

CUSTOMS AND FOLKWAYS OF JEWISH LIFE

(ORIGINAL TITLE: THE HOLY AND THE PROFANE)

Theodor H. Gaster

Customs Folkways Of Jewish Life

Benjamin Nathans, Gabriella Safran

Customs Folkways Of Jewish Life:

Customs and Folkways of Jewish Life Theodor Herzl Gaster,1955 **Living Traditions** Itzik Becher,1993 **Jewish Life and American Culture** Sylvia Barack Fishman,2012-02-01 Jews in the United States are uniquely American in their connections to Jewish religion and ethnicity Sylvia Barack Fishman in her groundbreaking book Jewish Life and American Culture shows that contemporary Jews have created a hybrid new form of Judaism merging American values and behaviors with those from historical Jewish traditions Fishman introduces a new concept called coalescence an adaptation technique through which Jews merge American and Jewish elements Analyzing the increasingly permeable boundaries in the ethnic identity construction of Jewish and non Jewish Americans she suggests that during the process of coalescence Jews combine the texts of American and Jewish cultures losing track of their dissonance and perceiving them as a unified Jewish whole The author generates data from diverse sources in the social sciences and humanities including the 1990 National Jewish Population Survey and other statistical studies interviews and focus groups popular and material culture literature and film to demonstrate the pervasiveness of coalescence The book pays special attention to gender issues and the relationship of women to their Jewish and American identities A blend of lively narrative and scholarly detail this book includes useful tables accessible figures and models and fascinating illustrations which present the educational occupational and behavioral patterns of American Jews organizational profiles family formation religious observance and the impact of Jewish education

Jewish Laws, Customs & Traditions Kalman Dubov,2021-12-12 In civilian and military Jewish communities together with recent voyages on the high seas I had the privilege of preparing writing and presenting topics of relevance to Jewish persons These opportunities were a special privilege and I took extra care when I put ideas to paper It was also a thrill to present these topics to the very different communities I was privileged to lead and for them to benefit from this material This book begins with an outline of Jewish symbolism and faith followed by how our perceptions have changed over time as practiced by the Jewish community The main section is on the topic of the Jewish Life Cycle reviewing how life milestones are celebrated in the Jewish community from birth through death These traditions and practices are presented from the Ashkenazic tradition rather than from the Sephardic one The majority of Jews in the United States derive from and practice the Ashkenazic rite though Sephardic traditions are present as well I have roots in the Sephardic heritage but since the Spanish Expulsion in 1492 those traditions were gradually lost and melded into the Ashkenazic communities and practices I am therefore more aware of Ashkenazic traditions and focus on this rite exclusively I also include a reflection on the Bar Bat Mitzvah how the younger generation assumes responsibility by becoming full members of the Jewish community The Study of Vexillology on flags is a brief review how flags were used in the ancient and modern Jewish communities together with their descriptions The last two sections are scholarly expositions The first is on the Mystic View of God and how Jewish mysticism imbues meaning into spirituality with the awareness of mystic ideas in Jewish belief The second topic reflects on the idea of

God's five purchases each of which provides insight into Jewish belief into how we relate to Deity I conclude with a tribute to Robert Certain a man I knew at the United States Air Force Academy He was a prisoner of war at the Hanoi Hilton and offers a perspective of the World as it Really Is versus the World as it Should Be These poignant words reflect our place in the universe and how we go about daily life *Encyclopedia of Jewish Folklore and Traditions* Raphael Patai, 2015-03-26 This multicultural reference work on Jewish folklore legends customs and other elements of folklife is the first of its kind *The Posen Library of Jewish Culture and Civilization, Volume 8* Todd M. Endelman, Zvi Gitelman, Deborah Dash Moore, 2020-04-07 The eighth volume in a landmark series this anthology of Jewish culture and civilization encompasses the period between the world wars An anthology of Jewish culture between the world wars the editors selections convey the variety breadth and depth of Jewish creativity in those tempestuous decades Despite or perhaps because of external threats Jews fought vigorously over religion politics migration and their own relation to the state and to one another The texts translated from many languages span a wide range of politics culture literature and art This collection examines what was simultaneously a tense and innovative period in modern Jewish history Israeli Society: Cultural Traditions and Religious Practices in Israel Lily Adams, Dive deep into the vibrant tapestry of Jewish life in Israel with this insightful and engaging exploration This book delves into the rich cultural traditions religious practices and evolving identity of Israeli Jews offering a captivating look at a society shaped by history faith and a unique spirit of resilience From the sacred land of Israel to the diverse communities that call it home you'll discover the intricate threads that weave together the fabric of Israeli Jewish life Explore the historical influences the interplay of religious observance and secularism the intimate rituals that define family and community and the impact of the Israeli military experience on a nation forged in conflict Discover the vibrant tapestry of Israeli Jewish culture from the joyful celebrations of holidays to the unique flavors of cuisine and the enduring spirit of a people deeply rooted in tradition yet constantly evolving This book is a must read for anyone seeking to understand the complexities of Jewish life in the modern world offering a captivating journey through a society where faith tradition and identity intertwine in a dynamic and ever evolving landscape **When a Jew Dies** Samuel C. Heilman, 2001 Samuel Heilman has walked the mourner's path both as an anthropologist observing the socio cultural death practices of the Jewish community and as a bereaved son grieving the loss of a beloved father In the wake of his successful navigation through these two worlds academic and personal he presents an acute understanding of the detailed intricacies of the cycle of Jewish rituals from deathbed to burial from mourning to memorialization Heilman emerges from his journey through grief with a wise and seasoned appreciation of the symbols and practices which are at the foundation of Jewish life and culture When a Jew Dies provides an insightful roadmap to the subtle and profound vicissitudes of grief in the Jewish tradition For mourner and scholar alike this is a book to be savored a friend to walk with a companion with which to explore the reality of the walk through the valley of the shadow of death Simcha Raphael author of Jewish Views of the Afterlife Heilman has an unusually keen sense of perception

and ability to put everything into an almost universal social scientific perspective while at the same time retaining his personal ties thought and feelings As in his previous work he here examines something that almost every traditional Jew is familiar with and gives it new perspectives and new meaning When a Jew Dies includes significant discussion of prevalent customs and the Jewish bases for them The author's particularistic universalistic synthesis as well as his deeply rooted personal scholarly synthesis set this book apart from all others Chaim I Waxman Professor of Sociology at Rutgers University and author of America's Jews in Transition Heilman offers a unique synthesis of historical scholarship and ethnographic description in this rich account of the complex processes by which Judaism brings the dying to the end of life and the mourning to the end of grief and a return to life This is as far as I know the only study combining the legal historical social historical and ethnographic perspectives in a single volume It offers a remarkable glimpse of how one sector of contemporary Jewry confronts the reality of death and transfigures it Martin S Jaffee author of Torah in the Mouth

Living a Jewish Life, Updated and Revised Edition Anita Diamant, Howard Cooper, 2007-02-27 Living a Jewish Life describes Judaism as not just a contemplative or abstract system of thought but as a blueprint for living fully and honorably This new edition builds on the classic guide which has been a favorite among Jewish educators and students for years Enriched with additional resources including online resources this updated guide also references recent changes in the modern Jewish community and has served as a resource and guide for non Jews as well as Jews Addressing the choices posed by the modern world Living a Jewish Life explains the traditions and beliefs of Judaism in the context of real life It explores the spectrum of liberal Jewish thought from Conservative to Reconstructionist to Reform as well as unaffiliated new age and secular Celebrating the diversity of Jewish beliefs this guide provides information in ways that readers can choose how to incorporate Judaism into their lives Readers will learn how to choose the right synagogue and discover the meaning and significance of lighting Sabbath candles Shabbat Torah kosher mitzvah and other key words are all defined in all of their complex and potent meanings On the most basic level this book explains the essential Jewish vocabulary but more importantly LIVING A JEWISH LIFE is a sensitive and comprehensive introduction that reveals the timeless nature of Jewish tradition rich with history and relevant in the modern world

Encyclopedia of Judaism Sara E. Karesh, Mitchell M. Hurvitz, 2005 An illustrated A to Z reference containing over 800 entries providing information on the theology people historical events institutions and movements related to the religion of Judaism

Culture Front Benjamin Nathans, Gabriella Safran, 2014-06-09 For most of the last four centuries the broad expanse of territory between the Baltic and the Black Seas known since the Enlightenment as Eastern Europe has been home to the world's largest Jewish population The Jews of Poland Russia Lithuania Galicia Romania and Ukraine were prodigious generators of modern Jewish culture Their volatile blend of religious traditionalism and precocious quests for collective self emancipation lies at the heart of Culture Front This volume brings together contributions by both historians and literary scholars to take readers on a journey across the cultural history of East

European Jewry from the mid seventeenth century to the present The articles collected here explore how Jews and their Slavic neighbors produced and consumed imaginative representations of Jewish life in chronicles plays novels poetry memoirs museums and more The book puts culture at the forefront of analysis treating verbal artistry itself as a kind of frontier through which Jews and Slavs imagined experienced and negotiated with themselves and each other The four sections investigate the distinctive themes of that frontier violence and civility popular culture politics and aesthetics and memory The result is a fresh exploration of ideas and movements that helped change the landscape of modern Jewish history

American Jewish History Gary Phillip Zola, Marc Dollinger, 2014-11-04 Presenting the American Jewish historical experience from its communal beginnings to the present through documents photographs and other illustrations many of which have never before been published this entirely new collection of source materials complements existing textbooks on American Jewish history with an organization and pedagogy that reflect the latest historiographical trends and the most creative teaching approaches Ten chapters organized chronologically include source materials that highlight the major thematic questions of each era and tell many stories about what it was like to immigrate and acculturate to American life practice different forms of Judaism engage with the larger political economic and social cultures that surrounded American Jews and offer assistance to Jews in need around the world At the beginning of each chapter the editors provide a brief historical overview highlighting some of the most important developments in both American and American Jewish history during that particular era Source materials in the collection are preceded by short headnotes that orient readers to the documents historical context and significance *Customs and Folkways of Jewish Life [by] Theodor H. Gaster* Theodor Herzl Gaster,

Dynamic Judaism Emanuel Goldsmith, Mel Scult, 2024-10-22 Available in a new digital edition with reflowable text suitable for e readers Mordecai M Kaplan was born in a small Lithuanian town on the outskirts of Vilna on a Friday evening in June of 1881 Kaplan was raised in a predominately Jewish atmosphere which is shown by the fact that he knew his day of birth only by the Jewish calendar until he went to the New York Public Library as a young man to look up the corresponding date His family was extremely traditional and his father Israel Kaplan was a learned man Kaplan s concept of Judaism as an evolving religious civilization was widely influential in 20th century American Jewish life and his founding of the Reconstructionist Rabbinical College created a new denomination This book contains a biographical essay and excerpts from all of his major works **The Posen Library of Jewish Culture and Civilization, Volume 9** Samuel D.

Kassow, David G. Roskies, 2020-11-24 The Posen Library s groundbreaking anthology series called a feast of Jewish culture in ten volumes by the Chronicle of Higher Education explores in Volume 9 global Jewish responses to the years 1939 to 1973 a time of unprecedented destruction dislocation agency and creativity An extensive look at Jewish civilization and culture from the eve of World War II to the Yom Kippur War It s a weighty collection to be sure but one that s consistently engaging An edifying and diverse survey of 20th century Jewish life Kirkus Reviews starred review Readers seeking primary texts

documents images and artifacts constituting Jewish culture and civilization will not be disappointed More important they might even be inspired This set will serve to improve teaching and research in Jewish studies at institutions of higher learning and at the same time promote maintain and improve understanding of the Jewish population and Judaism in general Booklist starred review The ninth volume of The Posen Library of Jewish Culture and Civilization covers the years 1939 to 1973 a period that editors Kassow and Roskies call one of the most tragic and dramatic in Jewish history Organized geographically and then by genre this book details Jewish cultural and intellectual resources throughout this era particularly in political thought literature the visual and performing arts and religion This volume explores worldwide Jewish perceptions of momentous events that transpired in the mid twentieth century and how Jews redefined themselves across regions throughout an era rife with tragedy displacement and dispersion The breadth and depth of this work goes beyond any comparable collection with detailed insights and sharp focus to accompany its breathtaking scope A major ten volume anthology project more than a decade in the making the Posen Library is an ideal reference tool for scholars teachers and students at all levels

Judaism as a Civilization Mordecai M. Kaplan,2010 A transformative work on modern Judaism
Contemporary Humanistic Judaism Ada Chalom,2025 **Revisioning Ritual** Simon J. Bronner,2011-09-30 A fascinating analysis of how the study of ritual is critical to illuminating what is Jewish about Jewishness
The Jewish Family in Global Perspective Harriet Hartman,2024-07-01 This book contains a collection of chapters about the Jewish family across different parts of the world with contributions representing Africa Ivory Coast and Ethiopia Latin America Australia Europe Germany Russia Israel Canada Indian families in Canada and a comparative chapter of Ba a lot Teshuva in the US and Argentina Where much existing research and literature on the dynamic process of intermarriage and Jewish family life has taken primarily a historical approach here the authors together present a broad global comparative approach The book uses an open systems model to organize comparisons between Jewish families the world over Each case study focuses on Jewish family life in a particular country or region of the world and taken together cover an extensive range of topics including but not limited to demographic and socio economic description of the Jewish families immigration patterns family roles family engagement in Jewish life marriage formation interfaith families same sex couples parenting surveying the extant research and or reporting on new research about contemporary families within the historical context The book therefore presents a novel framework for understanding the variations in Jewish families to highlight what Jewish families the world over have in common whether within the microsystem of the family or in the family s relationships with the environment as well as using the open systems model to explain main types of difference between the various regions

The Shengold Jewish Encyclopedia Mordecai Schreiber,2011-12-01 First published in 1957 this one volume source for everything Jewish has delighted and instructed several generations in the English speaking Jewish world Fully updated through 2007 it provides snapshots and in depth entries on every important Jewish personality place concept event and value

in Israel the United States and all other parts of the world
