Dad Mine:

In The Footsteps of My Father Sheldon Gebb, 2014-10-27 Live life in the Alaska and the Yukon more than one hundred years ago through my father's diary which details the hard work frustrations and horseplay in the development of Guggenheim's mammoth gold dredge mining operation Ponder his decision to quit a comfortable job as a mining engineer to venture 60 miles east of Dawson City with the King of the Klondike to endure without fear the coldest winter on record averaging minus 50 degrees Question through his words the unsuccessful digging of a mine shaft through frozen ground ending with the comment April Fool's Day We're down 160 feet in the shaft and no gold April Fools proper that is what we are We are up against the fact we can remain no longer We have no grub Experience his comical adventures as a bear hunter finally giving up to seek employment at the Kennecott Copper Mine electing to cross the largest ice fields in North America alone guided by instinct with only a woman's robe and a tarp for warmth U.S. Geological Survey Professional Paper, 1905

Bulletin, 1906 Narnian Virtues Thomas Lickona, Mark A. Pike, 2021-11-25 In this engaging and practical book Mark Pike and Thomas Lickona show how C. S. Lewis' wisdom for nurturing good character and his much loved Chronicles of Narnia inspire us to virtue Drawing upon the Judeo-Christian virtues of faith hope and love and Narnian virtues such as courage integrity and wisdom they present an approach to contemporary character education validated by recent research An introduction to C. S. Lewis' thought on character and faith is followed by practical examples of how to use well known passages from the Narnia novels as a stimulus for rich character development at home and in the classroom **Black Days, Black Dust** Robert Armstead, S. L. Gardner, 2002 Armstead retired from the coal mines in 1987 and died in 1998 Here he recounts his experiences and those of his father who was also a coal miner so that this engaging memoir also stands as a rich historical document portraying the evolution of the industry Armstead told his story to S. L. Gardner a former teacher and librarian who has written about coal camps for the Times West Virginian Annotation copyrighted by Book News Inc Portland OR **Comical Vacations Book 3** Maureen Reil, 2017-01-22 Comical Vacations 3 Three Book Bundle Contents The Finch Family Easter Holiday 6 Let the good times roll since Kitty is excited to be going away for four fun-filled days on their first of many and hopefully not the last Finch family holidays together with her boyfriend for a short stay in a quaint B & B in Scotland Where she hopes they will get to spend some time alone as well as with the rest of the clan Well she would be more excited if she could shake the damn stomach bug she seems to have picked up probably from work Only it will not stop her going for the Easter celebration up in the Highlands where real men wear kilts and women wear a shoe size twelve if Moira is anything to go by Whether it is a haunting by a ghost in the guesthouse or hunting for Nessie and the lost buried gold coins connected to Bonnie Prince Charlie or seeking the precious playing card belonging to her brother then you can be sure that Kitty will give it her all even if it costs her more than her dignity in the end There is also a secret to keep a secret to reveal and a secret admirer to deal with Not to forget there is also a beast on the prowl As this mini vacation has plenty of cringe-worthy

situations and surprises galore to cope with but Kitty has survived worse believe you me The Finch Family Bank Holiday 7 Now normally Kitty Finch loves a good wedding so she was happy to head down to Berkshire with the rest of the Finches to stay at a farm over the long bank holiday weekend She saw it as a chance to be in a famously posh romantic setting with her ex since Kitty wants to rekindle their relationship I mean who does not fall in love with love when surrounded by so much joy sentiment and happiness but not when she finds out he is bringing a plus one and she is feeling fat or should that state be fatter than usual because of her pregnancy If Kitty was under the impression that she could hide at the back to avoid not just the camera lens but also her exes then she had better think again When an accident occurs and Kitty has to step into someone else s shoes but not with her swollen feet so thankfully she gets to wear her own footwear in the end however it still doesn t help her walk down that aisle any better Joining Kitty and company in this hilarious mix of mayhem and merriment are a baby doll naked butlers and a male escort There are also a whole lot of laughs along the way so what more can anyone ask for from a British bank holiday The Finch Family Christmas Holiday 8 This is it folks the final Finch family holiday in the Comical Vacations series nine books in total It finds Kitty Finch heading off for a Christmas break with some of her family past and present plus picking up a friend or two along the way This time they are going on a Nordic liner for a mini Christmas cruise so they are all looking forward to this trip as long as it does not sink Well knowing her luck they could all end up at the bottom of the sea if this were any other kind of novel Only that is not a very happy ending so she feels confident that they will make it back to dry land and they do Not before there is upset all round of course and a stupid bet to win first whilst the pranks soon become the bane of her life After which they embark on the next leg of their journey to travel up to the north of Norway for an ice filled fun treat When staying at the snow hotel and getting to see and try things that they have never tried or seen before Will Kitty ever get the love she deserves Should she even have attempted to win a silly wager Can this British family ever have at least one lousy holiday without everything going tits up for Kitty Finch Would Kitty be able to claim she truly had the time of her life or would she be lying through her gritted teeth **The Seamus Chronicles Books**

Noah: on the ice Lexi Buchanan,2022-06-14 Boston Bay Vikings hot enough to melt the ice Noah Hockey For as long as I could remember that had been my dream It was the only thing I'd ever done with my father That was a long time ago He has never seen me play professionally because of his stroke and it hurts He never misses a game on TV but that isn't the

same It wasn't what I expected Making friends with Daisy had opened my eyes to what my father was missing out on It wasn't her fault Her joy at seeing me play made me feel like I could take on the world Daisy led a quiet life in the country and I'd been thinking recently that I'd like to do the same I'm good with animals and Hailee and Sutton's new animal rescue would be opening soon With the recent addition of three rookies it's not like I'd be leaving the team short If Daisy would just give me one sign any sign that she liked me more than just a friend I'd give up everything to be with her Daisy After my traumatic past I was content here on the farm I made friends with the horses I trained and I'd talk their ears off It was entertaining to have two cockapoos Fudge and Maple running around my feet Fudge would be missed by Maple and me once he moved into his new home with my brother Sutton and his wife Hailee They were close only half an acre away which makes me happy If only I could be excited that the Vikings wanted to extend Noah's contract for another two seasons He's a fantastic player but I miss him terribly when he's in Boston I know he wants me in every sense of the word I want him as well I've never felt this way before and I'm terrified I need to dig deep and find the courage to tell Noah how I feel before I lose him to someone else Meet Noah Walker and Daisy Bayfield in the ninth book of the Boston Bay Vikings series by NYT and USA Today bestselling author Lexi Buchanan
