D.L. MOODY COLLECTION, 1999 The D.L. Hoover, Nadia Kaneva, 2009-08-09 Looks at the complex role that media play in the rise and spread of fundamentalist movements within various religions traditions **The Keswick Movement** Charles Edwin Jones, 2007 This volume introduces researchers to the leaders ideas and institutions of the Keswick Movement a strand of holiness teaching that was embraced by many evangelicals who came from the more Calvinistic wing of Protestantism especially Anglicans Baptists Congregationalists and Presbyterians The Keswick Movement is the most difficult of the three main holiness traditions to delineate Unlike the Wesleyan Holiness and Holiness Pentecostal traditions the Keswick Movement has not gone through a definitive period of careful theological refining and institutional boundary setting *Forthcoming Books* Rose Arny, 2003-12 **Let Your Life Count** Donna Partow, 2012-01-04 Are you ready to discover what God can do through you You long to live with purpose to touch the lives of others with God's grace But this just doesn't seem to be the right time maybe after your life is in order or when your schedule is more manageable or you land the right job or the kids leave home or If you want to serve God in a big way writes author and speaker Donna Partow the secret lies not in waiting for the perfect opportunity but in choosing to walk through each day fully surrendered to his purposes Describing herself as living proof that God can use absolutely anybody Donna reveals the transforming truths and fresh perspectives that will allow God's power to flow through your life naturally defeating the attitudes that hold you back God's ability to work through your life is limited not by your flaws or your jam packed schedule she says but by your willingness to be used Packed with powerful storytelling and insightful Bible teaching Let Your Life Count will open your eyes and your heart to the countless ways God can use you just as you are and right where you are to answer someone's prayers Includes a study guide designed for individual and group use *British Museum Catalogue of printed Books*, 1892

Heaven in the American Imagination Gary Scott Smith, 2011-06-01 Does heaven exist If so what is it like And how does one get in Throughout history painters poets philosophers pastors and many ordinary people have pondered these questions Perhaps no other topic captures the popular imagination quite like heaven Gary Scott Smith examines how Americans from the Puritans to the present have imagined heaven He argues that whether Americans have perceived heaven as reality or fantasy as God's home or a human invention as a source of inspiration and comfort or an opiate that distracts from earthly life or as a place of worship or a perpetual playground has varied largely according to the spirit of the age In the colonial era conceptions of heaven focused primarily on the glory of God For the Victorians heaven was a warm comfortable home where people would live forever with their family and friends Today heaven is often less distinctively Christian and more of a
