kill or be killed **Warlock in Training** TJ Nichols, Angus Donohue doesn't want to be a warlock. He believes draining demons for magic is evil, but it's a dangerous opinion to have when his father is a powerful and well-connected warlock. Angus is expected to follow the family tradition. His only way out is to fail the demon summoning class. Failure means expulsion from the Warlock College. Despite Angus's best efforts to fumble the summoning, it works. Although not the way anyone expects, Angus's demon Saka is a powerful mage with his own need for a warlock. Saka wants to use Angus in a ritual to rebalance the magic that is being stripped from Demonside by warlocks. If Angus survives his demon's desires and the perils of Demonside, he'll have to face the Warlock College and their demands. Angus must choose: obey the College and forget about Demonside, or trust Saka and try to fix the damage before it's too late. Whatever he does, he is in the middle of a war he isn't qualified to fight. Since the night a bolt from the blue struck, 13-year-old Lachlan Wulf strange things happened. His body was changing, the mark on his arm began to glow, and when faced with bullies, he suddenly became unbeatable. Then he heard a voice inside his head; it warned him. He draws near. Lachy didn't believe in the Thunderbird, but soon discovered differently when he was caught in the midst of a battle between Thunderbirds and Warlocks. It was terrifying, and yet he admired their awesome power. Lachy's father, Horace Wulf, had a secret: he was a sworn enemy of Thunderbirds and hunted them for more than just sport. Lachy's love of his father and loyalty that was growing toward the Thunderbird was frightening and confusing. Lachy must either see the extinction of the majestic Thunderbird Dragons or risk the consequences of choosing the side opposing his father, forever changing his life, his home, and everything he ever knew. Born to a long line of cops, William Justice thinks that protecting Miranda is his chance to redeem himself for not being able to stop

Warlock's manipulation of the werewolves into war But despite Justice's insistence Miranda has no interest in trusting another dominant Alpha even if the sexual tension between them is enough to set her aflame As Warlock rallies his forces and sets out to destroy Avalon Miranda and Justice will need to learn how to trust each other before the spark between them dies along with all of Magekind
