Contemplative Prayer:

Contemplative Prayer at Work in Our Lives Geoff Colvin, 2021-05-24 While many practicing Christians are relatively satisfied with their prayer life others are not The latter often find their prayer practice has dried up Their traditional forms of prayer at churches have become routine and empty In a very real sense there is a void in their spiritual lives They want a deeper union with God yet experience an unsettling estrangement with their current pathway in prayer In *Contemplative Prayer at Work in Our Lives* Geoff Colvin draws on his own experiences studies of spiritual literature and participation in retreats and meditation groups to unravel the challenging practice of contemplative prayer a unique form of meditation involving very few words in silence and stillness Contemplative prayer centers on the fundamental belief that God dwells not only in the world at large but also at the center of our being This book offers Christians an approach for understanding contemplative prayer followed by hands on detail for developing and sustaining a practice that hopefully leads to a richer and fuller spiritual journey to union with God

[Remain In Me](#) Andreas Schmidt, 2017-03-31 Saint Paul's command to Pray without ceasing 1 Thess 5:17 can seem impossible for the average Christian living in the middle of this hectic contemporary world Yet his words are intended as much for those of his time as those of today and as much for those who labor at home or in the office as for those in monasteries Indeed the Catechism of the Catholic Church professes the contemplative life or in other words a life of constant prayer as both necessary and attainable With a strong foundation in Church teaching and woven throughout with the classic wisdom of the saints *Remain in Me* is an accessible guide to a timeless call Beginning with a careful outline of what is required to build the contemplative life both in specified prayer times and in everyday tasks Father Andreas Schmidt confronts the most common difficulties in personal prayer and explores the fruits of contemplation growth in holiness a more powerful experience of the Sacraments increased success in work and ultimately a closer and more intimate relationship with God

prayer at churches have become routine and empty In a very real sense there is a void in their spiritual lives They want a deeper union with God yet experience an unsettling estrangement with their current pathway in prayer In *Contemplative Prayer at Work in Our Lives* Geoff Colvin draws on his own experiences studies of spiritual literature and participation in retreats and meditation groups to unravel the challenging practice of contemplative prayer a unique form of meditation involving very few words in silence and stillness Contemplative prayer centers on the fundamental belief that God dwells not only in the world at large but also at the center of our being This book offers Christians an approach for understanding contemplative prayer followed by hands on detail for developing and sustaining a practice that hopefully leads to a richer and fuller spiritual journey to union with God

Contemplative Prayer Thomas Merton,1975 **The Practice of Contemplation According to John of the Cross** James W. Kinn,2018-07-23 This book is for anyone who now meditates regularly or who practiced meditation in the past As we grow in our prayer life John of the Cross is an excellent and encouraging guide to show us the way to the practice of contemplative prayer Many of us learned about meditation from spiritual directors or books We practiced a reliable form of meditation for some years with varying degrees of success Over time however our prayer slowed down and became simplified We didn't find many new ideas to occupy our intellect and our emotions quieted down In time many of us experienced a crisis in our prayer life our prayer became so simple that it almost disappeared We tried different forms of prayer but we seemed to be reaching a dead end Throughout all of this we were never told that our prayer was developing naturally and positively What we were experiencing was not a dead end but the threshold of a new way of prayer What we needed was an experienced guide to show us the road ahead Enter John of the Cross He encourages us to see that the place we came to is a necessary state of our progress in prayer John teaches us that we come to contemplation not by struggling harder to pray but by calming remaining quiet before God He encourages us to realize that we have not come to the end of the road but are being made ready to be transported on a wonderful journey There is no better or more encouraging guide for us on this journey than John of the Cross The entire focus of this book is quite narrow it concentrates on John's teaching about the beginning of contemplation

The Cloud of Unknowing (雲霧) Anonymous,2011-10-15 The Cloud of Unknowing is an anonymous work of Christian mysticism written in the latter half of the 14th century The text is a spiritual guide to contemplative prayer Be willing to be blind and give up all longing to know the why and how for knowing will be more of a hindrance than a help This 1912 edition was edited by Evelyn Underhill and contains her introduction *Contemplative Prayer* James P. Danaher,2011-09-22 The current popularity of contemplative prayer is not accidental A twenty first century understanding of the human condition has made us suspicious of words and the understanding we craft out of words Theology generally offers us words that purport to give us a more precise and certain understanding of God but the mystic has always known that our relationship to God transcends words and the kind of understanding that words produce The theology of the mystic has always been about understanding our communion with the

mystery that is God in order to fall evermore deeply in love with the Divine That is the ultimate purpose of contemplative prayer and the purpose of this book is to offer a philosophy and theology of contemplative prayer in the twenty first century

Contemplative Retreat Franz Jalics, 2003 In the depths of their hearts many people feel a deep longing for God to shape their lives They are in search of true prayer and personal union with God In this book the author offers guidance based on his personal life spiritual growth and extensive pastoral experience Step by step in ten units he leads the participant toward an immediate awareness of the reality of God and of his presence The book can be used as a practical guide for a closed retreat or for a retreat in everyday life Publisher s description back cover
