Customs In Conflict The Anthropology Of A Changing World:

Customs in Conflict Frank E. Manning, Jean-Marc Philibert, 1990 This collection designed as a textbook for courses in cultural anthropology combines a wide range of articles on both traditional and modern Western societies Drawing on various approaches from American symbolic anthropology to British social anthropology and cultural Marxism the book explores many of the most important issues in anthropology today such as the links between symbolism and power and the question of social and cultural reproduction Back cover

History, Power, and Identity Jonathan D. Hill, 1996-06 A collection of essays on indigenous South and North American and Afro American peoples in periods ranging from early colonial times to the present illustrating the historical emergence of peoples who define themselves in relation to a sociocultural and linguistic heritage Demonstrates that ethnogenesis can serve as an analytical tool for developing critical historical approaches to culture as an ongoing process of struggle over a people's existence within a general history of domination Paper edition unseen 15 95 Annotation copyright by Book News Inc Portland OR

Violence, Society, and the Church Gerald A. Arbuckle, 2004 The reality of violence and the fear it generates is constantly in the news Terrorist attacks across the world and other abuses of power such as the sexual abuses in the Catholic Church the continuance of patriarchalism racism and the negative effects of globalization highlight the relevance of this book Here the author uniquely explains these forms of violence in the wider context of their cultural roots

Ritual and Remembrance in the Ecuadorian Andes Rachel Corr, 2010-03-15 Not every world culture that has battled colonization has suffered or died In the Ecuadorian Andean parish of Salasaca the indigenous culture has stayed true to itself and its surroundings for centuries while adapting to each new situation Today indigenous Salascans continue to devote a large part of their lives to their distinctive practices both community rituals and individual behaviors while living side by side with white mestizo culture In this book Rachel Corr provides a knowledgeable account of the Salasacan religion and rituals and their respective histories Based on eighteen years of fieldwork in Salasaca as well as extensive research in Church archives including never before published documents Corr's book illuminates how Salasacan culture adapted to Catholic traditions and recentered reinterpreted and even reshaped them to serve similarly motivated Salasacan practices demonstrating the link between formal and folk Catholicism and pre Columbian beliefs and practices Corr also explores the intense connection between the local Salasacan rituals and the mountain landscapes around them from peak to valley Ritual and Remembrance in the Ecuadorian Andes is in its portrayal of Salasacan religious culture both thorough and all encompassing Sections of the book cover everything from the performance of death rituals to stories about Amazonia as Salascans interacted with outsiders conquistadors and camera toting tourists alike Corr also investigates the role of shamanism in modern Salasacan culture including shamanic powers and mountain spirits and the use of reshaped Andeanized Catholicism to sustain collective memory Through its unique insider's perspective of Salasacan spirituality Ritual and Remembrance in the Ecuadorian Andes
