surrealism second only to Paris Focusing on these years Sayer explores Prague's spectacular modern buildings monuments paintings books films operas exhibitions and much more A place where the utopian fantasies of the century repeatedly unraveled Prague was tailor made for surrealist Andr Breton's black humor and Sayer discusses the way the city produced unrivaled connoisseurs of grim comedy from Franz Kafka and Jaroslav Hasek to Milan Kundera and Vclav Havel A masterful and unforgettable account of a city where an idling flaneur could just as easily be a secret policeman this book vividly shows why Prague can teach us so much about the twentieth century and what made us who we are *Czech and Slovak Republics* Rob Humphreys,2002 Catch up on the latest from the Czech and Slovak Republics punchy reviews of the best restaurants pubs and accommodations in every town insider's accounts of Prague and Bratislava and tips on everything from clubs to opera productions New background articles on the Romanies racism and the Slovak Romanian problem keep you in touch with the countries as they truly are today Encyclopedia of Twentieth-Century Photography, 3-Volume Set Lynne Warren,2005-11-15 The Encyclopedia of Twentieth Century Photography explores the vast international scope of twentieth century photography and explains that history with a wide ranging interdisciplinary manner This unique approach covers the aesthetic history of photography as an evolving art and documentary form while also recognizing it as a developing technology and cultural force This Encyclopedia presents the important developments movements photographers photographic institutions and theoretical aspects of the field along with information about equipment techniques and practical applications of photography To bring this history alive for the reader the set is illustrated in black and white throughout and each volume contains a color plate section A useful glossary of terms is also included Czech and Slovak Cinema Peter Hames,2010-08-09 This book is the first study in English to examine some of the key themes and traditions of Czech and Slovak cinema linking inter war and post war cinemas together with developments in the post Communist period It examines links between theme genre and visual style and looks at the ways in which a range of styles and traditions has extended across different historical periods and political regimes Czech and Slovak Cinema provides a unique study of areas of Central European film history that have not previously been examined in English **Modern Architecture in Czechoslovakia and Other Writings** Karel Teige,2000 This series offers a range of heretofore unavailable writings in English translation on the subjects of art architecture and aesthetics Teige's principal work on modernism now in English for the first time is supplemented by a selection of his other writings on art and architecture *CZECH MODERNISM*. Jaroslav Anděl,ANNE WILKES TUCKER,1989 **The Inhabited Ruins of Central Europe** D. Gafijczuk,D.
