The Message of the Accidental Mystic Imma Andkaer, 2013-11-05 A long time ago back in the 1960s a close friend asked me to go along with him to a book signing in Sausalito California I was introduced to the author He was a recognizable and quite famous old man He said Will you come and visit me in San Francisco sometime Yes I will I replied and didn't think much about it But within a few weeks my friend was asked by the old author to visit and I was asked to go along We greeted the old man and he ushered us in Then he turned to me and said Can I tell you things of your life Experiences you've had and didn't have and your destiny I will record it and put it on reel to reel for you Of course I said as I was very curious of what he might know about me And so he talked about me and was very accurate Then he took my hand and moved closer to me close to my face He said You have something to tell the world the entire world I don't know what it is but it is the entire world But all was forgotten for more than fifty years A few weeks ago Michael and I were talking about the old man What if this was all destined Michael's gift of seeing in the spirit as Kirilian afterimage My search for healing and search for God Were we destined to be together So we decided to ask Was the old man right Was I destined to write this book and tell what has been revealed Michael touched my head and the touch revealed YES I asked out loud Who is the book for The touch revealed THOSE WHO SEEK AND LOVE GOD THE LOST WHO NEED HELP And so each day as I study scripture I ask the questions some about the future There are some unanswered questions The Lord Jesus gave these statements without my questioning HEALING OF THE WOUNDED SPIRIT SEVERE NUCLEAR ACCIDENT INDIA LEARN SEED PROPAGATION PREPARE MY RETURN REJOICE The material from the touch is growing into the next book The next book will probably be easier to write

Reflections on a Father and His Son James Howard, 2023-11-10 Reflections on a Father and a Son is a journey that at times is gut wrenching while at other moments pause worthy As a five year old enduring painful spinal taps in a Polio Ward to an adolescent experimenting with epic classroom disruptions this collection of deeds maligned by misdeeds appears to have only one possible outcome reform school Readers witness how growing up in the 1950s and 60s was negotiated in small towns with even smaller margins of supervision Travel along route 9 from Stottville to Rouses Point a micro village tucked away innocently in the northeast corner of the Lake Champlain Valley basin of New York State The early years in the Hudson Valley involve tales of exploration cruelty and friendship After moving just south of the Canadian border the adventures take on a downward spiral Crawl through collapsed tunnels in a 19th century deserted fort rummage the contents of railroad cars for cigarettes or discover how to survive multiple school suspensions The odyssey intensifies as consistent threads weave through a contentious relationship between father and son Their bond is buttressed by an ever increasing repertoire of senseless acts bent on destroying all possibilities of post high school success Save for one prescient and observant English teacher a fruitful future would have been squandered Participate in the transformation of a non compliant teenager to a tremulous college applicant the result of one teacher believing in one outlier

Accidentally Family Sasha Summers, 2020-05-26 Welcome to Pecan Valley where the town may be small but the townspeople will always lend a helping hand or a shoulder to lean on Where good times good humor and good people will always lead to happily ever after Life for Felicity Buchanan and her teen children is finally back on track After her divorce she wasn't sure if her family would ever be the same But just as life feels good again Felicity finds herself looking after her ex's spirited toddler Well if the universe is going to throw lemons at her thank God she has her best friend Graham to help her make lemonade out of them And how did she never notice how kind and sexy he is Graham Murphy is still recovering from his wife's death years ago and trying to help his teen daughter get her life together Who is he kidding His daughter hates him Forget lemons he's got the entire lemon tree So when Felicity suggests they join forces and help each other he's all in And suddenly he can't stop thinking about her as more than just a friend Too bad their timing couldn't be worse Because life rarely goes as planned Luckily there are many different kinds of family to hold you together and lift you up plus maybe even a little love between friends
