Contemporary British Conservatism

Timothy Heppell

Contemporary British Conservatism:

Contemporary British Conservatism Steve Ludlam,1996 Contemporary British Conservatism brings together a set of specially commissioned chapters by leading authorities to provide a broad ranging assessment of Conservative politics policy and ideology today A central concern throughout is to assess the impact of Thatcherism on the party and the extent to which there has been a return to more traditional Conservatism under John Major *Contemporary British Conservatism* Luigi Savastano,1953 *Contemporary British Conservatism* Luigi Savastano,1961 **British Conservatism** Peter Dorey,2010-10-30 Defence of inequality has always been a core principle of the Conservative Party in Great Britain Yet the Conservatives have enjoyed great electoral success in a British society marked by widespread inequalities of wealth and income Peter Dorey here examines the intellectual and political arguments which Conservatives use to justify inequality He also considers debates between Conservatives over how much inequality is desirable or acceptable Should inequality be unlimited in order to promote liberty incentives and rewards Or should inequality be kept within certain bounds to prevent social breakdown and political upheaval Finally he examines why some less prosperous sections of British society have nonetheless supported the Conservatives instead of political parties promoting equality This book will be an important resource for students and commentators of contemporary British politics British Conservatism and Trade Unionism, 1945-1964 Peter Dorey,2016-05-23 For most of the twentieth century the Conservative Party engaged in an ongoing struggle to curb the power of the trade unions culminating in the radical legislation of the Thatcher governments Yet as this book shows for a brief period between the end of the Second World War and the election of Harold Wilson s Labour government in 1964 the Conservative Party adopted a remarkably constructive and conciliatory approach to the trade unions dubbed voluntarism During this time the party leadership made strenuous efforts to avoid as far as was politically possible confrontation with or legislation against the trade unions even when this incurred the wrath of some Conservative backbenchers and the Party s mass membership In explaining why the Conservative leadership sought to avoid conflict with the trade unions this study considers the economic circumstances of the period in question the political environment electoral considerations the perspective adopted by the Conservative leadership in comprehending industrial relations and explaining conflict in the workplace and the personalities of both the Conservative leadership and the key figures in the trade unions Making extensive use of primary and archival sources it explains why the 1945 64 period was unique in the Conservative Party s approach to Britain s trade unions By 1964 though even hitherto Conservative defenders of voluntarism were acknowledging that some form of official inquiry into the conduct and operation of trade British unionism as a prelude to legislation was necessary thereby signifying that the heyday of voluntarism and cordial relations between senior Conservatives and the trade unions was coming to an end The Tories Timothy Heppell,2014-03-13 This book offers a comprehensive and accessible study of the electoral strategies governing approaches and ideological thought of the British

Conservative Party from Winston Churchill to David Cameron Timothy Heppell integrates a chronological narrative with theoretical evaluation examining the interplay between the ideology of Conservatism and the political practice of the Conservative Party both in government and in opposition He considers the ethos of the Party within the context of statecraft theory looking at the art of winning elections and of governing competently The book opens with an examination of the triumph and subsequent degeneration of one nation Conservatism in the 1945 to 1965 period and closes with an analysis of the party's re entry into government as a coalition with the Liberal Democrats in 2010 and of the developing ideology and approach of the Cameron led Tory party in government The Evolution of Conservative Party Social Policy B.

Williams, 2015-05-13 This book addresses how the Conservative Party has re focused its interest in social policy Analysing to what extent the Conservatives have changed within this particular policy sphere the book explores various theoretical social political and electoral dimensions of the subject matter *The British Conservative Party and One Nation Politics* David

Seawright, 2010-01-01 *Intellectual Conservatism* Ferenc Hörcher, Daniel Pitt, 2025-09-29 This book examines the history of intellectual conservatism from its late 18th century founding father Edmund Burke to its last great representative the late Sir Roger Scruton Focusing on British intellectual conservatism and investigating this under researched area of political thought through multiple contributions and disciplines the editors aim is to provide an account of the supportive or critical intellectual work behind conservative politics in the 19th and 20th century with a long term view on the modern conservative movement It is an up to date account of some of the major theoretical issues of conservatism that utilises case studies to provide pictures of particular conservative intellectuals explain key concepts and reconstruct major schools and defining debates within conservatism There is a particular focus on the role of Christianity the British common law tradition and on the connection between culture and politics *Intellectual Conservatism From Burke to Scruton* is valuable for university students studying history political science PPE or the social sciences as well as those interested in the contemporary debates in Western politics on the future of Europe and the US **Radical Ideas in Britain** R. G. Williams, 2022-07-13 This book is a study of British society It outlines the struggle for social change in Britain today from a Socialist and Left wing perspective It considers the role of ideas in British politics British history and British society It argues that if Britain is to become a better society it needs to develop better ideas specifically the ideas of Socialism **A Companion to Contemporary Britain**

1939 - 2000 Paul Addison, Harriet Jones, 2008-04-15 *A Companion to Contemporary Britain* covers the key themes and debates of 20th century history from the outbreak of the Second World War to the end of the century Assesses the impact of the Second World War Looks at Britain's role in the wider world including the legacy of Empire Britain's special relationship with the United States and integration with continental Europe Explores cultural issues such as class consciousness immigration and race relations changing gender roles and the impact of the mass media Covers domestic politics and the economy Introduces the varied perspectives dominating historical writing on this period Identifies the key issues which are

likely to fuel future debate The Concept of a Philosophical Jurisprudence Michael Oakeshott, 2011-10-26 This volume brings together for the first time over a hundred of Oakeshott's essays and reviews written between 1926 and 1951 that until now have remained scattered through a variety of scholarly journals, periodicals and newspapers. A new editorial introduction explains how these pieces, including the lengthy essay on the philosophical nature of jurisprudence that occupies an important position in Oakeshott's work, illuminate his other published writings. The collection throws new light on the context of his thought by placing him in dialogue with a number of other major figures in the humanities and social sciences during this period, including Leo Strauss, A. N. Whitehead, Karl Mannheim, Herbert Butterfield, E. H. Carr, Gilbert Ryle and R. G. Collingwood.

Ideology and Politics in Britain Today Ian Adams, 1999 Examining the variety of ideas and values that influence British politics today in light of how they developed and arrived in their present state, this text considers the future of British politics and what forces may shape further development.

The Party's Over Phil Burton-Cartledge, 2021-09-14 Today it is not a question of if but when. What we are watching is the collapse of the most successful political party in Europe. Despite winning the December 2019 General Election, the parliamentary conservative and unionist party is facing its own demise. It no longer speaks for or to the British people. Its leadership has sacrificed the long-standing commitment to the Union to Get Brexit Done. And beyond this, it is an intellectual vacuum propped up by half-baked doctrine and magical thinking. Burton-Cartledge's account starts with the Thatcher era and shows that swiftly the party struggled to find a popular vision for the United Kingdom. He charts the flaws and failings of each successive leader all the way to Sunak. He also examines the state of the membership and shows that they have become increasingly old. Their values have not been adopted by the younger voters who are unable to share the benefits. Furthermore, the coalition between the countryside and the City interests is under pressure, and the latter is split by Brexit.

Michael Oakeshott Selected Writings Collection Michael Oakeshott, 2014-08-26 A collection of 6 volumes of Oakeshott's work: Notebooks 1922-86, Early Political Writings 1925-30, The Concept of a Philosophical Jurisprudence, Vocabulary of a Modern European State, Lectures in the History of Political Thought and What is History.

The Conservatives and Industrial Efficiency, 1951-1964 Nick Tiratsoo, Jim Tomlinson, 2005-08-12 Drawing upon a wide range of archival sources, this book provides the first full assessment of the Conservatives' performance in the period of 1951-1964, a decisive period for the British economy.

Portrait of a Party Stuart Ball, 2013-04-25 The Conservative Party is the least investigated and understood of British political parties. Using an original approach and an unparalleled range of sources, Stuart Ball analyses the nature and working of the Conservative Party during one of the most significant and successful periods in its history.

The Tories and Europe John Turner, 2000 John Turner examines the way in which the issue of Europe has led to a schism within the Conservative Party, contributing to the party's election defeat in 1997 and how issues of sovereignty and federalism continue to preoccupy the party.

Falling Down Phil Burton-Cartledge, 2021-09-14 The Fall of the Tory Party. Despite winning the December 2019 General Election, the

Conservative parliamentary party is a moribund organisation It no longer speaks for or to the British people Its leadership has sacrificed the long standing commitment to the Union to Get Brexit Done And beyond this it is an intellectual vacuum propped up by half baked doctrine and magical thinking Falling Down offers an explanation for how the Tory party came to position itself on the edge of the precipice and offers a series of answers to a question seldom addressed as the party is poised to press the self destruct button what kind of role and future can it have This tipping point has been a long time coming and Burton Cartledge offers critical analysis to this narrative Since the era of Thatcherism the Tories have struggled to find a popular vision for the United Kingdom At the same time their members have become increasingly old Their values have not been adopted by the younger voters The coalition between the countryside and the City interests is under pressure and the latter is split by Brexit The Tories are locked into a declinist spiral and with their voters not replacing themselves the party is more dependent on a split opposition putting into question their continued viability as the favoured vehicle of British capital

The British Conservative Party Lenon Campos Maschette, 2024-02-20

Citizenship has been an ill explored subject within Conservative Party studies When this subject has been analysed it is usually made by scholars of citizenship more concerned with general overviews than understanding specific Conservative approaches to the concept This book intends to fill this gap Through a rigorous analysis of sources the author explores how the Conservative Party contested the welfare model of citizenship and sought to recreate a new relationship between the individual the state and civil society Starting from Thatcher s idea of active citizenship and going through the analysis of John Major s Citizen s Charter and David Cameron s Big Society project the book sheds new light on how these developments responded to long term problems while dialoguing with specific circumstances and the different Conservative leaders ideas From an ideological perspective the author analyses how these leaders echoed and re signified more traditional political ideas and ideologies while negotiating with and borrowing new flourishing concepts during those years Far from being a unidimensional citizenship concept in reinterpreting old ideas and utilizing new ones these Conservatives elaborated a complex and many times contradictory citizenship model that tried to address both long lasting and more timely issues that overlapped in British society

While this might not be the Contemporary British Conservatism full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based

access to a wide range of Contemporary British Conservatism eBooks, including some popular titles.

FAQs About Contemporary British Conservatism Books

What is a Contemporary British Conservatism PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Contemporary British Conservatism PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Contemporary British Conservatism PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Contemporary British Conservatism PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Contemporary British Conservatism PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
