McDonogh, Cindy H. Wong**

Contemporary American Religion:

Contemporary American Religion Penny Edgell, Nancy L. Eiesland, 2000-01-01 No single narrative or theory can describe the varieties of religious experience in North America today The tidy dichotomies of liberal conservative public private local global and renewal secularization make little sense once specific congregations are examined closely To understand the shifting boundaries of contemporary religious expressions new tools are needed Contemporary American Religion collects qualitative on the ground studies of local congregations by up and coming religious scholars Ethnography combined with more traditional sociological methods help make sense of complex religious communities from Messianic Jews to evangelical feminists from Gospel Hour at a gay bar to exurban megachurches This collection covers a wide span of the religious landscape always trying to uncover new theoretical insights Essential reading for classes in sociology of religion

contemporary American religion and anthropology of religion **One Nation Under God** Barry Kosmin, 2011-03-09 Based on the most extensive survey ever conducted on religion in America One Nation Under God delivers surprising revelations about the religious beliefs practices and affiliations of Americans These statistical findings provide rich material for interpretation of the uniquely American religious experience Publishers Weekly *Religion in Contemporary America*

Charles H. Lippy, Eric Tranby, 2013-03-12 This book provides a fresh engaging multi disciplinary introduction to religion in contemporary America The chapters explore the roots of contemporary American religion from the 1950s up to the present day looking at the major traditions including mainline Protestantism the evangelical pentecostal surge Catholicism Judaism African American religions and new religious movements The authors ask whether Americans are becoming less religious and how religious thought has moved from traditional systematic theology to approaches such as black and feminist theology and environmental theology The book introduces religion and social theory and explores key issues and themes such as religion and social change politics gender sexuality diversity race and poverty Students and instructors will find the combination of historical and sociological perspectives an invaluable aid to understanding this fascinating but complex field

Religious Movements in Contemporary America Irving I. Zaretsky, Mark P. Leone, 2015-03-08 Contemporary religious movements in America vary greatly in their organization goals methods and membership Reflecting the striking diversity of the current religious movement the papers in this volume consider three categories of religious movements native American churches recently founded religious groups and syncretistic groups based on imported cults The general aim is to understand the varieties of human behavior within these institutions and to point out their relationship to society in the United States Originally published in 1975 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of

books published by Princeton University Press since its founding in 1905 **Modern American Religion, Volume 1**

Martin E. Marty, 1997-06-21 In this second volume of two tracing the history of 20th century American religion Martin E Marty tells the story of how America has survived religious disturbances and culturally prospered from them

Evangelical America Timothy J. Demy, Paul R. Shockley Ph.D., An essential new reference work for students and general readers interested in the history dynamics and influence of evangelicalism in recent American history politics and culture What makes evangelical or born again Christians different from those who identify themselves more simply as Christian What percentage of Americans believe in the Rapture How are evangelicalism and Baptism similar What is the influence of evangelical religions on U S politics Readers of Evangelical America An Encyclopedia of Contemporary American Religious Culture will learn the answers to these questions and many more through this single volume work s coverage of the many dimensions of and diversity within evangelicalism and through its documentation of the specific contributions evangelicals have made in American society and culture It also illustrates the Evangelical movement s influence internationally in key issues such as human rights environmentalism and gender and sexuality *Encyclopedia of Contemporary American Culture* Robert Gregg, Gary W. McDonogh, Cindy H. Wong, 2005-11-10 As a meeting point for world cultures the USA is characterized by its breadth and diversity Acknowledging that diversity is the fundamental feature of American culture this volume is organized around a keen awareness of race gender class and space and with over 1 200 alphabetically arranged entries spanning the American century from the end of World War II to the present day the Encyclopedia provides a one stop source for insightful and stimulating coverage of all aspects of that culture Entries range from short definitions to longer overview essays and with full cross referencing extensive indexing and a thematic contents list this volume provides an essential cultural context for both teachers and students of American studies as well as providing fascinating insights into American culture for the general reader The suggestions for further reading which follows most entries are also invaluable guides to more specialized sources **Religious Free Exercise and Contemporary American Politics**

Jerold L. Waltman, 2010-12-16 *Modern American Religion, Volume 3* Martin E. Marty, 1986 Vol 1 The Irony of it all 1893 1919 Vol 2 The Noise of conflict 1919 1941 **Modern American Religion, Volume 2** Martin E.

Marty, 1997-06-21 In this second volume of two tracing the history of 20th century American religion Martin E Marty tells the story of how America has survived religious disturbances and culturally prospered from them *The Routledge Handbook of Politics and Religion in Contemporary America* Jeffrey Haynes, 2024-12-19 The Routledge Handbook of Politics and Religion in Contemporary America is a comprehensive reference source to this significant controversial and consistent topic in America s politics It examines the copious research conducted to date evaluates what we know identifies what is less clear because of differing research findings and pursues important but under researched questions Comprising 34 chapters by a team of international contributors the Handbook is divided into four parts History and context Theoretical debates and

methodological perspectives Actors policies and institutions and Contemporary debates and controversies The Handbook addresses three key questions 1 How is religion politically important in the USA 2 Why does religion retain political and social prominence in the USA and 3 Is the USA secularising If so what does it mean for the relationship between religion and politics Chapters explore central issues debates and problems within politics and religion in the USA including citizenship secularism the law religious diversity atheism political economy religious minorities discrimination the US presidency nationalism public opinion gender and sexuality foreign policy Congress religious freedom party politics human rights public institutions civil society populism feminism LGBTQ rights political violence hate speech inequality and immigration This Handbook will be essential reading for students and researchers of politics and religious studies Professionals policy oriented government corporations will also find the Handbook useful especially for research purposes Modern American Religion, Volume 1 Martin E. Marty, 1987-05-12 Martin E Marty argues that religion in twentieth century America was essentially shaped by its encounter with modernity In this first volume he records and explores the diverse ways in which American religion embraced rejected or cautiously accepted the modern world Marty writes with the highest standards of scholarship and with his customary stylistic grace No series of books is likely to tell us as much about the religious condition of our own time as Modern American Religion Robert L Spaeth Minneapolis Star Tribune The wealth of material and depth of insight are beyond reproach This book will clearly stand as an important meteorological guide to the storm front of modernity as it swept Americans into the twentieth century Belden C Lane Review of Religions Whatever one thinks about Marty s theological or philosophical position as a historian the charm of his friendly circumspective approach to American religious history is irresistible John E Wilson Theological Studies Marty attempts to impose historical order on the divergent ways a century of Americans have themselves tried to find order in their worlds He meets the challenge deftly It is a book relevant to our time Engages the heart and mind jointly Andy Solomon Houston Post **Religion in the Modern American West** Ferenc Morton Szasz, 2002-01-01 When Americans migrated west they carried with them not only their hopes for better lives but their religious traditions as well Yet the importance of religion in the forging of a western identity has seldom been examined In this first historical overview of religion in the modern American West Ferenc Szasz shows the important role that organized religion played in the shaping of the region from the late nineteenth to late twentieth century He traces the major faiths over that time span analyzes the distinctive response of western religious institutions to national events and shows how western cities became homes to a variety of organized faiths that cast only faint shadows back east While many historians have minimized the importance of religion for the region Szasz maintains that it lies at the very heart of the western experience From the 1890s to the 1920s churches and synagogues created institutions such as schools and hospitals that shaped their local communities during the Great Depression the Latter day Saints introduced their innovative social welfare system and in later years Pentecostal groups carried their traditions to the Pacific coast and Southern Baptists among others

set out in earnest to evangelize the Far West Beginning in the 1960s the arrival of Asian faiths the revitalization of evangelical Protestantism the ferment of post Vatican II Catholicism the rediscovery of Native American spirituality and the emergence of New Age sects combined to make western cities such as Los Angeles and San Francisco among the most religiously pluralistic in the world Examining the careers of key figures in western religion from Rabbi William Friedman to Reverend Robert H Schuller Szasz balances specific and general trends to weave the story of religion into a wider social and cultural context Religion in the Modern American West calls attention to an often overlooked facet of regional history and broadens our understanding of the American experience *Contemporary American Religion* Penny Edgell, Nancy L. Eiesland, 2000-01-01 No single narrative or theory can describe the varieties of religious experience in North America today The tidy dichotomies of liberal conservative public private local global and renewal secularization make little sense once specific congregations are examined closely To understand the shifting boundaries of contemporary religious expressions new tools are needed Contemporary American Religion collects qualitative on the ground studies of local congregations by up and coming religious scholars Ethnography combined with more traditional sociological methods help make sense of complex religious communities from Messianic Jews to evangelical feminists from Gospel Hour at a gay bar to exurban megachurches This collection covers a wide span of the religious landscape always trying to uncover new theoretical insights Essential reading for classes in sociology of religion contemporary American religion and anthropology of religion

Contemporary American Religion Wade Clark Roof, 1999 *Prophetic Fragments* Cornel West, 1988 This collection of writings drawn from a wide variety of sources reveals the intellectual depth and breadth of the author The articles include political commentary cultural critique literary analysis extended book reviews and even a short story by West All of these are held together by a prophetic Afro American Christian perspective The value of this book is that it provides easy access to a significant selection of the author's corpus Religious Studies Review October 1989 This volume collects over 50 articles book reviews and addresses by a Union Seminary theologian The most eloquent pieces are those in which West explains and interprets his more personally felt tradition of Afro American Protestantism Library Journal *Contemporary American Religion* Scott Kurtz, 1999 *Contemporary American Religion*, 1999-11 Exploring the diversity of American religions this work examines the vast range of faiths practices figures and doctrines From abortion and school prayer to capital punishment and astrology these volumes cover culture politics legal issues and social movements **World Religions in America, Fourth Edition** Jacob Neusner, 2009-10-07 The fourth edition of World Religions in America continues its lauded tradition of providing students with reliable and nuanced information about America's religious diversity while also reflecting new developments and ideas Each chapter was updated to reflect important changes and events and current statistics and information New features include a timeline of key events and people for each tradition sidebars on major movements or controversies personal stories from members of various faiths a theme based organization of subjects more subheads three

new chapters exploring America's increasing religious diversity and suggestions for further study **America's Religions**
Peter W. Williams, 2015-11-15 A classroom perennial and comprehensive guide America's Religions lays out the background beliefs practices and leaders of the nation's religious movements and denominations The fourth edition thoroughly revised and updated by Peter W Williams draws on the latest scholarship In addition to reconsidering the history of America's mainline faiths it delves into contemporary issues like religion's impact on politics and commerce the increasingly high profile of Buddhism Hinduism and Islam Mormonism's entry into the mainstream and battles over gay marriage and ordination

Contemporary American Religion Introduction

In the digital age, access to information has become easier than ever before. The ability to download Contemporary American Religion has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Contemporary American Religion has opened up a world of possibilities. Downloading Contemporary American Religion provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Contemporary American Religion has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Contemporary American Religion. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Contemporary American Religion. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Contemporary American Religion, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Contemporary American Religion has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available

and embark on a journey of continuous learning and intellectual growth.

FAQs About Contemporary American Religion Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Contemporary American Religion is one of the best book in our library for free trial. We provide copy of Contemporary American Religion in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Contemporary American Religion. Where to download Contemporary American Religion online for free? Are you looking for Contemporary American Religion PDF? This is definitely going to save you time and cash in something you should think about.
