Contemporary British Lettering:

Contemporary British Lettering, 1984 *Pastoral Care through Letters in the British Atlantic* Alison Searle, 2023-09-14

Choosing the right words is itself an act of caregiving Centring on correspondence archives allows pastoral letters to be analysed as a distinct literary genre that contributed in complex ways to early modern practices of caregiving negotiating political oppression geographical isolation and colonial experimentation Forms of care were solicited given and received through the material technology of the letter as a literary artefact The exchange of letters created new bureaucratic and pastoral structures and entanglements between Protestant believers and others across the British Atlantic and reveals the contentious balance between care and cure within early modern communities Pastoral care involves exercising power epistolary exchanges sustain exploit shape and distort the spiritual and material wellbeing of individuals and communities in a landscape fissured by religious division enslavement and imperial expansion **Republics of Letters** Peter

Kirkpatrick, Professor Robert Dixon, 2018-08-30 *Republics of Letters* Literary Communities in Australia is the first book to explore the notion of literary community or literary sociability in relation to Australian literature Persian Letters

Montesquieu, 2014-09-03 A classic work of the European Enlightenment and one of the most popular if scandalous in its day the *Persian Letters* captures in an engaging epistolary format the transformational spirit of the era Amid an ongoing tale rife with sex violence and wit the work addresses a diverse range of topics from human nature and the origins of society to the nature and role of religious belief the role of women statecraft justice morality and human identity With skill and artistry Raymond MacKenzie's stunning new translation accurately reflects the mood and character of the work In his richly conceived Introduction MacKenzie seamlessly weaves together an overview of the period with details of Montesquieu's life including the influences that inspired the *Persian Letters* the character and power of the book and its reception This edition also includes a Calendar of the *Persian Letters* a Bibliography of Works in English and a Bibliography of Works in French Related texts provide insight into the legacy of the *Persian Letters* They include selections from works by George Lyttelton Voltaire Oliver Goldsmith and Maria Edgeworth **Colonialism, World Literature, and the Making of the Modern**

Culture of Letters Baidik Bhattacharya, 2024-02-08 In a radical and ambitious reconceptualization of the field this book argues that global literary culture since the eighteenth century was fundamentally shaped by colonial histories It offers a comprehensive account of the colonial inception of the literary sovereign how the realm of literature was thought to be separate from history and politics and then follows that narrative through a wide array of different cultures multilingual archives and geographical locations Providing close studies of colonial archives German philosophy of aesthetics French realist novels and English literary history this book shows how colonialism shaped and reshaped modern literary cultures in decisive ways It breaks fresh ground across disciplines such as literary studies anthropology history and philosophy and invites one to rethink the history of literature in a new light The Collected Letters of Joseph Conrad Joseph

Conrad,1983-09 This is the second of the projected eight volume edition comprising all the surviving letters of Joseph Conrad Once completed the edition will have assembled over 3 500 letters one third of them as yet unpublished and many others only published before in inaccurate versions The period covered by this volume 1898 1902 was one of considerable achievement and anxiety for Conrad The birth of his first child the death of Stephen Crane the murder of a friend s son an encounter with an early X ray machine imperial wars in Cuba and South Africa these events forced Conrad to face the problems of identity in terms of family nation history and the cosmic order This is also the period of Youth Amy Foster Typhoon Lord Jim and Heart of Darkness Often funny always thoughtful full of verbal energy even in the toils of severe depression the letters in Volume Two present Conrad at a crucial though vulnerable moment of his life and literary career Publisher s description of v 2 Letters of Blood and Other Works in English Göran Printz-Påhlson,2011 This collection brings together for the first time select works in English by the major Swedish modernist poet and critic Goran Printz Pahlson It was Printz Pahlson who introduced poetic modernism to Scandinavia and his essays and poems delve deeply into English American and continental modernist traditions As well as Letters of Blood the collection includes the full text of The Words of the Tribe a major statement on modern poetics in which Printz Pahlson explores the significance of primitivism in Romanticism and Modernism and the nature of metaphor and literary materialism The collection also includes essays on style irony realism and the relationship between historical drama and historical fiction as well as studies of American poetry Printz Pahlson s poetry in English continues to explore these themes by different often surprisingly innovative means Minor edits to this book have been made in May 2016 **Modern Men of Letters Honestly Criticised** James Hain Friswell,1870
