## **Contemporary Canadian Composers:**

**Contemporary Canadian Composers** John Beckwith, 1987      Contemporary Canadian Composers Keith Campbell MacMillan, John Beckwith, 1975      Twentieth Century Canadian Composers Ian L. Bradley, 1977      **Mapping Canada's Music** Helmut Kallmann, 2013-05-25 Mapping Canada's Music is a selection of writings by the late Canadian music librarian and historian Helmut Kallmann 1922-2012 Most of the essays deal with aspects of Canadian music but some are also autobiographical including one written during retirement in which Kallmann recalls growing up in a middle class Jewish family in 1930s Berlin under the spectre of Nazism Of the seventeen selected writings by Kallmann five have never before been published many of the others are from difficult to locate sources They include critical and research essays reports reflections and memoirs Each chapter is prefaced with an introduction by the editors Two initial chapters offer a biography of Kallmann and an assessment of his contributions to Canadian music The variety breadth and scope of these writings confirm Kallmann's pioneering role in Canadian music research and the importance of his legacy to the cultural life of his adopted country In the current climate of cuts to archival collections and services the publication of these essays by and about a pre eminent collector and historian serves as a timely reminder of the importance of cultural memory      Music in Canada Carl Morey, 2013-11-26 Providing access to virtually any subject related to music and musicians in Canada more than 900 annotated entries are organized under 13 topics and indexed by author subject and title Background and supplementary information and suggestions for research are presented in introductory essays The material covered reflects the broad spectrum of music in Canadian society including historical analytical and biographical studies of music derived from the European tradition First Nations and Inuit music jazz and popular works folk and ethnic music education research and bibliographical materials The reader is also directed to some important on line resources Musical activity in Canada has developed remarkably in the past 50 years with a parallel growth of musical scholarship examining historical social and ethnological aspects of Canadian musical life This Guide is the first to draw comprehensively on the wealth of studies now available which are often dispersed and not easily located Consequently this information is invaluable to students and researchers interested in Canadian music the music of North America and Canadian studies Index      **Unheard Of** John Beckwith, 2012-04-01 Canadian composer John Beckwith recounts his early days in Victoria his studies in Toronto with Alberto Guerrero his first compositions and his later studies in Paris with the renowned Nadia Boulanger of whom he offers a comprehensive personal view In the memoir's central chapters Beckwith describes his activities as a writer university teacher scholar and administrator Then turning to his creative output he considers his compositions for instrumental music his four operas choral music and music for voice A final chapter touches on his personal and family life and his travel adventures For over sixty years John Beckwith has participated in national musical initiatives in music education promotion and publishing He has worked closely with performing groups such as the Orford Quartet and the Canadian Brass and

conductors such as Elmer Iseler and Georg Tintner A former reviewer for the Toronto Star and a CBC script writer and programmer in the 1950s and 60s he later produced many articles and books on musical topics Acting under Robert Gill and Dora Mavor Moore in student days and married for twenty years to actor director Pamela Terry he witnessed first hand the growth of Toronto theatre He has collaborated with the writers Jay Macpherson Margaret Atwood Dennis Lee and bpNichol and teamed repeatedly with James Reaney a close friend His life story is a slice of Canadian cultural history **Canadian**

**Reference Sources** Mary E. Bond, Martine M. Caron, 1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people institutions organizations publications art literature languages and history It lists books of a general nature as well as works in the disciplines of history and the humanities These large divisions are then broken down by subject genre type of document and province or territory Titles of national provincial territorial or regional interest are included in every subject area when available The contents of the book are indexed four ways by name title French subject and English subject And to facilitate browsing the major reference books those dealing with more than one subject or a large geographical region are also cross referenced Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada's official languages Entries for unilingual works include citation in the language of the publication and a bilingual annotation The annotations are descriptive and provide information on the content arrangements and indexing of works the availability of non print formats previous editions and title changes and related works Canadian Reference Sources will be an invaluable reference tool for future scholars and researchers *Music Papers* John Beckwith, 1997 What is music where does it come from and what does it mean If music is

in the background and no one listens to it does it still exist Why do composers write music and how do they learn their profession What about Canadian music a regional dialect of this universal language How has it been created inside the country how well is it understood abroad Music papers are reflections from a life of composing and teaching These articles talks and reviews whether intended originally for general or professional audiences communicate a passion for music rooted in a North American culture and place informed by long and loving familiarity with masterpieces from elsewhere Also included are alternative versions of the early life of Glenn Gould proofs of the existence of musical life in Toronto and some questions still unanswered The Canadian Encyclopedia James H. Marsh, 1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and

READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada

**Canadian Music of the Twentieth Century** George Alfred Proctor, 1980      **Growing with Canada** Paul Helmer, 2009-11 During the second half of the twentieth century musical life in Canada flourished as never before due in large measure to a generation of European migrants who worked to establish a uniquely Canadian culture of classical music by teaching performing and composing in the key of Canada

**Women in Music** Karin Pendle, Melinda Boyd, 2012-07-26 Women in Music A Research and Information Guide is an annotated bibliography emerging from more than twenty five years of feminist scholarship on music This book testifies to the great variety of subjects and approaches represented in over two decades of published writings on women their work and the important roles that feminist outlooks

have played in formerly male oriented academic scholarship or journalistic musings on women and music *Canada and the End of Empire* Phillip Alfred Buckner, 2005 Sir John Seeley once wrote that the British Empire was acquired in a fit of absence of mind Whatever the truth of this comment it is certainly arguable that the Empire was dismantled in such a fit This collection deals with a neglected subject in post Confederation Canadian history the implications to Canada and Canadians of British decolonization and the end of empire Canada and the End of Empire looks at Canadian diplomatic relations with the United Kingdom and the United States the Suez crisis the changing economic relationship with Great Britain in the 1950s and 1960s the role of educational and cultural institutions in maintaining the British connection the royal tour of 1959 the decision to adopt a new flag in 1964 the efforts to find a formula for repatriating the constitution the Canadianization of the Royal Canadian Navy and the attitude of First Nations to the changed nature of the Anglo Canadian relationship Historians in Commonwealth countries tend to view the end of British rule from a nationalist perspective Canada and the End of Empire challenges this view and demonstrates the centrality of imperial history in Canadian historiography An important addition to the growing canon of empire studies and imperial history this book will be of interest to historians of the Commonwealth and to scholars and students interested in the relationship between colonialism and nationalism **Elmer Iseler** Walter Pitman, 2008-07-28 Includes bibliographical references p 321 345 and index **A History of the Austrian Migration to Canada** Frederick C. Engelmann, Manfred Prokop, Franz A. J. Szabo, 1996 Canadians of Austrian origin have helped define the Canadian cultural mosaic of the 20th century making important contributions to their adopted home in virtually every field from cultural and intellectual to scientific and commercial Yet they seldom appear as a definable group in the Canadian ethnic spectrum or in the literature relating to it This threshold publication is one of two to emerge from an interdisciplinary research project undertaken during 1994 and 1995 to commemorate the millennium of Austria in 1996 The first major study in any language of Austrian migration to Canada it documents the whole Austrian immigrant experience combining new archival research extensive personal interviews conducted across Canada and a nation wide survey of Austrian Canadians Nine scholars from Austria and Canada bring together the diverse themes of this complex experience their work recounts the history of the some 70 000 Austrian migrants and refugees who have found their place in the Canadian family tree The companion to this volume is entitled Austrian Immigration to Canada Selected Essays **Lifeline for Children's Choir Directors** Jean Ashworth Bartle, 1993 A repertoire resource textbook for building children s choirs Lifeline for Children s Choir Directors offers extensive repertoire lists as well as perceptive text from one of the foremost experts in the field of children s choir A useful tool for school community and church based groups **The Tower of Babble** Richard Stursberg, 2012 A Globe and Mail top 100 book of 2012 The ultimate CBC insider exposes the controversies successes and dead ends of his time at the top In 2004 CBC television had sunk to its lowest audience share in its history That same year Richard Stursberg an avowed popularizer with a reputation for radical action was hired to run English services With incisive

wit Stursberg tells the story of the struggle that resulted a struggle that lasted for six turbulent and controversial years Shortly after Stursberg arrived the corporation locked out its employees for two months Four years later he signed the most harmonious labour contract to date He lost the television rights for the 2010 and 2012 Olympic Games He won the biggest NHL contract in history He had unprecedented ratings successes He had terrible flops He enjoyed the best radio television and online ratings in CBC s history He fought endless wars with the CBC president and board about the direction of the corporation and ultimately was dismissed This is the story of our most loved and reviled cultural institution during its most convulsive and far reaching period of change It is for those who think the CBC has lost its way those who love where it is and those who think it should not exist in the first place

**Music Makers** Walter Pitman,2006-02-18 Music Makers examines and celebrates the extraordinary lives of composer Harry Freedman and his partner soloist Mary Morrison Harry with roots in jazz and popular music was a member of the Toronto Symphony Orchestra for 25 years Canada s Composer of the Year in 1979 he has written an enormous repertoire that celebrates Canada and is sung and played around the world After a stellar career in Canada as a popular singer and opera diva Mary became an esteemed exponent of Canadian vocal works She was a prestigious mentor and teacher of young Canadians now appearing on famous opera stages worldwide She received the League of Composers Music Citation in 1968 and won Canada s major award as Opera Educator in 2002

**Blake Set to Music** Donald Fitch,2023-11-15 Blake Set to Music A Bibliography of Musical Settings of the Poems and Prose of William Blake by Donald Fitch offers an extensive and meticulously compiled reference work detailing the musical interpretations of William Blake s poetry What began as a casual search in 1976 to fulfill a request for Blake settings for male chorus soon turned into a comprehensive project revealing a surprising gap in musical bibliography While Shakespeare and other poets had well documented musical settings Blake s work had no such resource until now Fitch s research uncovers a fascinating trend the use of Blake s poetry in musical compositions is largely a 20th century phenomenon though it has roots in the late 19th century From Blake himself reportedly singing his poems to original tunes to early settings by musicians like Mary Carmichael in 1876 Fitch traces how Blake s works captured the imagination of composers The bibliography spans amateur and professional musicians encompassing settings for solo voice choirs chamber ensembles and orchestras The book highlights over 250 musical settings of Blake s The Lamb making it the most popular choice among composers while other well loved poems like The Tyger and Spring also appear frequently Interestingly it also explores Blake s influence beyond the English speaking world particularly in post World War II compositions by Scandinavian Russian and European composers Fitch s bibliography not only provides a rich resource for scholars musicians and Blake enthusiasts but also charts a cultural shift As musical tastes evolved so too did the appreciation for Blake s poetic depth with his works being embraced by an ever widening range of composers across the globe This bibliography stands as an essential guide to the diverse and evolving relationship between Blake s visionary poetry and the world of music This title is part of UC Press s Voices Revived program

which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1990     **This Awareness of Beauty** Keith W. Kinder, 2014-07-07 This Awareness of Beauty is the first book to consider the orchestral and wind band music of Canadian composer Healey Willan who was known primarily for his choral work A succinct biography accompanies historical analytical and critical investigations of Willan's instrumental music asserting Willan's seminal place in Canadian music and the significance of his orchestral and wind band music both nationally and internationally Each composition is investigated in chronological order to illustrate the composer's evolution as a creator of instrumental music from his early years in England to his later and more notable accomplishments in Canada Willan's orchestral music may be seen as both a reaction to and a stimulus for the significant improvement in Canadian orchestral performance during the 1930s and 40s a factor in the creation of his large scale compositions including two symphonies and a piano concerto Although much has been written about Willan most of it has centred on his choral work with biography and or musicology as the frame of reference this project considers his instrumental music in terms of performance provides historical context for many of the works included and corrects errors that have crept into the literature
