Environmental Marketing William Winston,Alma T

Mintu-Wimsatt,2013-04-03 *Environmental Marketing Strategies Practice Theory and Research* is a timely resource for the 1990s It examines a broad range of issues that affect environmental behavior while providing materials and guidance to marketing decisionmakers It will guide your organization toward a decidedly green marketing movement toward marketing concepts and tools that not only serve your organization s objectives but preserve and protect the environment as well Environmental Marketing clearly defines the potential roles of organizations consumers and governments and examines how these groups impact environmental factors through the marketing process The book helps you understand alternative perspectives to green marketing issues and in turn enables you to make clearer more conscious decisions toward improving your environmental marketing performance This resourceful text begins by defining the concept of environmental or green marketing and how the idea of a healthy planet and successful marketing strategies can co exist It discusses the consumer s behavior toward environmental products and how marketers can effectively educate them the guidelines involved in doing so and the consequences of failing to do so The marketer s position on environmental changes in industry is examined along with alternatives for striking a balance between marketing objectives and environmental concerns Finally the book discusses the global response to environmental marketing and where multi national organizations belong within this balance Environmental Marketing is a book for all managers involved in decisions impacting the environment It is also of great interest to public policymakers and academics who wish for quick insight into environmental marketing issues *Marketing Financial Services* Mike Wright,Trevor Watkins,2010-02-17 Within a practical business context of the changing competitive climate this book details the implications for marketing strategy New chapters cover topics such as credit cards and customer care while several relevant case studies have also been added Combining analysis of principles concepts and techniques with sound practical advice Marketing Financial Services is ideal for students on degree and postgraduate courses including Chartered Institute of Bankers There is also a tutor resource pack to accompany the case studies in this textbook *Fundable Knowledge* A.D. Van Nostrand,2013-11-05 Knowledge is the basic output of the defense technology establishment in the United States it is what enables the development of weapon systems From this premise this volume explores the process of knowledge production in defense technology from the beginnings of the Cold War to the present time Produced through the process of research and development R D technical knowledge for defense is an economic commodity It is fundable in the sense of having future value Like other commodities in the futures market it is purchased before it is produced But unlike those other commodities this knowledge is typically produced through the joint efforts of the customer and the vendor This study highlights two polar aspects of knowledge production technology development and technology transfer It centers on the present shifting concept of defense conversion that is redefining defense technology policy The book also includes cited documents pertaining to the transactions that engage customers and vendors in the process of

knowledge production The documents constitute a literature of needs and claims and they reveal two chief properties problem formulation and tactical positioning Apart from the substantive yield of these particular documents the strategy of evidence in this volume has broad implications for further study suggesting a means of analyzing knowledge production in other large social systems
