Dad Help Me Please:

Dad, Help Me Please Christopher Berry-Dee, Robin Odell, 1993 Originally published London Allen 1990 Please Help Me Joan Davy, 2013 When I was 4 I remember walking on paving stones avoiding the cracks living in the moment with a nice clear mind Grandma looked after me while my mother worked When I was 7 life changed when my mother married someone she hardly knew I am taken to hell to live with them I believe in hell It was at Number 34 There was no grown up to stop the deluge of abuse A blanket is thrown over my mind and I hide under it Worry and anxiety have seeped into my soul and there they stay At sixteen I think I have been clever to get pregnant so I can marry and get away but I am trapped I worry about what is happening with my half sisters At twenty my mind is not coping and I urgently need someone to help me but there is still no one to turn to That s the day a visitor enters my kitchen and lets me see something beyond my wildest imagination Can I tell you about it Every word is true Through my future life struggles I am told I can contact the visitor for help anytime And I do Often

Dad, Help Me Please Christopher Berry-Dee, Robin Odell, 1991 Judi Emm, 2005-08-01 Olivia is a young girl from a working class family background she comes from a small countryside village nestled away along with other villages in the Hope Valley area of Derbyshire in England The story follows the events through her life over two decades Beginning in 1967 as she is brought by an ambulance to a hospital in Manchester England when she is losing an aborted baby and she endures an inhumane and horrific experience at the hands of a sadistic doctor Olivia s life then begins to moves forward when she joins a happy Hippy Movement crowd before entering into a controversial marriage to a man many years her senior Then a short time later she experiences with her husband a very traumatic car accident where at the hospital the attending doctor s prognosis predicting that her life will soon be coming to an end But her body soul and willpower insist on fighting for her survival A few years later she enters into a second doomed marriage And in the following years that pass Olivia s life seems to turn into a big ROLLER COASTER RIDE Now always filled with sex drugs and rock roll as she clings to this wild and crazy hedonistic lifestyle for her own emotional security Until many years later when taking an overall view and stock of her life which now seems to becoming so totally out of her control she finally decides that it s time for her to jump off all of these fast fun filled rides which are taking her to nowhere So after much soul searching about what she does now really want in her life she decides that it is time for a reconciliation with her second husband Alex They decide to go to start a fresh new life when they go to live together in North America leaving all of her past behind her in England So now finally at last Olivia begins to enjoy the much needed love of her husband and family which deep down she had been craving for most of her life Suddenly from somewhere one night out of the blue in the year of 1987 a deep dark hidden force in her life returns turning twenty long lost hidden years into a FULL CIRCLE Motivating her now to visit the world down under in Australia forcing her to now confront and deal with her dark secret hidden past which tragically ends with sad dramatic consequences WHO IS OLIVIA The writer has portrayed in this woman s fiction novel a person that is as far removed from anything in

Hollywood as possible She s just an ordinary girl who could be living next door to you or anyone else in the North of England The life of Olivia has been portrayed and written in colourful vivid imaginary and detailed true to life form so that the readers can visualise Olivia as a real true to life person that they could possibly identify with in part While at times understanding and feeling that some of the things that happened in her life could also have possibly happened in their own But no matter what trauma hardship heartache or crisis arrives in Olivia s life she not only challenges it grows from it and flourishes she is also very determined to survive it all whatever life throws her way And the readers will soon realize that no matter how tough Olivia s going gets she will never give up even when she feels that her world is crashing as it begins to crumble down all around her she will keep on striving until she perseveres Yes Olivia is a true survivor and will always manage to keep on swimming until she reaches and gets herself across to the other side of the shore So come on you ladies And make yourselves very comfortable for this controversially absorbing story about the reality of a woman who could be you or one of your friends As Olivia dares u all to take this positively exciting and emotionally charged ROLLER COASTER RIDE with her hoping you can hang on until the end as you deal with what her life has in store as it turns into a FULL CIRCLE **Star Dancer**

handedly built New York City's pornography and adult entertainment empire from the 1960s to the 1980s before his spectacular and public fall from grace. Behind the salacious headlines, Marty's family paid a terrible price. In her shockingly honest, no-holds-barred memoir, Romola describes hanging out as a child in her father's porn shops on 42nd Street and meeting the eclectic clientele who frequented the stores, making friends with the girls who performed live sex acts on stage and spying on her parents' sex orgies and crazy all-night swinger parties. Romola relates in moving detail how she cared for her three younger siblings when her brilliant bipolar mother broke with reality and how she survived verbal, physical, and emotional abuse, a year in reform school, her father's three stints in prison, two kidnapping attempts by the mob, one while at summer fat camp, and how her baby brother Jarrett actually was briefly kidnapped by mobsters wanting to send Marty Hoda's a clear, unambiguous message. For all its darkness, *The Princess of 42nd Street* is at its heart an uplifting and inspirational story of how one young woman overcame incredible odds to become a successful businesswoman who now devotes her life to helping others. Raw, unflinching, and devoid of self-pity, *The Princess of 42nd Street* is a one-of-a-kind story. *Heaven Sent* Oleg Shleyfer, The intriguing adventure of an alien named Kri who crash lands on Earth in the Southwestern United States. While trying to survive on a hostile planet and searching for a way home, he will face adversity and danger. Some humans are friendly, while others are dangerous foes, but who is who? Join Kri on a fast-paced science fiction adventure as he races home and helps humans along the way. A must-read for fans of *Race to Witch Mountain* and *E.T.* **The Great Forest of Shee** Patricia Gilkerson, 2015-03-25 Find Arizopal With those words from his desperately ill father, fifteen-year-old Griffin begins his journey to the Great Forest of Shee, a mystical place and difficult to navigate. The Great Forest is Faerie itself, and during his quest, Griffin will meet many magical and sometimes fearsome dwellers there. Befriended by some, challenged by others, Griffin finds he is not the person he thought he was. But who is he? He has to use his wits and call on new friends to figure out first how to save his father, next how to rescue his mother, and a beautiful half-elf named Indigo. And finally, how will he keep the Great Forest itself from being destroyed? **Wading the Waters of My Mind** Martine Daniel, 2011-06-01 Description Promise me you'll never tell anyone. This can just be our little secret. Fourteen years ago, Adam Waddoups made his father a promise, and for fourteen years, he's kept that promise, keeping to himself the secret that could so easily rip the fabric of his family apart. But keeping secrets comes at a cost for Adam, and he is tortured by the memories of the past, trapped in a cycle of guilt that regularly plunges him into episodes of depression and mania, which push him dangerously close to the edge. When Adam is diagnosed with bipolar disorder, a diagnosis which is later adjusted to the lesser-known schizoaffective disorder, and referred to a psychotherapist, he is forced to confront the demons of his past and to finally admit the truth, allowing him at last to shape a more positive future for himself. About the Author Martine Daniel was born in York in 1981. From a young age, she knew she wanted to be a writer, and whilst at secondary school, she would often be caught scribbling stories in the back of exercise books during lessons. Her dreams of seeing her name in print never dimmed despite her life

being turned upside down by episodes of mania depression and psychosis during her late teens and early twenties In 2003 the pressures of a stressful job brought on an episode of psychotic mania which led to the breakdown that ended her hopes of a career in bookselling following which Martine was finally forced into contact with local mental health services With the help of medication and the support of her family she began to pick up the pieces of her life and started work on her first novel *The Fire in Your Eyes* published 2009 juggling work on the novel with her studies with The Open University Her second novel *Legacy of Lies* the sequel to *The Fire in Your Eyes* was published in April 2010 *Wading the Waters of My Mind* is her third novel Martine hopes that by bringing the experience of mental illness alive in her works of fiction she can contribute to the ongoing battle to reduce the stigma surrounding mental health issues
