Cyclone Taylor:

Deceptions and Doublecross Morey Holzman, Joseph Nieforth, 2002-10-01 Hockey lovers will be fascinated by the truth about how the National Hockey League was founded and how through less than savory means it captured permanent possession of the Stanley Cup Deceptions and Doublecross begins with the 1917 conspiracy among a Montreal contingent of the National Hockey Association to oust Toronto owner Edward James Livingstone from the league The result was the transformation of the NHA into the NHL with Frank Calder as president leaving Livingstone out in the cold Under Calder's iron fisted direction the NHL became the only major hockey league in North America and gained exclusive claim to the Stanley Cup

A Great Game Stephen Harper, 2014-10-21 History of the game of hockey and the teams who pursued the first Stanley Cup during the early 1900's

Citizen Docker Andrew Parnaby, 2008-01-01 After the First World War many Canadians were concerned with the possibility of national regeneration Progressive minded politicians academics church leaders and social reformers turned increasingly to the state for solutions Yet as significant as the state was in articulating and instituting a new morality outside actors such as employers were active in pursuing reform agendas as well taking aim at the welfare of the family citizen and nation Citizen Docker considers this trend focusing on the Vancouver waterfront as a case in point After the war waterfront employers embarked on an ambitious program welfare

capitalism to ease industrial relations increase the efficiency of the port and ultimately recondition longshoremen themselves Andrew Parnaby considers these reforms as a microcosm of the process of accommodation between labour and capital that affected Canadian society as a whole in the 1920s and 1930s By creating a new sense of entitlement among waterfront workers one that could not be satisfied by employers during the Great Depression welfare capitalism played an important role in the cultural transformation that took place after the Second World War Encompassing labour and gender history aboriginal studies and the study of state formation Citizen Docker examines the deep shift in the aspirations of working people and the implications that shift had on Canadian society in the interwar years and beyond **Harry Livingstone's**

Forgotten Men Dan Black, 2019-10-01 During the WWI more than 80 000 Chinese labourers were secretly transported from China across Canada to the Western Front where they built bridges and roads repaired tanks unloaded supplies and then after the war cleaned up the grisly battlefields Though the use of Chinese labourers for the war has been known the story of their journey and their work and the role of Canadians in recruiting and transporting them has not been fully told until now In *Veil of Secrecy* Dan Black describes the perilous journey taken by the Chinese labourers from their remote villages in China across the North Pacific the vast country of Canada from Vancouver to Halifax and across the North Atlantic to the battlefields of Europe and then back again For political reasons and to prevent them from escaping the Chinese labourers were locked into cattle cars and forbidden to disembark during the journey The Canadian public too was kept in the dark about the trains But their experience is indelibly evident in graves across the country from Vancouver Island to Thunder Bay and Petawawa to Halifax One Canadian plays a central role in this story Captain Harry Livingstone a small town doctor from Listowel Ontario Livingstone joined the Canadian Army Medical Corps in 1917 at the age of 28 His first assignment was to go to northeast China to a recruitment depot where he examined poor young Chinese men to ensure they were fit for service He later joined them on their journey across the North Pacific to a quarantine station on Canada's West Coast Drawing on the diaries written by Livingstone and the letters of the Canadian missionaries who served as temporary officers with the corps in Europe Dan Black traces the experience of the Chinese Labour Corps and sheds new light on the mistreatment and racism they faced in Canada and in wartime Europe Coast to Coast John Chi-Kit Wong, 2009-07-25 As an institution that helps

bind Canadians to an imagined community hockey has long been associated with an essential Canadian identity However this reductionism ignores the ways Canadians consume hockey differently based on their socio economic background gender ethnicity and location Moreover Canadian culture is not static and hockey's place in it has evolved and changed In *Coast to Coast* a wide range of contributors examine the historical development of hockey across Canada in both rural and urban settings to ask how ideas about hockey have changed Conceptually broad the essays explore identity formation by investigating what hockey meant to Canadians from the nineteenth century to the Second World War as well as the role of government entrepreneurs and voluntary associations in supporting and promoting the game *Coast to Coast* is an intriguing

look at the development of a national sport a must read for hockey fans and historians alike **Letters to His Children from an Uncommon Attorney** David Roberts, 2014-08-26 This memoir was inspired by the author's daughter. He would tell her stories about incidents in his life so she persuaded him to write them down. You must write all this down Dad so they can be read by your grandchildren. And you must get on with it before you die. Some stories are brief half a page others are long twelve pages. It is the sort of book to keep by the bedside and dip into one story at a time. Some stories cover events that occurred when the author was a small boy growing up in England during the war. Some cover incidents while he and his wife were travelling in China Japan France in Canada and in other odd places events that occurred in the neighbourhood in Caulfeild Cove where he and his wife have lived for fifty two years. There are pieces about Haida Gwaii and some about his experiences practising law. The stories range from the funny to the harrowing **Refereeing Identity** Michael Buma, 2012 What national pastime novels tell us about our country *The Legendary Game - Ultimate Hockey Trivia* Tom King, 2010-10 Tom has been researching hockey for the past 35 years. Throughout his passion for hockey *The Legendary Game Ultimate Hockey Trivia* includes more than 1000 trivia facts of the history of hockey covering more than 100 years of Canada's favourite sport. This exciting edition chronicles the feats of everybody from the Hall of Famers to the infamous. The trivial facts include everything from the pros to amateurs to international competitions *Golden Oldies* Brian McFarlane, 2015-10-01 A heartfelt addition to McFarlane's epic canon of hockey writing. From its moving introductory homage to the late Jean Beliveau to its subtle remarkable considerations of how the sport was shaped by legends like Newsy Lalonde Gordie Howe Dick Irvin Sr Ted Kennedy and Hobey Baker to its poignant lament for the untimely death of American hockey hero Badger Bob Johnson *Golden Oldies* is the product of a lifetime love of hockey and a career in the game that spans six decades. *Golden Oldies* explores the life of Sprague Cleghorn a pioneer tough guy who went from the bright lights of Broadway to a boondock in the Ottawa Valley to stardom before and during the first years of the NHL. It follows the trail of Patsy Guzzo and his RCAF mates in 1948 ridiculed at home but rewarded with Olympic gold in Europe. And it chronicles the career ending injuries to Ace Bailey the last Leafs NHL scoring leader the shameful treatment of the Canucks Mike Robitaille and the horrific and near fatal injury suffered by Buffalo goalie Clint Malarchuk. The lighter side of the game is also well represented with laughs aplenty supplied by men like the irrepressible Frank King Clancy and the unpredictable Eddie Clear the Track Shack **The Renfrew Millionaires - The Valley Boys of Winter - 1910** Frank Cosentino, 2016-03-03 It was a time when small towns could still challenge for the Stanley Cup the holy grail of Canadian hockey. The O'Briens of Renfrew Ontario father M J and son Ambrose formed their own league the National Hockey Association owned four of the five teams and founded the Montreal Canadiens. Money appeared to be no object. Top players Lester and Frank Patrick Fred Cyclone Taylor and Newsy Lalonde were paid large salaries with the objective of winning the Cup. The effort fell just short but the NHA continued and morphed into the NHL in 1917 but in 1910 Renfrew was the centre of the hockey universe. The team's

name was the Creamery Kings but a newspaper christened them the Millionaires after the players were paid off in cash before leaving for their trip to New York in what was billed as a world championship tournament The Millionaires won that and were declared world champions

J. Andrew Ross, 2015-05-21 How did a small Canadian regional league come to dominate a North American continental sport *Joining the Clubs* The Business of the National Hockey League to 1945 tells the fascinating story of the game off the ice offering a play by play of cooperation and competition among owners players arenas and spectators that produced a major league business enterprise Ross explores the ways in which the NHL organized itself to maintain long term stability deal with its labor force and adapt its product and structure to the demands of local regional and international markets He argues that sports leagues like the NHL pursued a strategy that responded both to standard commercial incentives and also to consumer demands that the product provide cultural meaning Leagues successfully used the cartel form an ostensibly illegal association of businesses that cooperated to monopolize the market for professional hockey along with a focus on locally branded clubs to manage competition and attract spectators to the sport In addition the NHL had another special challenge unlike other major leagues it was a binational league that had to sell and manage its sport in two different countries *Joining the Clubs* pays close attention to these national differences as well as to the context of a historical period characterized by war and peace by rapid economic growth and dire recession and by the momentous technological and social changes of the modern age
