summer of 2005 Pennsylvania state government revealed its seedy underbelly when the General Assembly gave itself and others an unconstitutional middle of the night pay raise In response the people of the Commonwealth awoke from a long slumber and rose up in defiance of the Political Class They made history and the reverberations are still being felt Things may never be the same again in the Keystone State Beneath the battles of right versus left liberal versus conservative and Republican versus Democrat the Establishment strained to maintain power and continuity Traditional political ideologies took a back seat as the very fabric of the Political Class was torn apart In 2005 2006 Pennsylvanians got a taste of what happens when the ivory towered crowd is running scared But what we read in the papers and see on television is never the whole story Follow the journey of one individual who just happened to get caught in the middle of it all and observed it from a unique perspective **Joyful and Triumphant** Robert Lord,1993 Christmas day over 40 years of the Bishop family s history **Escape from Innocence** Mary Curtis,2006 Ellie Homans artist and wife of a prominent surgeon lives in sumptuous luxury in a Boston suburb Senator Alexander Lindsay of Bostonian aristocracy is vital handsome and politically powerful But privilege has shielded neither from loveless marriages Together they find a passionate commitment that submerges their mutual devotion to fidelity and personal integrity The discovery of their affair leads Ellie s husband to devise a life threatening method to imprison his wife in her unwanted marriage He unwittingly passes his vendetta to his daughter whose fury brings mother and daughter to the brink of disaster Ellie s escape from innocence to costly awareness leads her to the realization that love no matter how mature can have a dreadful price A woman finally discovers what she wants and what it costs Ellie Homans keeps a running tally of shoulds in her mind a list of her failures as the wife of an eminent surgeon from one of Boston s first families and mother to a son following in his father s footsteps and a daughter who hates her The list is a catalog of battles she s lost over the years from the decoration of the house to where her daughter Annie should go to college Curtis Song for a Lifetime 1999 unfolds this romantic drama set among the New England aristocracy with an assured hand Rich engaging characters demonstrate that love often comes at a high price Kirkus Discoveries GAZING INTO OUR CRYSTAL BALL W.R. encounters multiple experiences opportunities transitions challenges and obstacles as we march through time toward our afterlife Nevertheless life can be quite fulfilling and coming of age is a continuous process facing all of us who live a long life In this ball the most important transformations involve coming of age in its earlier stages in one's education career pathway partnerships parenting or mentoring skills of others post careers retirement and facing our afterlife The latter changeover is especially challenging for those without partners and children unless in the crystal ball of life they prospered from self love and independence Fortunately the existence of public and private retirement facilities will accommodate some of these retirees The two of us have always imagined the existence of an afterlife metaverse as we march forward in our lives Optimistically we both hope to be able to learn lessons in the spinning ball from our present lives and accomplishments and in our next life accomplish all of our unaccomplished earthly goals Maybe if you the reader gaze closer at your own life's crystal ball you will see that your life turns out the way it was meant to be whether it is happy or sad Who knows The magic of it all is that you were able to live on this earth for just a blink of an eye no matter what your real life's experiences were on this life altering planet And on the day when you finally transition into the mysterious afterlife a new window of opportunities will unfold for you to explore that will be overwhelming to you At that time you will have the freedom to embrace new possibilities for yourself that were not accessible to you during your existence on this Earth
