James W. Moore,2012-05-01 Popular author James W Moore recalls how several years ago while delivering the sermon at his church one Sunday morning he had told a moving story about a boy and his dog The author s then five year old son Jeff was fascinated by the story but feeling a bit uncertain about some of the details of it during the family s car ride home from church Jeff asked his father Daddy is that story true or were you just preaching Highly amused by Jeff s question Jim Moore went on to explain to his young son that there are two kinds of stories TRUE stories stories that happened factually in history and TRUTH stories stories like Jesus parables which are shared to underscore a dramatic truth in life The several short chapters and stories in this book are designed to highlight such life truths with chapter titles such as Go out Singing Roadblocks Should I Forgive One Step at a Time Who s in Control Here What Can One Person Do Tell Me Please How to Be Happy Why not You Keep on Keeping On Jesus The Message and the Messenger The Importance of Uniqueness and others This book contains a discussion guide **Dad's Car Rides** Wanito Bernadin,2023-09-20 So many fathers today are adrift uncertain how to connect with their daughters There may be numerous reasons for this but one would surely be that our culture offers little guidance to men on fatherhood particularly when it comes to fathering daughters In fact one might ask what does it really mean to father a daughter We can see mothering all over television advertising and film but what about fathering Wanito Bernadin offers us a beacon something fathers might find guidance and inspiration in This book will help fathers and their daughters bond as each lesson and story is intended to stimulate discussion Wanito speaks to his daughters on all kinds of subjects including the importance of reading getting to know your own voice breaking bad habits recognizing abusive behaviour managing stress or how to cope with having made a bad decision He explains economics in a way children can understand He teaches them about debt management and how to evaluate investment opportunities for a brighter financial future And so much more But the real treasure of this book is in the wisdom Wanito offers such as in teaching them how failure is an essential part of growing and can lead to better things how to move from being a victim to a victor or how cultivating and protecting virtues like humility and kindness are integral to self respect This is a love letter from a Godly father to his daughters *A History of California Literature* Blake Allmendinger,2015-05-19 This History explores the historical periods literary genres and cultural movements of California [Anne of Windy Poplars](#) L.
