Aboriginal Art and Australian Society Laura Fisher, 2016-05-30 This book is an investigation of the way the Aboriginal art phenomenon has been entangled with Australian society s negotiation of Indigenous people s status within the nation Through critical reflection on Aboriginal art s idiosyncrasies as a fine arts movement its vexed relationship with money and its mediation of the politics of identity and recognition this study illuminates the mutability of Aboriginal art s meanings in different settings It reveals that this mutability is a consequence of the fact that a range of governmental activist and civil society projects have appropriated the art s vitality and metonymic power in national public culture and that Aboriginal art is as much a phenomenon of visual and commercial culture as it is an art movement Throughout these examinations Fisher traces the utopian and dystopian currents of thought that have crystallised around the Aboriginal art movement and which manifest the ethical conundrums that underpin the settler state condition

Aboriginal Art Wally Caruana, 2025-03-20 This concise survey showcases the incredible diverse work of Aboriginal and Torres Strait artists Building on traditions that stretch back at least 50 000 years these artists have long worked in a variety of contexts from the sacred and secret realm of ceremony to more public spheres From isolated beginnings to post colonialism and the present Wally Caruana explains how Aboriginal and Torres Strait Islander art has continually developed and responded to change and considers the impact of urban living the growth of local art centres that support the artists in these communities and the recognition of women artists This new edition has been expanded and updated to include and reflect on important artists who have emerged in the last decade with a focus on the burgeoning of activity in the Southern Desert region Queensland and the Torres Strait Islands
