sparking a love for both storytelling and the natural world      Coach Daddy Davis Blaine,2011-03-09 This book is for the many people that have experienced some of their deepest passions from sports It is about players coaches and parents My desire is that the reader rekindles whatever passion he she has previously experienced or is currently experiencing in youth sports Hopefully one can learn from my experiences and use them to create positive outcomes with their children Sport is a universal language that impacts countless people throughout the world It is a drama of the body and mind that is often played out in front of audiences Even persons who were only casual players in their younger days can be avid fans They care deeply about the competition and whether their team plays well and wins Then there are the perpetual participants as evidenced by the explosive growth of adult sport programs      **Daddy's Girl** Charlotte Vale-Allen,2009-04 On Writing Daddy's Girl After I had been through many versions of the manuscript written over almost a decade I decided that for this book to have validity it would be necessary not only to show the past but also to give a picture of the present illustrating how the events of my childhood affected me at the time as well as later in life as an adult and a parent Given that I wrote the book in the first place as a document that I hoped would be useful to others who'd suffered abuse and also to professionals I felt it was very important to present detailed portraits of the child I was and the woman I grew to be in large measure as a result of trying to cope with the long term effects of the abuse As well I thought it was vital to illustrate how fallout from the abuse can be felt down through the generations if one fails to exercise awareness and caution So the book weaves back and forth between past and present the present being 1979 when the final version was completed I also had to decide at the very start whether I was going to dole out snippets of truth or be completely truthful and address the issue as fully as I was able There seemed no point to writing an autobiographical account of incest if I was going to be anything less than completely truthful It was not difficult to tell the truth nor was the writing of the book a cathartic experience as many have imagined it to be The fact is that I had long since confronted my personal demons and had managed to relegate the past to the past something exceedingly difficult for many victims of any all forms of abuse to do A few years ago in correcting the page proofs of a new British edition of the book I reread DADDY S GIRL and was gratified by what I'd written Often with my novels I am not at all happy when I reread them I think that as an author I have little if any objectivity about my work once it's completed and so am not necessarily a good judge of it But I am proud of DADDY S GIRL Since its publication in 1980 it has been of help to a lot of people And ultimately it's my way of returning some measure of the kindness and attention people showed me when I was working my way along the rough roadway toward my future      *Big Daddy's Rules* Steve Schirripa,2014-05-06 The author shares his misadventures in parenting two daughters a journey that pitted his over the top personality against such challenges as boyfriends birth control and inappropriate teachers      **Daddy's Boy** L. T. Meade,1888      *Blindside Beauty* Lex Martin,2024-09-23 My football player ex cheated on me so the last thing I need is to fall for another quarterback Especially when he's still mourning his baby mama who tragically passed away After I accidentally plow my car into Nick

Silva's bumper I can't blame him for not hiring me to be his daughter's nanny but I'm still salty about it I need the money to go on a trip of a lifetime one my ex didn't want me to take The worst part is Nick just moved in next door I'm sure he associates me with my dirtbag ex his former teammate so I try to avoid my neighbor whenever possible But when his new babysitter gets locked out of the house leaving Nick's four year old alone inside I attempt to rescue her by breaking in through a window Unfortunately I have a wardrobe malfunction and end up flashing my goodies to the whole neighborhood Nick included Because of my embarrassing heroics Nick's now convinced I'd be a great nanny The trouble with football players is they're very persuasive so I agree to take the job but immediately regret it Who needs to see a gorgeous shirtless man jumping rope and doing push ups in gray sweatpants Who wants to watch a sexy single dad snuggle his little girl and read her bedtime stories Who enjoys working closely with a walking talking thirst trap every single day Fine I do I want all of that but I already swore I'd never date another jock after the last one stomped all over my heart so this bookworm needs to play it safe But rumor has it Nick has a new girlfriend which helps me maintain appropriate boundaries Because I won't be blindsided by another quarterback again
