Schizophrenia: the Bearded Lady Disease Volume Two, 2010-08-24 Man has long searched for the cause and meaning of mental illness This second book continues in an attempt to answer those questions The author compiler has spent 47 years investigating these problems and his conclusion is that severe unconscious bisexual conflict and confusion lie at the root of all mental illness as difficult to comprehend as this idea may be The book itself consists of 773 quotations from a variety of sources all of which point to the unshakable truth of this hypothesis This is a fixed law of nature unassailable and constantly operative in every case No other species but man is afflicted with mental illness because no other species has either the intellectual power to repress their sexual feelings nor the motivation to do so The disease we call schizophrenia is but an arbitrary name which is used to designate the end stage of a process beginning with a slight neurosis The more severe the bisexual conflict and confusion in the individual the more severe the degree of the mental illness which is experienced Several other investigators in the past have reached this same conclusion but unfortunately their wisdom went largely unheeded Hopefully this book will remedy that ill advised neglect

Daughters Grow up Feeding on Mother's Emotions Woo-ran

Park, 2022-06-14 Mother is Mother Daughter is Daughter A self recovery guide for all of mothers and daughters by a psychoanalytic expert How mothers can reclaim their lives as independent women and human beings Why do mothers turn more to their daughters than sons when feeling upset or distressed Why do mothers look upon their happily married daughters with not just pride but a hint of jealousy Why do daughters when thinking about their mothers feel gratitude as well as guilt and resentment We need to lose our mothers to find ourselves And we need to find ourselves for our daughters to live their own lives Woo ran Park a psychoanalytic expert who for more than ten years has conducted over 10 000 psychotherapy and dream interpretation sessions reaches deep into psychology research and case studies to unlock the secret behind the love hate relationship between mothers and daughters and explain how we can protect our girls from this emotional wounding across generations Many reasons lie behind the mother s obsession with her daughter and the daughter s inability to break free from this hold But the author pays particular attention to the female tendency to attain self realization by meeting the unmet needs of others Mothers typically see the son or husband as the other and try to satisfy their needs but when it comes to the daughter who they see as their equivalent they re more likely to make demands Likewise daughters identify with the mother and see the mother s emotions as her own This is what makes the mother daughter relationship so complicated the daughter is angry at the mother who is full of demands but gives little love and

wants to hate her but can't This deep psychological bond between the mother and daughter starts to show cracks as they become older introducing problems both big and small into their lives Feelings of obsession bitterness resentment longing and gratitude get rolled into one and make the two oscillate between love and hate In short the mother and daughter have failed to create a healthy distance between themselves Then what can we do Park says we should question the social concept of unconditional motherly love and try to bring to the surface the mom's deeply buried wants and desires as a woman Only then can we forge a path different from our mother's and our daughters live a different life from our young selves The author walks us through the main conduits through which the mother's unconscious is passed onto the daughter emotions gaze unmet needs maternal love husband and how we can reclaim ourselves as not just a woman but as a human being This book will help you to learn the Psychology for Mothers Daughters and all of women and recover yourself Feelings of Guilt Resentment and Gratitude About Female Emotions Daughters Grow up Feeding on Mother's Emotions About Mother's Emotions Am I Really My Child's Mother About the Maternal Gaze I Wanted to Be Mom's Loving Daughter About the Mother's Unmet Needs All Mothers are Strong About Maternal Love Moms Be Moms Dads Be Dads About Our Husbands Moms are Human Too About the Mother's Recovery NOW GET THE BOOK and start growing your skills to strengthen your relationships between MOMS and DAUGHTERS Two Truths and a Guy Jeannine Henvey, 2021-10-12 High school is hard enough Imagine having to keep a secret that can change your twin's life Sixteen year old twins Stella and Peter move cross country with their parents to start fresh and leave their former life behind Will the past determine their future or will they finally get their happy ending Peter and Stella may be twins but individually their struggles are one of a kind From the outside they seem like two kids just trying to find their way at a new school but behind closed doors they deal with the emotional baggage from the past they've yet to unpack Beauty queen Mom counts Stella's every calorie rather than deal with Peter's transition And even though Dad supports Peter's true self he's blind to seeing Stella for who she really is She just wants to be a teenage girl known for anything other than her sibling Meanwhile with a skin tight binder around his chest and eagerness to fit in with his classmates Peter feels like he's suffocating All this just to have his outside match his inside and simply be If anyone learns their secret the family's sacrifice of moving to California will have been for nothing Brimming with a rollercoaster of emotion and unwavering hope Two Truths And A Guy is a heartfelt coming of age story that touches us with the power of loyalty the need for acceptance and the importance of living our truth **Rendorous** Cathy Crier Appleberry, 2024-06-04 The title Rendorous means Ren doors are us Southern charm is illustrated throughout Many of the people in the south speak fast and tend to run their words together They have different accents Some of the southerners even sound foreign The characters are fictional with a lot of drama that many people can relate to The quotes are phenomenal If the shoe fits you wear it and walk through Ren's doors The main character is a young lady who grew up in the south with a lot of generational ties She endured the struggles of segregation peer pressure love and relationship issues She

was able to overcome many of the obstacles She was determined to get away from all that hindrance She would be the one to rise up and make a difference to all that was dear to her Her generational patterns showed the type of people she would be most attracted to You may cry You may laugh Just enjoy this Rendorous journey
