OF A
GENIUS
BUT...

D. H. LAWRENCE

A Biography

BY RICHARD ALDINGTON

D H Lawrence Portrait Of A Genius Bu 1st Edition

Ian Ousby

D H Lawrence Portrait Of A Genius Bu 1st Edition:

D.H. Lawrence ,2005-01-01 The dominant view of D H Lawrence s work has long been that of F R Leavis who confined Lawrence within an exclusively ethical and artistic tradition In D H Lawrence The Utopian Vision Eugene Goodheart widens the context in which Lawrence should be understood to include European as well as English writers Blake Nietzsche Rilke and Freud among others Goodheart shows that the characteristic impulse of Lawrence s principal discovery was the bodily or physical life that he believed man had once possessed in his pre civilized past and must now fully recover if future civilized life is possible Goodheart s argument fully engages the paradoxes of Lawrence s writing He is at once the last great representative of the moral tradition of the English novel and of the English Protestant imagination and a novelist without precedent a diabolist in the service of the dark gods He rejects the claims of society while simultaneously lamenting the thwarting of the societal instinct The oppositions and paradoxes in the work are the expression of a single not always coherent revolutionary imagination D H Lawrence The Utopian Vision provides a rigorous and critical analysis of the ideological character of Lawrence s novels and essays in particular the effect of his utopianism on his views of nature myth and religious experience while responding to his aesthetic achievement Goodheart s Lawrence is a prophetic artist whose vision is at once inspiring and dangerous In the new introduction to the book Goodheart reflects upon the vicissitudes of Lawrence s reputation since the sixties when the book first appeared and his relevance to the concerns of our own time A

D.H. Lawrence Handbook Keith Sagar,1982 Includes information on author and playwright D H Lawrence such as a chronology of his life a chronology of his writings a checklist of his reading calendar and maps of his travel bibliography filmography and discography *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1951 Includes Part 1A Books and Part 1B Pamphlets Serials and Contributions to Periodicals *Books and Pamphlets, Including Serials and Contributions to Periodicals* Library of Congress. Copyright Office,1949 *Dictionary Catalog of the Henry W. and Albert A. Berg Collection of English and American Literature* Berg Collection,New York Public Library,1969 A

Catalogue of the Imagist Poets Wallace Martin,Ian Fletcher,1981 *The Cambridge Guide to Literature in English* Dominic Head,2006-01-26 This illustrated and fully updated Third Edition of The Cambridge Guide to Literature in English is the most authoritative and international survey of world literature in English available The Guide covers everything from Old English to contemporary writing from all over the English speaking world There are entries on writers from Britain and Ireland the USA Canada India Africa South Africa New Zealand the South Pacific and Australia as well as on many important poems novels literary journals and plays This new edition has been brought completely up to date with more than 280 new author entries most of them for living authors The general reader will find it fascinating to browse and to discover many new writers and works while students will find it an invaluable resource for daily use This is a unique work of reference for the twenty first century that no reader or library should be without *Criticism of Society in the English Novel Between the*

Wars Hena Maes-Jelinek, 2013-05-22 The main concern of this study is the artist's vision of society its major theme is the relation between the individual and society resulting from the impact of social and political upheavals on individual life By criticism of society I mean the novelist's awareness of the social reality and of the individual's response to it the writers I deal with all proved alive to the changes that were taking place in English society between the two World Wars Though the social attitudes of the inter war years as well as the writers response to them were shaped by lasting and complex influences such as trends in philosophy and science the two Wars stand out as determining factors in the development of the novel the consequences of the First were explored by most writers in the Twenties whereas in the following decade the novelists felt compelled to voice the anxiety aroused by the threat of another conflict and to warn against its possible effects After the First World War many writers felt keenly the social disruption the old standards which were thought to have made this suicidal War possible were distrusted the code of behaviour and the moral values of the older generation were openly criticized for having led to bankruptcy Disparagement of authority increased the individual's sense of isolation his insecurity his disgust or fear Even the search for pleasure so widely satirized in the Twenties was the expression of a cynicism born of despair The ensuing disengagement of the individual from his environment became a major theme in the novel his isolation was at once a cause for resentment and the source of his fierce individualism *The Cambridge Paperback Guide to Literature in English*

Ian Ousby, 1996-02-23 Derived from the parent Guide to Literature in English this volume offers in concise form over 4 000 entries on literature in English from cultures throughout the world Writers and major works from the UK and the USA are represented as are those from Canada the Caribbean Australia India and Africa The coverage is broad from the classics of English literature to the best of modern writing Additionally the Guide has a wealth of entries on literary movements groups or schools in literature and criticism literary magazines genres and sub genres critical concepts and rhetorical terms

Library of Congress Catalog Library of Congress, 1950 A cumulative list of works represented by Library of Congress printed cards **D. H. Lawrence** J. Beer, 2014-08-21 A full account of Lawrence ranging from his talent as a young writer to the continuing genius of his later work and concentrating on his exceptionally acute powers of observation both human and natural **Richard Aldington and Lawrence of Arabia** Fred D. Crawford, 1998 If you plan to portray a national icon in less than heroic terms you had better be prepared for a fight as Richard Aldington learned even before the publication of his 1955 biography Lawrence of Arabia A Biographical Enquiry Fred D Crawford provides the first examination of all major parties and points of view embroiled in the controversy generated by Aldington's biography of T E Lawrence In two years of research Aldington made major discoveries including the extent to which Lawrence had cooperated with Lowell Thomas Robert Graves and B H Liddell Hart in the creation of the Lawrence legend For this and other reasons Aldington concluded that Lawrence was a charlatan a poseur and a fraud Upon learning of Aldington's antagonism to Lawrence a year before Aldington's book appeared a powerful group including B H Liddell Hart Robert Graves A W Lawrence and other Lawrence

partisans worked behind the scenes to suppress and denigrate Aldington's biography. These attempts Crawford notes reveal a great deal about how private interests can determine what the public is allowed to read. *The Literary Criticism of F. R.*

Leavis R. P. Bilan, 1979-10-18 A comprehensive analysis and assessment of the many strands of Leavis's work emphasising the basic unity of his ideas. **English Literature for Competitive Examinations** Dr. Shrimati C. Das & Asha N Rabb,
