Rhetorical Healing Tamika L. Carey, 2016-09-30 Since the Black women s literary renaissance ended nearly three decades ago a profitable and expansive market of self help books inspirational literature family friendly plays and films marketed to Black women has emerged Through messages of hope and responsibility the writers of these texts develop templates that tap into legacies of literacy as activism preaching techniques and narrative formulas to teach strategies for overcoming personal traumas or dilemmas and resuming one s quality of life Drawing upon Black vernacular culture as well as scholarship in rhetorical theory literacy studies Black feminism literary theory and cultural studies Tamika L Carey deftly traces discourses on healing within the writings and teachings of such figures as Oprah Winfrey Iyanla Vanzant T D Jakes and Tyler Perry revealing the arguments and curricula they rely on to engage Black women and guide them to an idealized conception of wellness As Carey demonstrates Black women s wellness campaigns indicate how African Americans use rhetorical education to solve social problems within their communities and the complex gender politics that are mass produced when these efforts are commercialized

Watch This! Jonathan L. Walton, 2009-02 Through their constant television broadcasts mass video distributions and printed publications African American religious broadcasters have a seemingly ubiquitous presence in popular culture They are on par with popular entertainers and athletes in the African American community as cultural icons even as they are criticized by others for taking advantage of the devout in order to subsidize their lavish lifestyles Watch This seeks to move beyond such polarizing debates by critically delving into the dominant messages and aesthetic styles of African American televangelists and evaluating their ethical implications from

publisher description Charisma and Christian Life ,1996 Gender, Social Change and Spiritual Power Jane E. Soothill,2007 Against a backdrop of debate concerning the role of Pentecostalism as a mediator of modernity this book examines the interaction between charismatic Christianity spiritual power and gendered social change in contemporary Ghana African-American Heroes & Heroines ,1998 Inspiring and amazing stories that showcase 150 black heroes and heroines **The Publishers Weekly** ,1996 **T.D. Jakes** Shayne Lee,2003-01-01 Examines the rise of one of the most prolific spiritual leader of modern times T D Jakes has emerged as one of the most prolific spiritual leaders of our time He is pastor of one of the largest churches in the country CEO of a multimillion dollar empire the host of a television program author of a dozen bestsellers and the producer of two Grammy Award nominated CDs and three critically acclaimed plays In 2001 Time magazine featured Jakes on the cover and asked Is Jakes the next Billy Graham T D Jakes draws on extensive research including interviews with numerous friends and colleagues of Jakes to examine both Jakes s rise to prominence and proliferation of a faith industry bent on producing spiritual commodities for mass consumption Lee frames Jakes and his success as a metaphor for changes in the Black Church and American Protestantism more broadly looking at the ramifications of his rise and the rise of similar preachers for the way in which religion is practiced in this country how social issues are confronted or ignored and what is distinctly American about Jakes s emergence While offering elements of biography the work also seeks to shed light on important aspects of the contemporary American and African American religious experience Lee contends that Jakes s widespread success symbolizes a religious realignment in which mainline churches nationwide are in decline while innovative churches are experiencing phenomenal growth He emphasizes the American ness of Jakes s story and reveals how preachers like Jakes are drawing followers by delivering therapeutic and transformative messages and providing spiritual commodities that are more in tune with postmodern sensibilities As the first work to critically examine Bishop Jakes s life and message T D Jakes is an important contribution to contemporary American religion as well as popular culture **The Secrets to Deliverance** Alexander Pagani,2018 In recent years deliverance ministry has become increasingly difficult Even the most seasoned ministers struggle to locate and expel demons Individuals think they re free from demonic bondage only to be blindsided by another oppressive force But for New York pastor Alexander Pagani one experience changed everything He realized how demons lodge themselves in hidden areas of our lives First a demon can quite literally reside in an area of the body Second demons can live deep in the soul and remain undetected Deliverance is like a labyrinth with trap doors backward stairs and secret rooms In *The Secrets to Deliverance* Pagani shares biblical strategies and his own experiences for evicting the demons in the rooms of your soul and body Featuring prayers and declarations this book will instruct you how to strategically and powerfully overtake the enemy so that you can live the life God intended for you **We Have Plenty** Lorena M. Parrish,2025-09-23 The Black church often maintains an allegiance to white Western approaches to wealth and material acquisition In doing so it can ignore Jesus s

teachings on poverty wealth and materialism The church s ambivalence toward Jesus s understandings of poverty and wealth uniquely impacts the spiritual and material well being of Black women and the Black community As a womanist theologian Lorena Parrish argues that the Black church needs a new liberative way forward In *We Have Plenty* Parrish traces the history of theologies of prosperity to help scholars and practitioners understand the long standing appearance of prosperity gospels in the Western church In doing so she explores selected sermons and writings of St Augustine John Calvin John Wesley and Walter Rauschenbusch to show how theologies of prosperity have long been embedded in mainline Christianity sometimes imperceptibly so Parrish argues that recognizing these trajectories is critical for the Black church s capacity to foster pathways toward communal liberation and wholeness Parrish offers a womanist theology that hearkens to the liberative work of Fannie Lou Hamer s Freedom Farm Collective and illumines contemporary initiatives that cultivate pathways toward Black communal abundance Parrish shows how equipping Black church pastors and community leaders with tools to build similar strategies better positions the church and community in turn to promote more equitable human relations and communal asset building and sharing *We Have Plenty* offers a moral imagination for theologians church leaders and community activists to envision Black communal abundance and thriving in light of Jesus s teachings *Jezebel Unhinged* Tamura

Lomax,2018-09-13 In *Jezebel Unhinged* Tamura Lomax traces the use of the jezebel trope in the black church and in black popular culture showing how it is pivotal to reinforcing men s cultural and institutional power to discipline and define black girlhood and womanhood Drawing on writing by medieval thinkers and travelers Enlightenment theories of race the commodification of women s bodies under slavery and the work of Tyler Perry and Bishop T D Jakes Lomax shows how black women are written into religious and cultural history as sites of sexual deviation She identifies a contemporary black church culture where figures such as Jakes use the jezebel stereotype to suggest a divine approval of the lady while condemning girls and women seen as hos The stereotype preserves gender hierarchy black patriarchy and heteronormativity in black communities cultures and institutions In response black women and girls resist appropriate and play with the stereotype s meanings Healing the black church Lomax contends will require ceaseless refusal of the idea that sin resides in black women s bodies thus disentangling black women and girls from the jezebel narrative s oppressive yoke **Reading is My Window**

Megan Sweeney,2010 Drawing on extensive interviews with ninety four women prisoners Megan Sweeney examines how incarcerated women use available reading materials to come to terms with their pasts negotiate their present experiences and reach toward different futures **Jet** ,1997-09-01 The weekly source of African American political and entertainment news

Daddy Loves His Girls Sequel To Woman Thou Art Loosed Introduction

In the digital age, access to information has become easier than ever before. The ability to download Daddy Loves His Girls Sequel To Woman Thou Art Loosed has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Daddy Loves His Girls Sequel To Woman Thou Art Loosed has opened up a world of possibilities. Downloading Daddy Loves His Girls Sequel To Woman Thou Art Loosed provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Daddy Loves His Girls Sequel To Woman Thou Art Loosed has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Daddy Loves His Girls Sequel To Woman Thou Art Loosed. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Daddy Loves His Girls Sequel To Woman Thou Art Loosed. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Daddy Loves His Girls Sequel To Woman Thou Art Loosed, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Daddy Loves His Girls Sequel To Woman Thou Art Loosed has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
