Porat, Lawrence H. Schiffman**

## **Contemporary Antisemitism Canada And The World:**

Contemporary Antisemitism Michael Robert Marrus, Derek Jonathan Penslar, Janice Gross Stein, 2005-01-01 With its combination of voices from both scholarship and leadership and its unique assessment of antisemitism in Canada and the struggle against it Contemporary Antisemitism offers new perspectives on one of the world's most ancient and diffuse hatreds

*A History of Antisemitism in Canada* Ira Robinson, 2015-12-14 This state of the art account gives readers the tools to understand why antisemitism is such a controversial subject It acquaints readers with the ambiguities inherent in the historical relationship between Jews and Christians and shows these ambiguities in play in the unfolding relationship between Jews and Canadians of other religions and ethnicities It examines present relationships in light of history and considers particularly the influence of antisemitism on the social religious and political history of the Canadian Jewish community A History of Antisemitism in Canada builds on the foundation of numerous studies on antisemitism in general and on antisemitism in Canada in particular as well as on the growing body of scholarship in Canadian Jewish studies It attempts to understand the impact of antisemitism on Canada as a whole and is the first comprehensive account of antisemitism and its effect on the Jewish community of Canada The book will be valuable to students and scholars not only of Canadian Jewish studies and Canadian ethnic studies but of Canadian history

*Canada's Jews* Gerald Tulchinsky, 2008-05-24 The history of the Jewish community in Canada says as much about the development of the nation as it does about the Jewish people Spurred on by upheavals in Eastern Europe in the late nineteenth and early twentieth centuries many Jews emigrated to the Dominion of Canada which was then considered little more than a British satellite state Over the ensuing decades as the Canadian Jewish identity was forged Canada itself underwent the transformative experience of separating itself from Britain and distinguishing itself from the United States In this light the Canadian Jewish identity was formulated within the parameters of the emerging Canadian national personality Canada's Jews is an account of this remarkable story as told by one of the leading authors and historians on the Jewish legacy in Canada Drawing on his previous work on the subject Gerald Tulchinsky illuminates the struggle against anti-Semitism and the search for a livelihood amongst the Jewish community He demonstrates that far from being a fragment of the Old World the Canadian Jewry grew from a tiny group of transplanted Europeans to a fully articulated diversified and dynamic national group that defined itself as Canadian while expressing itself in the varied political and social contexts of the Dominion Canada's Jews covers the 240 year period from the beginnings of the Jewish community in the 1760s to the present day illuminating the golden chain of Jewish tradition religion language economy and history as established and renewed in the northern lands With important points about labour immigration and anti-Semitism it is a timely book that offers sober observations about the Jewish experience and its relation to Canadian history

**Racisms in a Multicultural Canada** Augie Fleras, 2014-04-29 In acknowledging the possibility that as the world changes so too does racism this book argues that racism is not disappearing despite claims of living in a post racial and

multicultural world To the contrary racisms persist by transforming into different forms whose intent or effects remain the same to deny and disallow as well as to exclude and exploit Racisms in a Multicultural Canada is organized around the assumption that race is not simply a set of categories and that racism is not just a collection of individuals with bad attitudes Rather racism is as much a matter of interests as of attitudes of property as of prejudice of structural advantage as of personal failing of whiteness as of the other of discourse as of discrimination and of unequal power relations as of bigotry This multi dimensionality of racism complicates the challenge of formulating anti racism and anti colonialist strategies capable of addressing it Employing a critical framework that puts politics and power at the centre of analysis this book focuses on why racisms proliferate how they work in contemporary societies and how the way we think and talk about racism changes over time Specifically it examines the working of contemporary racisms in a multicultural Canada that claims to abide by principles of multiculturalism and a commitment to a post racial society **Israel and the Diaspora: Jewish**

**Connectivity in a Changing World** Robert A. Kenedy, Uzi Rebhun, Carl S. Ehrlich, 2022-05-03 This collected volume is based on the proceedings of a symposium held in 2018 at York University Canada which was held to commemorate the 70th anniversary of Israel This symposium highlighted contemporary Jewish identity Israel Diaspora relations and how Jewish life has been transformed in light of various types of antisemitism The book considers the diasporic Jewish experiences through examining the intersections between various Jewish communities sociologically historically and geographically The text covers world Jewry in general and each of the diaspora and Israeli Jewries more specifically in the context of mutual responsibility but also focuses on areas of tension concerning values and political matters The challenges of antisemitism racism and nationalism are explored in terms of the relationship of the Jewish diasporas to their host countries This text also covers antisemitism which may take the form of traditional antisemitism or of the new antisemitism in the era of anti Israel activity related to the Boycott Divestment and Sanctions movement The latter movement is especially prevalent on university campuses and has an impact on students faculty and staff This volume is unique in its international perspective in examining issues of Jewish identity Israel diaspora relations and antisemitism and will appeal to students and researchers working in the field **Antisemitism in North America** Steven K. Baum, Neil J. Kressel, Florette Cohen, Steven Leonard

Jacobs, 2016-01-27 In Antisemitism in North America the editors have brought together an impressive array of scholars from diverse disciplines and political orientations to assess the condition of the Jews in the United States Canada Mexico and the Caribbean The contributors do not always agree with each other but they offer perspectives of why the Jewish experience in North America has neither been free from antisemitism nor ever so unwelcoming and dangerous as the countries from which they came Contributors examine antisemitism in culture politics religion law and higher education *The Canada-Israel Nexus* Eric Walberg, 2017-11-07 The Canada Israel Nexus is a comparative political history of two settler nations their colonial past their relations with the indigenous peoples on whose territories they created and imposed new states and their

close linkages to former and current imperial powers The battle for justice in the Middle East involves treachery terrorism exile apostasy and yes conspiracy It is the stuff of legend of which Canada Israel and their relationship is a crucial part The conflict of interests and rights between the colonizer and the colonized is central to this narrative as is the relationship between Jews and the state in history and how that relationship was transformed by the creation of a Jewish state The history of Israel Palestine is like an accelerated version of Canada's dispossession of native peoples though with differing endgames ethnic cleansing vs forced assimilation Canada is Israel's best friend not just in former Conservative prime minister Harper's words or when a youthful Lester Pearson pushed through the plan for a separate Jewish state leading to Israel's creation and his own Nobel Peace prize but in many little known and unexpected ways On the other hand Canadians have numbered among the few daring questioners of the Holocaust for which they have paid dearly Not least this book examines the central question of the identity of Jews in Canada will they be just that with a primal loyalty to an Israeli homeland or will they become Jewish Canadians even anti Zionist Canadians melting easily into Canadian popular culture itself replete with the influence of Jewish east European Yiddishkeit

**In Defence of Principles** Andrew S. Thompson, 2010-09-09 Since 9 11 and the onset of the war on terror the principal challenge confronting liberal democracies has been to balance freedom with security and individual with collective rights In *Defence of Principles* sheds new light on the evolution of human rights norms in liberal democracies by charting the activism of four Canadian NGOs on issues of refugee rights hate speech and the death penalty including their use of difficult often controversial legal cases as platforms to assert human rights principles and shape judicial policy making Although human rights principles are often spoken of in absolute terms this book reminds us that they are never certain even in countries that have a vibrant civil society a long tradition of rule of law and a judiciary that possesses the constitutional authority to engage in judicial review The struggles of these NGOs reveal not only the fragility but also the resilience of ideas about rights in liberal democracies

*Varieties of Antisemitism* Murray Baumgarten, Peter Kenez, Bruce Allan Thompson, 2009 The essays in this volume articulate the historical ground on which this artistic exploration of the Holocaust and anti-Semitism depends They also elaborate the spectrum that connects them in terms of their historical location and ideological emphases and thus suggest the ways in which they are connected in terms of rhetorical discourse The essays are governed by the sense that anti-Semitism has not been a unitary experience or event Rather it is its varieties that are explored exactly those aspects that have made it so difficult to grasp and that led to the wide ranging events and murdering methods of the Holocaust Thus the editors eschew the causal explanation of Hitler's Willing Executioners as they seek to provide more nuanced understanding Murray Baumgarten directs the Jewish Studies program at the University of California Santa Cruz Peter Kenez teaches at the University of California Santa Cruz Bruce Thompson is a lecturer in History and Literature at the University of California Santa Cruz

**Transnational Identities and Practices in Canada** Vic Satzewich, Lloyd Wong, 2011-11-01 With contributions from some of Canada's leading

historians political scientists geographers anthropologists and sociologists this collection examines the transnational practices and identities of immigrant and ethnic communities in Canada It looks at why members of these groups maintain ties with their homelands whether real or imagined and how those connections shape individual identities and community organizations How does transnationalism establish or transform geographical social and ideological borders Do homeland ties affect what it means to be Canadian Do they reflect Canada's commitment to multiculturalism Through analysis of the complex forces driving transnationalism this comprehensive study focuses attention on an important and arguably growing dimension of Canadian social life This is the first collection in Canada to provide a comprehensive and interdisciplinary examination of transnationalism It will appeal to scholars and students interested in issues of immigration multiculturalism ethnicity and settlement

**Catalog of the Gerald K. Stone Collection of Judaica** Gerald K. Stone, 2021-01-05 Gerald K. Stone has collected books about Canadian Jewry since the early 1980s This volume is a descriptive catalog of his Judaica collection comprising nearly 6 000 paper or electronic documentary resources in English French Yiddish and Hebrew Logically organized indexed and selectively annotated the catalog is broad in scope covering Jewish Canadian history biography religion literature the Holocaust antisemitism Israel and the Middle East and more An introduction by Richard Menkis discusses the significance of the Catalog and collecting for the study of the Jewish experience in Canada An informative bibliographical resource this book will be of interest to scholars and students of Canadian and North American Jewish studies

*Comprehending and Confronting Antisemitism* Armin Lange, Kerstin Mayerhofer, Dina Porat, Lawrence H. Schiffman, 2019-11-05 This volume provides a compendium of the history of and discourse about antisemitism both as a unique cultural and religious category Antisemitic stereotypes function as religious symbols that express and transmit a belief system of Jew hatred which are stored in the cultural and religious memories of the Western and Muslim worlds migrating freely between Christian Muslim and other religious symbolic systems

Confronting Antisemitism from Perspectives of Philosophy and Social Sciences Armin Lange, Kerstin Mayerhofer, Dina Porat, Lawrence H. Schiffman, 2021-11-08

The five volumes provide a compendium of the history of and discourse about antisemitism both as a unique cultural and religious category Antisemitic stereotypes function as religious symbols that express and transmit a belief system of Jew hatred which are stored in the cultural and religious memories of the Western and Muslim worlds This volume explores the phenomenon from the perspectives of Philosophy and Social Sciences

**Politics and Resentment** Lars Rensmann, Julius H. Schoeps, 2010-10-29 Democratic polities continue to be faced with politics of resentment Along with resurgent counter cosmopolitanism and anti immigrant prejudice various political agents have mobilized old and modernized antisemitism in European democracies The first comparative study of its kind this book rigorously examines the contemporary relevance of antisemitism and other politicized resentments in the context of the European Union and beyond Presenting new approaches and state of the art research by leading authorities in the field the volume combines comparative

work and political theorizing with ten single country studies using qualitative and quantitative data from Eastern and Western Europe The result is a new and sober set of arguments and findings demonstrating that antisemitism and counter cosmopolitan resentment are still all too present human rights challenges in today s cosmopolitan Europe     Advocating for Palestine in Canada Emily Regan Wills,2022-05-31T00:00:00Z Why is it so difficult to advocate for Palestine in Canada and what can we learn from the movement s successes This account of Palestine solidarity activism in Canada grapples with these questions through a wide ranging exploration of the movement s different actors approaches and fields of engagement along with its connections to different national and transnational struggles against racism imperialism and colonialism Led by a coalition of students labour unions church groups left wing activists progressive presses human rights organizations academic associations and Palestinian and Jewish community groups Palestine solidarity activism is on the rise in Canada and Canadians are more aware of the issues than ever before Palestine solidarity activists are also under siege as never before The movement advocating for Palestinian rights is forced to contend with relentless political condemnation media blackouts administrative roadblocks coordinated smear campaigns individual threats legal intimidation and institutional silencing Through this book and the experiences of the contributing authors in it many seasoned veterans of the movement Advocating for Palestine in Canada offers an indispensable and often first hand view into the complex social and historical forces at work in one of our era s most urgent debates and one which could determine the course of what it means to be Canadian going forward     **Confronting Allo-Semitism in Europe** Eliezer Ben-Rafael,2014-04-17 Only a few decades after the Holocaust Belgian Jews like most European Jewries are under the attack of forces stemming from a variety of sources How do they confront and stand these new hardships Research done all over Europe from 2012 through 2013 tried to answer this question Among the cases investigated the Belgian Jewry is one of the most interesting It is both versatile and representative revealing essential components of the general experience of European Jews today Conceptual considerations pave the way to the study of their plight that has been by any criterion anything but usual Belgian Jews it appears are like many other Jewries in Europe but a little more They highlight the question is allo-Semitism at all surmountable     Religion and Higher Education in Europe and North America Kristin Aune,Jacqueline Stevenson,2016-12-01 Religion and Higher Education in Europe and North America illuminates the experiences of staff and students in higher education as they negotiate the university environment Religious extremism has been rising across Europe whilst recent attacks have thrown public debate around the place of religion on campus the role of universities in recognising and managing religious fundamentalism and freedom of speech on campus into sharper focus Despite these debates research exploring religion on campus has been largely absent from discourse on higher education outside of America with policy and practices designed to deal with religion on campus largely founded on supposition rather than evidence This book speaks into that void including results from recent studies in the field which form an empirically grounded base from a broad variety of perspectives on

religion at universities Aiming to offer a deeper perspective more dialogue and engagement on the experiences of students Religion and Higher Education in Europe and North America presents us not only with an opportunity to counter growing trends of intolerance but for people to connect with the humanity of others Focusing on what research reveals about staff and students experiences it incorporates research from different academic disciplines including sociology education social policy theology and religious studies and across different faith and belief groups This thought provoking and challenging volume features chapters written by researchers involved in informing policy and practice relating to religion and belief in higher education in the UK US Canada France and the Netherlands Spanning the academic practitioner divide students and academics interested in the sociology of religion and of higher education as well as those responsible for the practical management of campus life will find this text of particular importance

**Civil Courage** Naomi Kramer, 2007 If we are responsible educators the causes of the Holocaust must be addressed in order to prevent future genocide Contemporary Jewish Identity Emanuele Ottolenghi and Mark Weitzman examine contemporary antisemitism in Europe and North America respectively Michael Pollan reflects upon Jewish identity from the unique perspective of a young Jew who worked as a civil servant for the Austrian government in a program designed to acknowledge Austria's role as a perpetrator of the Shoah Testimony Firsthand testimony will soon be available only in memoirs or recorded oral histories In the future second and subsequent generations must speak as witnesses Sheldon Schreter a grandchild of Holocaust victims describes a visit with his four sons to Sighet Romania his parents birthplace and struggles with the question of Why The prevention of genocide is in large measure dependent upon the good will and intervention of citizens living in modern cultures

**American Jewish Year Book 2012** Arnold Dashefsky, Ira Sheskin, 2012-12-09 The 2012 American Jewish Year Book The Annual Record of American Jewish Civilization contains major chapters on Jewish secularism Barry Kosmin and Ariela Keysar Canadian Jewry Morton Weinfeld David Koffman and Randal Schnoor national affairs Ethan Felson Jewish communal affairs Lawrence Grossman Jewish population in the United States Ira Sheskin and Arnold Dashefsky and World Jewish population Sergio DellaPergola These chapters provide insight into major trends in the North American and world Jewish community The volume also acts as a resource for the American Jewish community and for academics studying that community by supplying obituaries and lists of Jewish Federations Jewish Community Centers national Jewish organizations Jewish overnight camps Jewish museums Holocaust museums local and national Jewish periodicals Jewish honorees major recent events in the American Jewish community and academic journals articles websites and books The volume should prove useful to social scientists and historians of the American Jewish community Jewish communal workers the press and others interested in American and Canadian Jews

**Anti-Semitism** Avner Falk, 2008-06-30 In the summer of 2006 the author received a message that read Love the Nazis and KILL THE JEWS DEAD And that was the trigger that launched internationally known scholar Falk into work on this book Anti-Semitism has once again become a worldwide phenomenon growing largely during the last

decade of the 20th century and the early years of the 21st Among the spurs for this are the migration of Muslim populations and the ongoing Israeli Arab wars In this far reaching and comprehensive volume Falk delves deeply into the current events history and literature on anti Semitism integrating insights from psychology sociology anthropology psychoanalysis and political science The result is an absorbing exploration of one of the oldest scourges of humanity spotlighting the irrational and unconscious causes of anti Semitism In the summer of 2006 the author received a message that read Love the Nazis and KILL THE JEWS DEAD And that was the trigger that launched internationally known scholar Avner Falk into work on this book Anti Semitism has once again become a worldwide phenomenon growing largely during the last decade of the twentieth century and the early years of the twenty first Among the spurs for this are migration of Muslim populations and the ongoing Israeli Arab wars In this far reaching and comprehensive volume Falk delves deeply into the current events history and literature on anti Semitism integrating insights from psychology sociology anthropology psychoanalysis and political science The result is an absorbing exploration of one of the oldest scourges of humanity spotlighting the irrational and unconscious causes of anti Semitism This book also features chapters on the psychodynamics of racism fascism Nazism and the dark tragic and unconscious processes both individual and collective that led to the Shoah Holocaust denial and its psychological motives as well as insights into the physical and psychological survival strategies of Holocaust survivors are explored in depth There are also chapters on scientific anti Semitism including eugenics

## Contemporary Antisemitism Canada And The World Introduction

In today's digital age, the availability of Contemporary Antisemitism Canada And The World books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Contemporary Antisemitism Canada And The World books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Contemporary Antisemitism Canada And The World books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Contemporary Antisemitism Canada And The World versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Contemporary Antisemitism Canada And The World books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Contemporary Antisemitism Canada And The World books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Contemporary Antisemitism Canada And The World books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them

accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Contemporary Antisemitism Canada And The World books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Contemporary Antisemitism Canada And The World books and manuals for download and embark on your journey of knowledge?

### **FAQs About Contemporary Antisemitism Canada And The World Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
