Dad Dilemma:

The Divorced Dad Dilemma Gerald S. Mayer, 2000-11-02 At last the confused and hurt father experiencing the loss of marriage family life and routine contact with his children can find calm and loving guidance in how to live in changed circumstances So much written about divorce and single parenting is addressed to women Until recently a caring father has had relatively little guidance for his conduct in the painful process of dismantling a traditional family and establishing a new basis for relating to his former spouse and his children Gerald S Mayer in *The Divorced Dad Dilemma* provides this critically needed guidance in an authoritative gentle and thorough manner

The Daddy Shift Jeremy Adam Smith, 2009 A revealing look at stay at home fatherhood for men their families and for American society It's a growing phenomenon among American families fathers who cut back on paid work to focus on raising children But what happens when dads stay home What do stay at home fathers struggle with and what do they rejoice in How does taking up the mother's traditional role affect a father's relationship with his partner children and extended family And what does stay at home fatherhood mean for the larger society In chapters that alternate between large scale analysis and intimate portraits of men and their families journalist Jeremy Adam Smith traces the complications myths psychology sociology and history of a new set of social relationships with far reaching implications As the American economy faces its greatest crisis since the Great Depression Smith reveals that many mothers today have the ability to support families and fathers are no longer narrowly defined by their ability to make money they have the capacity to be caregivers as well The result Smith argues is a startling evolutionary advance in the American family one that will help families better survive the twenty first century As Smith explains stay at home dads represent a logical culmination of fifty years of family change from a time when the idea of men caring for children was literally inconceivable to a new era when at home dads are a small but growing part of the landscape Their numbers and cultural importance will continue to rise and Smith argues that they must rise as the unstable global creative technological economy makes flexible gender roles both more possible and more desirable But the stories of real people form the heart of this book couples from every part of the country and every walk of life They range from working class to affluent and they are black white Asian and Latino We meet Chien who came to Kansas City as a refugee from the Vietnam War and today takes care of a growing family Kent a midwestern dad who nursed his son through life threatening disabilities and Kent's wife Misun who has never doubted for a moment that breadwinning is the best thing she can do for her family Ta Nehisi a writer in Harlem who sees involved fatherhood as the ultimate service to black people Michael a gay stay at home dad in Oakland who enjoys a profoundly loving and egalitarian partnership with his husband and many others Through their stories we discover that as America has evolved and diversified so has fatherhood

The Varsity Dad Dilemma Lex Martin, 2021-07-20 A USA TODAY BESTSELLER I'll just ignore Rider and those soul searing looks he gives me every time I reach for the baby He broke my heart three years ago he won't get a second chance

What's worse than having Rider Kingston the hotshot quarterback on your college football team give you the big brushoff because he doesn't want to get serious? You'd probably think living across the street from him where you get a first hand view of his hookups right? That's what I thought until someone drops off a surprise baby with a note pinned to her blanket that says one of those jocks either Rider or one of his numbskull roommates is the father. I wouldn't care one bit about their paternity problems except my brother lives there too which means that adorable squawking bundle might be my niece and there's no way I'm leaving her unattended with those bumbling football players. They need my help even if they don't know it yet. Once we solve this dilemma and figure out who the daddy is I'm out.

The Varsity Dad Dilemma is a sexy small town sports romance novel from USA Today best selling author Lex Martin. Over three thousand readers are raving about the passionate angst filled enemies to lovers romance and the smoking hot chemistry between Gabby the slightly nerdy Latina with a take charge attitude and her surprisingly sweet ex boyfriend Rider. Who knew that he actually had a heart of gold underneath that deliciously ripped well defined exterior. Gabby and Rider have great chemistry and their banter is HOT. While she had loathed everything about Rider since freshman year there was no denying the physical attraction they had towards each other. If you are looking for a college romance that brings the laughter with loads of sexual tension and plenty of heart melting moments check this book out.
