a New Mysticism Ursula King,1980 *Esotericism, Mysticism, and the Politics of Transcendence in Modern Asia* Soumen Mukherjee,Toshio Akai,2025-07-15 This invaluable anthology examines

histories of esotericism mysticism and occultism in modern Asia understood here as the period roughly stretching from the late nineteenth through the twentieth century and paving eventually the way for the so called New Age The idea of histories in plural has to do with the complexities of their lineages the many pathways through which their affinities encounters and entanglements flowed and or developed during the period under review The contributors hail from different disciplines history literature and religious studies for instance and in what accounts for a cutting edge of the book provide truly multidisciplinary insights on the subject in one single volume Their select case studies illuminate key aspects of contemporaneous socio religious processes They explicate how aspects of mysticism esotericism and occultism were closely tied to wider socio political and intellectual processes of the period that were at once transregional even global and frequently transcultural and or cosmopolitan in character Postgraduate students research scholars and academics in general working in the fields of religious studies and or Asian religions in modern times will find this collection to be of great interest

Contemplation and Classical Christianity John Peter Kenney, 2013-11 This study explores Augustine's developing understanding of contemplation beginning with his earliest accounts written before his baptism and ending with the Confessions The arc of Augustine's thought through these years of transition leads into the Confessions giving a vantage point to survey its classical Christian theology of contemplation *The New Scholasticism* Edward Aloysius Pace, James Hugh Ryan, 1975 Includes section Book Reviews *Nature Contemplation in Clement of Alexandria* Doru Costache, 2025-06-13 This book examines Clement of Alexandria's interdisciplinary approach to nature contemplation which he terms physiology and physics showing its internal consistency even in the absence of a clear methodological outline It reconstructs Clement's method of nature contemplation which while discernible throughout his writings does not feature as such in one place Yet it exists within the second stage of the broader threefold roadmap of spiritual advancement which progresses from ethics to physics to divine vision epoptics Specifically Clement's physics itself has three steps analysis interpretation and the spiritual vision of the world To advance through the three stages of physics one must acquire virtue contemplative skills and sound information regarding the nature of things But only transformed people whom Clement calls holy gnostics saintly sages have access to the final stage gnostic physiology This third step amounts to an insightful noetic perception of nature irreducible to either keen observation or the information gathered and processed by way of analysis and interpretation This book presents Clement's method against the backdrop of ancient disciplines of nature contemplation and as paving the way for contemporary science engaged theology The volume is suitable for postgraduate students and scholars of the history of science and religion religious studies early Christian and late antique studies and patristic studies particularly those working on Clement of Alexandria *Practicing Christians, Practical Atheists* Phil Davignon, 2023-02-02 The task of living faithfully within today's secular culture is one of the most important issues facing Christians Yet many misunderstand what culture is and how it shapes their hearts minds and souls This book extends the work of James K A Smith

by revealing how the secularizing influence of modern culture is not only transmitted through cultural liturgies but has become embedded within the seemingly harmless everyday practices of education work consumption and leisure As a result even practicing Christians may become practical atheists who have thoroughly internalized secular dispositions of mind and heart This deeper understanding of cultural formation calls into question many of the dominant approaches to ministry and formation Rather than merely offering information and inspiration congregations must become sites of counter formation that enable their members to fully embody the Christian faith within everyday life [Embracing Contemplation](#) John H. Coe, Kyle C. Strobel, 2019-02-26 What does a Christian life lived by the Spirit look like Bringing together Protestant scholars and practitioners of spiritual formation this volume offers a distinctly evangelical consideration of the benefits of contemplation Drawing on historical examples from the church including John Calvin Richard Baxter Jonathan Edwards and John Wesley this book considers how contemplative prayer can shape Christian living today [Library of Congress Catalogs](#) Library of Congress, 1976 *Subject Catalog* Library of Congress, *The Wiley Blackwell Companion to Comparative Theology* Axel M.
