Daddy Clock:

Buryin' Daddy Teresa Nicholas, 2011-02-24 A descendant of Lebanese Catholic immigrants on her father's side and Baptist sharecroppers on her mother's Teresa Nicholas recounts in *Buryin' Daddy* a southern upbringing with an unusual inflection. As the book opens the author recalls her charmed early childhood in the late 1950s when she and her family live with her grandparents in a graceful old bungalow in Yazoo City, Mississippi. But when the author is five her eccentric father's secretive, penurious, autocratic hoarding moves his growing family into a condemned duplex nearby. Separated from her beloved grandmother and chafing under her father's erratic discipline, the girl longs to flee from the awful decrepit house. When she's a teenager she and her father find themselves on conflicting sides of the civil rights movement and their arguments grow more painful until a scholarship to a northeastern college provides the means of her escape. Two decades later Nicholas has built a successful career in book publishing in New York. When her father dies suddenly she returns to Mississippi for the funeral and to spend a month in the hated duplex as her mother comes to terms with her husband's passing. But as she sorts through the strange detritus of her father's life the author comes to understand that he was far more complex than the angry man she thought she knew. And as she draws closer to her surprisingly resilient mother, affected by stroke but full of blunt country talk, she finds that her mother is also far from the naive helpless creature she remembers. Through a series of surprising and oddly humorous discoveries the author and her mother will begin to unravel her father's poignant secrets together in this graceful and generous exploration of the intermingling of shame and love that lie at the heart of family life.

Her Daddy's Eyes Gary E. Parker, 2006 Just three weeks before her wedding Allie Wilson comes across an old photograph of her long lost father who went missing during the Vietnam War. Soon Allie launches a cross country search for the father she can't remember and can't get out of her mind. 176 pp.

Daddy's Apprentice Sandy Wilson, S. L. Bolton, 2000 Incest, Abandonment, Crime, Betrayal: the integral elements of Sandy Wilson's life. Born of incest to a brother and sister then abandoned to the care of her grandparents, Sandy learned to forage in dumpsters for food, to dupe government caregivers and to defraud insurance companies. When she was six years old her father returned from prison. Within hours he had molested her and reestablished himself as the head of the family. Sandy became his criminal accomplice and his sexual partner. She accompanied him on countless burglaries throughout the Pacific Northwest. Through the years she knew that her father ducked FBI raids, murdered two teen-age hitchhikers, sweet-talked prostitutes into his bed while molesting their daughters, and committed crimes with other accomplices. Somehow he avoided capture or prosecution. After a decade of his brutal enslavement and her grandmother's silent complicity, Sandy emancipated in the only way she knew: with cunning and violence. Determination, Hope, Self-preservation: the enduring elements of Sandy Wilson's survival.

Daddy's Promise Brendan T. Hoffman, 2012-03 I was with her twenty-four hours a day, seven days a week for the last ten months of her life. The conversations we had were priceless. The promises I made to her I am still fulfilling. Dawn definitely made me a

stronger person She taught me so many things about life about myself but also about others After she was diagnosed Dawn saw things as they were and not as she wished them to be and slowly but surely she began putting things in order Yes this cancer is going to end my life here on earth several years sooner than if I didn't have it Though it won't take away what I have I have a loving father and best friend I have Cathy my wonderful mother by marriage I have my mother and Kristie who I love so very much I have the two most beautiful children in the world in Tyler and Jordan I have peace with God and myself I also have something that is so important to me I have love from all those I just mentioned They love me So you see cancer didn't win It can never take what I have Please understand that I haven't given up on a miracle nor have I given up on life here on earth I won't live my life waiting on a miracle I'm going to live my life as if I don't need a miracle I won't live my life in fear of death I'm going to live my life as if I have nothing to fear Yes I will do whatever it takes to live I'm going to do my best to do what it takes to be happy not depressed So yes I hate that I have cancer although I love my life and those who are in it and make it what it is

Smith,2025-10-04 Memories of the Way It Was is a random collection of my thoughts and memories of my life As an elderly adult I have time to sit for hours and reminisce and remember moments from my past I have time to analyze the past moments of my life and how these past moments have helped shape me into the person that I am In the pages of this book I have written stories about friends and relatives from my past and present I have written a partial accounting of my family s history according to how it was told to me and from my personal observations and experiences I was there in the flesh to live these moments and I am left with precious memories All my life I have had vivid dreams that seemed real Strange and unusual things happen in my dreams Strange and unusual things happen in my life I was raised by an extremely superstitious mother who had prophetic dreams My head and heart are filled with memories of so many things in life that my parents told me I have so many memories of my siblings and the things I learned from them The days that I lived are gone forever The way things were will never be that way again These days will only be remembered by those who lived them or from the pages of the books written about those moments from the past Those days are gone forever Soon these memories will die with those who lived them That is why I have written twelve books full of the way life was in the 1940s up until the present day My mother used to tell me and my siblings stories of her past I wanted my children and grandchildren to know her stories as well as my own stories The next generation will have stories of their own to tell but life as my parents lived it and as I lived it will never be again When I explore my memories of the way things were I believe we were once better people than we are today As I get older I find that

a lot of things no longer matter It does not matter to me who my relatives were or where they came from All that matters is that I was born and had the privilege of living the four seasons of my life in God s beautiful world Ultimately we are all God s children and brothers and sisters in Christ We are all connected through God My book is written in no particular order Each chapter is a stand alone story that can be read randomly just as it is written Each chapter is a piece of my life and heart I pray that my stories and ramblings will stoke memories and bring pleasure to anyone who reads them I am thankful for the people places and the events that make up the days of my life I am incredibly grateful for the life that God has allowed me to live

In Daddy's Arms Kim Wilkins Gass,2009-07 This spell binding true story will keep you captivated as you travel with one girl on a humbling voyage You will laugh and you will cry as you see a girl try to save herself with her pk title along with any other label she can find just to find herself lost in an identity she wishes not to claim In the middle she slips onto a few crossings that prove in the end to be quite beautiful On one such passage this dignified Christian finds herself unwed and pregnant Standing before her father and eighty churches he represents rumors quickly fly Unveiled and about to be thrust in to motherhood the woman marries the father just to learn the father is addicted to steroids and alcohol Abused and anorexic the woman finally flees and has her daughter s father

arrested One would think that is the end of the story However the woman finally lets her boring religion grow in to an exhilarating relationship with an exciting Daddy She comes to find in that charismatic place away from labels and far from any human man s grip she can never fall too far without landing gently in Daddy s arms Cradled safely in this newfound place of faith she remarries her daughter s father in a blind belief her husband will become a godly man She is inspired to journey on a gut wrenching expedition walking every step with a tenacious faith declaring to all of Heaven and hell she and her family will leave a legacy that will change her community her world and perhaps a part of eternity Somewhere in the middle she too forever is changed as she finds the highest accolade and her preordained destiny not in any man s title but instead resting securely inside of her Daddy s arms The Age Annual ,1880
