

Dead Beat Dad (Part 2)

**Fathers can be such an odd breed
This one particular is a demon seed
The row he sows is filth and greed
Caring only of what HE may need**

**Though my children he may hurt
I must try to not be curt
My heart and mind always alert
To the redemption only God can assert**

**Now what I offer is a prayer
For this man so unaware
Of the pain he causes so unfair
To a child so fair beyond compare**

**What you've missed you'll never know
Poor miserable man life full of woe
All your money, your cars, your ho'
Can never meet the debt you owe**

Dad Beat Dead:

The Far Side of a Dead Beat Dad David Bryson, 2017-01-11 As a former member of the United States Army Special Forces David Bryson lived by the motto *De oppresso liber* a Latin phrase that means to free from oppression or to liberate the oppressed Little did he realize that years later he would be fighting to liberate not others but himself from an unjust governmental system Slapped with a bill for over 23 000 in allegedly unpaid child support a charge based solely on his ex wife s testimony Bryson refused to pay As a result his passport was taken away his wages garnished his vehicle seized and sold at auction and his multiple attempts to refute his ex wife s charges denied Years later he refuses to surrender which means he is still unable to leave the country own property or earn a living Fed up with the systematic fraud and perjury he claims he has encountered throughout the justice system in El Dorado County California which has jurisdiction over his case Bryson has finally decided to take matters into his own hands In this book he has published his side of the story candidly and unedited including accompanying legal documentation By doing so he hopes not only to hold the County of El Dorado accountable for withholding justice in his case but also to prevent other alleged deadbeat dads like him from being presumed guilty before they have a chance to prove their innocence *The Subconscious Looking Below the Surface of a Man*

The Subconscious, 2013 The book *The Subconscious looking beneath the surface a man* written by Brandon The Subconscious Johnson is an introduction of his published spoken word This publication of poems gives you a look at where his concepts and motivation come from What is beneath the surface of a man who has come from the mean streets of Philadelphia but was able to overcome the gravitational pull of its temptations that bring so many males to their demise How could he sift through trouble and end up educating teenaged males on how to deal with the same struggles This is a book of written spoken word that will deliver some answers to the many mysteries of the origination of his thoughts and ideas When you read the following pages of his spoken word you will read a conglomerate of concepts that range from relationships the point of view of teenagers to death The many pages filled with passages contain the ingredients elements and the experiences that help give some of the definition to who Brandon The Subconscious is today Read Relax and Relate to the Realness Right Now
