Daddys Girls:

Daddy's Girl Valerie Walkerdine, 1998 Reflecting on her own working class roots and taking us into the homes and the confidence of working class girls today Valerie Walkerdine raises troubling questions about television and parental control about Freud's seduction theory and the manipulation of little girls and their thoughts and feelings about themselves and their Daddy's Girls Suzanne Gold, 2000-11-17 Daddys Girls is a rich yet simple family tale of love madness and spirit told in the three first person points of view of its three women Overlapping vignettes create a vivid patchwork of lifes defining moments to reveal dark forces lurking beneath the familys typical middle class veneer as they struggle to love one another The story is fiction with a dash of magical realism but the inspiration is autobiographical Daddys Girls recently received a glowing review from Terry Mathews of Bookbrowser com She calls it A book that will speak to you on many levels that can alter your perception of the world broaden your horizons and urge you to think outside the box The best book Ive read since Cunninghams THE HOURS And Ruth Williams author of Younger Than That Now says Daddys Girls is a luxuriant narrative telling the stories of three complex women two sisters and their mother and how their lives are impacted by the mental illness of one A fascinating and obviously well informed look at heartbreaking realities. This is a book written from the Daddys Naughtiest Girls Tara Hayes, Daddys Naughtiest Girls The pages of this book contain very detailed descriptions of sex acts and fantasies including Age Play ABDL DDLG CGLG Despite the physical descriptions of some of the story s participants all of the characters are consenting adults All the people depicted are over eighteen years old and not directly related All the characters settings and places are completely fictitious any resemblance to real people places or places is purely coincidental EXTRACT He went straight up the stairs to one of the guest rooms the one that contained all the toys He had had it designed and renovated by a famous underground designer of BDSM torture chambers When Scott approached the designer and told him what he wanted the man jumped at the chance He had never done a room for a little while and when given a budget three times the amount of any dungeon he had built he had gone to town The room was huge There were all the female toys known to man there were retro dolls soft toys a white four poster bed fit for any little princess There were story books and coloring books two whole shelves colored pencils crayons and paints Each bedding and drapery piece had ruffles and lace A rocking horse a swing hoops and skipping ropes He swept the room with a quick glance and closed the door The room was a bit messy proof that someone had played in there but not a complete bomb site certainly not messy enough to warrant disciplinary action Back at the foot of the stairs he wondered to himself how he had done and heard the noise from the movie theater before He went in that direction and as he turned the corner he could see the back of her head eclipsed by the cinema style seat the movie was projected on the wall beyond her an old classic cartoon fairy tale He coughed loud enough to be heard over the music She bounced off the chair and turned around almost unable to contain herself she screamed and ran towards him arms in the air her blonde pigtails waving Daddy She cried She was about to

throw herself into his arms but he straightened up straightened his back and crossed his hands on his chest She stopped dead for a moment she was confused but her misdeed returned to him and she lowered her head head though she hoped it wasn t that She had hidden the packaging in the large bin outside He leaned around her over the chair and muted the sound in the cinema then stood up to above her Tell me what s the rule about eating chocolate between meals He said his voice was as harsh as his back was straight No chocolate or candy between meals She told him back her hands twisting and waving in front of her So do you have something to tell me He said Nooo She said in a low voice tilting her head forward a little Are you sure He asked after a short pause she shook her head She was sure she could bluff but he had other ideas He reached out
