Lost Soul Chrissy Yacoub, 2009-02-09. Tracy Fletcher's parents are mortified when her boyfriend Adam proposes marriage and she accepts. In an attempt to get Tracy to reconsider, her parents make a deal with her: Have her take a trip to coastal Maine where Victoria, an old friend of Tracy's mother and her son, own a hotel. However, the deal is for Tracy to go without Adam so that she can think this proposal through without any distractions. She takes the deal and her and her two best friends venture off to Maine, unaware that the state's tourism is suffering due to a series of murders taking place in the area. The monster known as the Frightening Finger Fiend is running around murdering married and engaged couples. Upon arrival, Tracy meets Victoria's son, Hunter, and his best friend Zachary, who marvel at the uncanny resemblance Tracy bears to a woman they both loved and lost tragically. The haunting tale of this lost love begins to unfold and Tracy learns it is filled with jealousy, betrayal and murder. Tracy gets closer to Hunter and Zachary just as Adam makes an appearance, having followed her in an obsessive attempt to keep watch on her. His jealousy becomes apparent as he is horrified to learn that Tracy has decided to leave him. Meanwhile, the murders have increased as many more victims are found just beyond the woods. Theories of the murderer being a ghost of a woman seeking vengeance continue to arise. As Tracy and her friends get closer to uncovering the truth behind these brutal slayings, the murderer has selected the next target and they soon learn they are too late.
